1892, c. 29, s. 550 amended.

1. Section 550 of "The Criminal Code, 1892," is hereby repealed and the following section substituted therefor:

Commitment to certain institutions.

5. Whenever an order has been made under either of the two sections next preceding, the child may thereafter be dealt with under the law of the province of Ontario, in the same manner, in all respects, as if such order had been lawfully made in respect of a proceeding instituted under authority of a statute of the province of Ontario.

Section 1.—The Government slides, booms and other works connected therewith in the Ottawa district shall be under the control and management of the Superintendent of the works for that district, or in case there should be no Superintendent, or in the absence of such an officer, under the control and management of the Slide Master, Deputy Slide Master, Boom Master or other officer in charge for the time being at any of the stations; and these officers, and no others, shall have the power of regulating the supply of water required for the passage of timber, of allotting the space for rafting or mooring timber, of determining the quantity of timber that may pass daily through the slides or booms, of awarding the amount that may be due by the owner or owners of timber or persons in charge thereof for damages that may have been done to any of the works, of imposing fines or penalties for any violation of the slide regulations, of seizing the timber, and of detaining or selling the same at public auction, as hereinafter provided, and of recovering the said dues, penalties or damages when the owners of timber or persons in charge thereof refuse or neglect to pay the same; and the orders of the said Superintendent of the works, Slide Master, Deputy Slide Master or other officer in charge of the works as aforesaid, must in all cases be obeyed by the owners of timber or their employees, who in case of refusal or neglect to obey such orders, shall be subject to the fines or penalties hereinafter imposed, as the case may be.

Section 2.—No raft or parcel of timber shall be permitted to enter any Government slide or boom for the purpose of passing through, without the owner or person in charge of such raft or parcel of timber first giving notice thereof to and obtaining permission from the Superintendent, Slide Master, Deputy Slide Master, Boom Master or other officer in charge of the station as aforesaid, under a penalty of not less than four dollars and not more than twenty dollars.

Section 3.—The owner or person in charge of any raft or parcel of timber, previous to entering any of the Government crib slides, for the purpose of passing such raft or parcel of timber through the same, shall make a full and complete report to the Slide Master or person acting in that capacity of such raft or parcel of timber, containing an account of the number of cribs and the description of timber composing the raft or parcel of timber, the name and designation of the owner or owners, together with marks and all other particulars relating thereto, under a penalty of not less than twenty dollars and not more than two hundred dollars, for refusing or neglecting to make such report.

Section 4.—On the arrival of any description of timber at or near any of the Government Slides, Booms or works, the owner thereof or person in charge of the same shall immediately send a sufficient number of men to pass said timber through the said slides, booms or works, and shall not allow the timber to accumulate at the head of the said slides, booms or works, or to obstruct the passage of other timber to or from the said slides, booms or works, and shall not change the position of any boom or work without the permission of the Superintendent or other officer in charge of the works being first had in writing, and any person so doing without such authority shall be liable to a penalty of not less than one hundred or more than two hundred dollars for each offence, and if a "jam" of any description of timber takes place in any of the said slides, booms or works, or near the same, the owner or person in charge shall at once remove the "jam" or obstruction under the direction of the Slide Master, Boom Master, or officer acting in that capacity; and in case the owner or person in charge of said timber should refuse or neglect to remove the same within twenty-four hours, the said Slide Master, Boom Master or officer or person by him authorized in that behalf, shall have the power of removing the same at the proper costs, risks, and expenses of the owners thereof, who shall be subject to a penalty of not less than fifty dollars and not more than two hundred dollars for every day during which their timber shall obstruct the passage of other timber, over and above the amount that may be awarded by the Superintendent, Slide Master or other officer in charge of the work, as well for the expenses for removing the same as for any damages that may have been done in consequence of such refusal or neglect. And in no case shall the Government be liable for any damage or loss caused by the breaking away of any work whether through the weakness of the work itself, changing the position of booms, or from over-pressure of logs or timber in contravention of these regulations.

Section 5.—The number of men required at each station shall be regulated by the said Superintendent or other officer in charge of the station who are hereby empowered to employ at the cost and charges of the owners of the timber, saw-logs, etc., the number of men necessary to pass the same in safety over or through such station, when the owner or owners of such timber, saw-logs, etc., has refused or failed to supply such men at the time required by the Superintendent or other officer in charge of the station, and any owner or person in charge of such timber or logs who shall neglect or refuse to comply with this regulation shall incur a penalty of not less than fifty dollars and not exceeding two hundred dollars over and above the payment of the amount at which any injury or damage so done to the works may be estimated by the Superintendent.

Section 7.—No raft or parcel of timber shall be moored or banded up nearer to the entrance to or the outlet from any of the Government Slides, Booms or works than the berths pointed out by the Superintendent or other officer in charge or specially designated in these regulations; and when permission shall be granted to the owners or persons in charge of any raft or parcel of timber to place any raft or parcel of timber in or near the slides, booms or works, the owners or persons in charge of such rafts or timber shall not in any case take any more or other space or place than the berth or berths allotted by the said Superintendent or other officer in charge of the works, and shall at any time, when directed so to do, move the said rafts or timber from place to place, or remove the same entirely, as soon as required so to do by the said Superintendent or the Slide Master or other officer in charge of the works, under a penalty of not less than twenty-five dollars and not more than fifty dollars in case of refusal or neglect on the part of the said owners or persons in charge of such timber or rafts to comply with the requirements of this section.

Section 9.—The Collector of Slide Dues, or any person or persons duly authorized by him in that behalf, shall, at all hours during the day, have free access, and full power and permission to enter and remain as long as he or they may see fit upon any raft or parcel of timber for the purpose of examining the same, and every facility shall be afforded him or them for ascertaining the number of cribs or the number of pieces and description of timber of which the same is composed, and any person obstructing the Collector of Slide Dues, Slide Master or other persons duly authorized, as aforesaid, in the execution of his or their duty, shall incur a penalty of not less than fifty dollars and not more than two hundred dollars.

Section 10.—The owner or owners as well as the person or persons in charge of any raft or parcel of timber shall be held jointly and severally responsible for any injury or damage done to the slides, booms, piers, or other works connected therewith, by any of the parties in their employment; and it shall and may be lawful for the Superintendent of the works or officer acting in his behalf, to seize and detain such raft or parcel of timber until the injury so done shall be repaired, or until security to the satisfaction of the said Superintendent or such other officer shall have been given for such amount as shall be awarded on account of such damage; and any and every person interfering with the management or supply of water, or with any of the duties of the said Superintendent Slide Master, Boom Master or other officer in charge of said works or any of them without having been duly authorized in writing so to do by the said officers in charge and any and every person doing injury or damage, as aforesaid, to any of the Government works on the River Ottawa or its tributaries or to the booms, slides, gates, piers or other works connected therewith, or aiding or assisting in doing such injury or damage, shall, for the first offence, incur a penalty of not less than fifty dollars and not more than one hundred dollars, over and above payment of the amount which may be awarded for such damages; and, for the second and every subsequent offence, shall incur a penalty of not less than one hundred dollars and not more than two hundred dollars, over and above payment of such damage, the amount of which damage shall, in each case, be ascertained and determined by the Superintendent or person acting in his behalf.

Section 11.—It shall be competent for the Collector of Slide Dues, his deputy or deputies, assistant or assistants, or person duly authorized by him, to enter upon, seize and detain at the risk, costs and charges of the owner or owners thereof, any raft or parcel of timber which shall have been removed away from any of the Government slides, booms or works, without the slide dues thereof, the amount awarded for damages, or the fines or penalties, if any, being first paid or secured to his satisfaction, and any and every person obstructing the Collector of Slide Dues, or other person or persons duly authorized, as aforesaid, in the execution of his or their duty, shall incur a penalty of not less than twenty dollars and not more than two hundred dollars.

Section 12.—Rafts, cribs and every description of timber shall be held liable for the dues, damages and penalties imposed under these regulations; and the Superintendent or other duly appointed officer is hereby authorized and required to seize and detain any such raft, crib or parcel of timber until payment of such dues, damages and penalties is made, or until the owner or person in charge shall have given satisfactory security for the payment thereof, within thirty days after the same shall have been declared to be incurred, or shall have been demanded; and, in default of such payment being made within the said term of thirty days, then the Superintendent or other duly appointed officer, may proceed to sell by public auction any such raft, crib or parcel of timber, but at least two weeks' notice of the day of the intended sale by auction shall in the meantime, have been given and have been duly inserted in one or more of the public newspapers published at the nearest place from the said works, and a copy of such notice shall also have been placarded during the same time (two weeks before the intended sale) in a public and conspicuous place at or near the said works where the raft, crib or timber is lying; and if the costs attendant on such auction sale, as well as all other costs, damages and penalties imposed or awarded, cannot be realized from the timber so seized and sold, the same shall be recoverable from the owner of said raft, crib or parcel of timber.

Section 13.—No rafts of round, square or flatted timber, or saw-logs, shall be allowed to be banded up, retained or held within the sheet of water bounded by the Ottawa Slide and the south shore of Victoria Island to the eastern extremity of the same, and extending easterly to a mark on the south side of Pine Tree Island, thence in a southerly direction to a mark at the water's edge of the River Ottawa, opposite the centre of Kent Street, in the City of Ottawa; thence along the south shore of the said river to the foot of the slide aforesaid.

Section 14.—But in case of cribs of timber or saw-logs being damaged or broken up in passing the slide they may be repaired or re-rafted within the aforesaid limits, if, in the opinion of the Superintendent of the works, such repairing or re-rafting be necessary. But in no case shall they be allowed to remain within the said limits longer than 48 hours after passing the slide.

Section 15.—Every violation of the preceding section or encroachment on said limits, shall subject the owner, person or persons in charge of such raft to a penalty of not less than twenty-five dollars and not exceeding fifty dollars.

Section 16.—No steamboat, barge or other craft, or boat-house, during the season of running timber shall be allowed to moor within the said limits in a position that obstructs a free outlet from the slide; and in all cases vessels loading or unloading, must be brought to the wharves or landing places and lie parallel with the current, but in no case shall there be more than two vessels abreast of each other, under a penalty, for every offence, of not less than fifteen dollars nor more than fifty dollars.

Section 18.—Persons engaged in "driving" timber down the Gatineau River, in the Ottawa district aforesaid, shall not deposit on the banks of the main stream, or any of its tributaries, any saw-logs or square timber, within reach of the spring floods, nor float any timber down the river aforesaid until the ice has left the pond near the mouth of the Gatineau River, the said pond being a receptacle for lumber, and connected with the main boom on said Gatineau River by a canal; and whereas during the season of low water, steamers, barges, or other river craft or rafts of square timber or sawed lumber, cannot pass through the "trip" boom forming the upper portion of the Gatineau Boom in the north channel of the Gatineau River, but have to be passed through the main guide boom in that river by a more southerly

channel, the said boom shall be kept clear of logs or timber, and the owners or persons in charge having any logs or timber obstructing the said boom, during the said season of low water, when steamers, barges, or other river craft or rafts of square timber or sawed lumber cannot pass through the "trip" boom aforesaid, shall be held liable for all damages that may be caused to the owners or persons in charge of steamers, or other river craft, or rafts of any description of timber, on account of detention, or otherwise, by such obstruction, over and above the penalty hereinafter mentioned; and during the season of high water in the said river the owners or persons in charge of rafts or timber shall not allow more than fifteen thousand pieces of saw-logs or square or other timber to accumulate or be in the main guide boom leading to the canal at the same time; every violation of this regulation shall subject the owners or persons in charge of such logs or timber to a penalty of not less than twenty-five dollars and not more than fifty dollars for each and every day during which the present regulation shall be violated, over and above the amount that may be awarded by the Superintendent of the "Ottawa River Works"; for any damage that may be done to the booms or works in consequence of such violation.

Section 19.—The gaps at the Upper and Lower Boom of the Gatineau works during the season for running timber and logs shall be open at five o'clock in the morning and close at seven o'clock in the evening if so directed by the Superintendent or officer in charge or at an earlier or later hour, if found necessary by the said Superintendent, Boom Master, or person in charge of the said gaps. And the said gaps shall be continually kept open for running between the hours named with the exception of two hours for meals.

Section 20.—When any timber, logs or other lumber arrive at the Sorting Gaps on the Gatineau River aforesaid, the owner of such timber, logs or other lumber shall at once cause the removal thereof. In the case of neglect or delay on the part of the owner or owners or persons in charge thereof to comply with this regulation, whereby the passage of the timber, logs or other lumber of other owner or owners might or should be impeded, the Superintendent, Boom Master, or his assistant at the Gatineau or Upper Gap, or the person appointed to carry out these regulations at the outlet of the Gatineau Pond, in the Ottawa River or Lower Gap, respectively, is hereby empowered to turn adrift the timber or logs causing the impediment, and the loss resulting therefrom shall fall upon its owner or owners.

Section 21.—The officers hereinbefore mentioned shall have full power to enforce these regulations at their respective stations; and the Superintendent of the "Ottawa River Works" or officer acting in his behalf in any case of damages on account of breakages or overcrowding the timber of any description, shall determine what damages shall be paid on account thereof, and in what proportions such damages shall be paid at either the Upper or Lower Gap.

Section 22.—In order to a uniform application of tariff charges all lumber and timber shall, except where otherwise by the said tariff or any amendment thereto specifically provided be classified as follows:—

Section 23.—Square and waney or board timber, shall be denominated square timber, and shall be charged for by the crib, and in the case of any such timber passing any of the works otherwise than in cribs—a number of pieces sufficient in the discretion of the Collector or any deputy duly authorized by him, to make an ordinary sized crib, (not however to exceed one thousand cubic feet) shall be counted as one crib.

Section 24.—Round timber or from 12 to 16½ feet in length, commonly called "saw-logs" shall be charged for by the 1,000 feet board measure, but in all cases where the Culler's measurement of the logs is not furnished to the Collector of Slide and Boom Dues as hereinafter provided five pieces shall be charged for as 1,000 feet B.M.

Section 25.—Flatted, or partly hewn timber, under 13 inches mean diameter from bark to bark, shall be charged for when cribbed at half square timber rates.

Section 26.—All flatted, round or partially hewn timber 17 feet and upwards in length except as provided in section 25 shall be charged for by the 1,000 feet board measure, but in all cases where the Culler's measurement is not furnished to the Collector of Slide and Boom Dues, as hereinafter provided, three pieces shall be charged for as 1,000 feet B. M. Railway ties 8 feet in length and under shall be computed at the rate of 40 pieces to one thousand feet board measure. Fence posts 8 feet in length under 6 inches diameter at the small end shall be reckoned at 80 pieces to 1,000 feet board measure.

Section 27.—Other wood goods shall be charged for at the discretion of the Collector, at such proportionate rates as would be chargeable under these regulations against the class of goods to which they are most nearly allied.

Section 28.—In dealing with sawn lumber twelve thousand feet board measure shall be deemed to be equivalent to one crib.

Section 29.—When pulp wood or wood intended for manufacturing purposes other than sawn lumber is driven loose, ten (10) pieces of nine inches and under at the small end and thirteen feet in length shall be held to equal one cord, but to permit such wood to be treated and charged by the cord, specifications must be furnished to the Collector of Slide and Boom Dues showing the number of pieces of each length and diameter, and failing such specifications ten pieces shall be charged as one thousand feet B.M.; such specifications shall be accompanied by an affidavit stating the purpose for which the wood is intended and that the sizes and lengths are according to their Culler's books of measurement.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 26th day of July, 1894.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS complaints have been made that a great destruction of fish occurs in the Chiputneticook or Schoodic Lakes, a chain of lakes on the Chiputneticook River, a branch of the Ste. Croix, forming the boundary between the State of Maine and the Province of New Brunswick ; and that these waters, which are said to be frequented by pickerel, speckled trout, salmon, " toag " (a species of salmon) and other fish are unmercifully netted.

And whereas under Section 52 of the Fishery and Game Laws for the State of Maine, any one fishing with nets in the above waters is liable to a fine of $25 for the offence, and of $10 for each salmon or land-locked salmon, and of $1 for each and every other fish so taken ; but as no adequate provisions exist on the Canadian side of the Lakes, the local fishery officers find themselves at a disadvantage, and the beneficial effects resulting from a total prohibition of netting in United States waters are thus nullified,—

His Excellency, in virtue of the powers conferred upon him by Section 16 of Chapter 95 of the Revised Statutes of Canada, intituled " The Fisheries Act, " and by and with the advice of the Queen's Privy Council for Canada, is pleased to make the following regulations :—

" Fishing by means of nets of any kind, without lease or license from the Minister of Marine and Fisheries, is prohibited in the waters of Chiputneticook or Schoodie Lakes in the Province of New Brunswick."

JOHN J. McGEE,
Clerk of the Privy Council.

The light is shown from a dioptric lantern of the 7th order, hoisted to the head of a mast.

This notice affects Admiralty Charts Nos. 327 and 678.

II. GROSSE ISLE UPPER RANGE LIGHT-STATION.

Notice is given by the Lighthouse Board of the United States of America that, on or about 16th July, 1894, a fixed white lens-lantern light would be established in each of the two structures recently erected on the E. side of Grosse Isle, nearly abreast of the S. end of Fighting Island, Detroit River, Michigan.

Each light will illuminate 90° of the horizon lying between S. 72° 03' W. (true) and S. 17° 57' E. (true) or 60° to the eastward and 30° to the westward of the range line.

The range line will mark the line of the best water from its intersection with the line of Grosse Isle Lower Range, up the river, to a point from which Mamajuda Range (front) Light will become visible and bear N. 81° 47' W. (true). The range line passes about 750 feet to the eastward of Mamajuda Light (about 350 feet to the eastward of the curve of 18 feet depth abreast of that light).

Each structure is a square pyramidal open framework of wood, painted brown, with a small white house, with red roof, in its base, and is surmounted by a white octagonal lantern with a black roof.

The focal plane of the front light will be 45 feet above the mean level of the river, and the structure from which the light will be shown stands on a platform on piles, in about 3½ feet of water, about 175 feet from the easterly shore line of the island, and about 1,350 feet N. 12° 03' E. (true) from the rear light.

The focal plane of the rear light will be 75 feet above the mean level of the river, and the structure from which the light will be shown stands about 450 feet to the westward from the easterly shore line of the island, and its lower part is obscured by trees.

The approximate geographical position of the rear light, as taken from the Chart of Detroit River of the Survey of the Northern and North-western Lakes, will be :

Lat.	N.	42°	9'	50"
Long.	W.	83°	8'	26"

III. MAMAJUDA RANGE (FRONT) LIGHT-STATION.

Notice is given by the Lighthouse Board of the United States of America that, on or about 16th July, 1894, a fixed red lens-lantern light would be established in the structure recently erected on Mamajuda Shoal, in about 3½ feet of water, about 600 feet N. 8° 13' E. (true) from Mamajuda Light, Detroit River, Michigan.

The focal plane of the light will be 28 feet above the mean level of the river. The light will illuminate 120° of the horizon lying between N. 81° 47' W. (true) and S. 21° 47' E. (true), or 90° to the eastward and 30° to the westward of the range line.

With Mamajuda Light, as a rear light, the light forms a range to mark the line of best water passing about 950 feet to the eastward of Grassy Island Light (about 350 feet to the eastward of the curve of 18 feet depth abreast of Grassy Island Light) to a point about ¾ mile from the new light.

The structure is a white, square, pyramidal tower on a platform supported on piles, and is surmounted by an octagonal lantern.

Parts II and III of this notice affect Admiralty Charts Nos. 332, 490 and 678.

NOTICE TO MARINERS.

No. 25 of 1894.

I. SHOAL POINT BUOY REPLACED BY DOLPHIN.

The buoy moored on the outer end of the spit off Shoal Point, in Victoria Harbour, B.C., has been removed, and its place taken by a dolphin or beacon formed of a cluster of three piles painted red. The lantern heretofore attached to the frame work of the superstructure of the buoy is now maintained on top of this beacon, and it is hoped that in consequence of the greater stability of the beacon the light will be more reliable than it was when on the buoy.

The light will be as heretofore fixed red, exhibited from a lantern with pressed glass lens, and should be visible from all points of approach three miles.

This notice affects Admiralty charts Nos. 576, 1897*b*, 1911, 1917, 2531 and 2689, and Canadian List of Lights and Fog Signals No. 1169.

II. PIN ROCK BUOY REPLACED BY DOLPHIN.

The buoy moored on Pin Rock, in Victoria Harbour, B.C., has been removed, and its place taken by a dolphin or beacon formed of a cluster of three piles painted black. The light heretofore shown from the buoy is now maintained on top of this beacon as at Shoal Point.

The light will be as heretofore fixed white, exhibited from a lantern, with pressed glass lens, and should be visible from all points of approach three miles.

This notice affects Admiralty charts Nos. 576, 1897*b*, 1911, 1917, 2531 and 2689, and Canadian List of Lights and Fog Signals No. 1170.

1. Personne, autre qu'un sujet britannique, ne pêchera à la ligne ou prendra de l'achigan, du maskinongé, du brochet, de la perche (doré) ou de la truite dans les eaux canadiennes, sans avoir d'abord obtenu un permis pour pêcher à la ligne, émis par le garde-pêche local dans chaque district, sous l'autorité du Ministre de la Marine et des Pêcheries.

7. Personne, étant porteur d'un permis de pêcheur à la ligne, ne devra exporter, vendre ou offrir en vente du poisson pris avec la ligne à la main.

8. Toute personne ou toutes personnes qui enfreindra ou enfreindront aucuns des susdits règlements sera ou seront passibles des peines et amendes établies par l'Acte des pêcheries, chapitre 95 des Statuts Revisés du Canada.

9. Rien de contenu aux présents règlements n'affectera les droits des personnes portant des baux de droits de pêche relevant des autorités fédérale ou provinciales.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu des dispositions de "l'Acte des Travaux Publics," chapitre 36 des Statuts Revisés, et du chapitre 98 des Statuts Revisés, intitulé "Acte concernant les péages sur les constructions de l'Etat pour la descente du bois," et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire les règles et règlements suivants pour la régie, entretien, bon usage et protection des glissoires du gouvernement et autres travaux construits dans le but de faciliter la descente du bois de charpente et de service, et des billots sur la rivière Ottawa et ses tributaires, et pour la perception des droits et péages pour leur usage, et d'imposer et autoriser la perception sur les dits travaux des droits et péages ci-après mentionnés ; les présentes règles, règlements, péages et droits remplaceront toutes autres règles, règlements, péages et droits autrefois en vigueur ou imposés sur ces travaux, et auront pleine force et vigueur à compter du 15e jour d'avril 1894.

JOHN J. McGEE,
Greffier du Conseil privé.

RÈGLEMENTS.

NOTE.--Les mots "radeaux ou lot de bois" partout où ils se rencontrent dans les présents règlements, seront censés signifier les billots de sciage, traverses de chemin de fer et toutes autres espèces d'effets en bois, aussi bien que le bois équarri et méplat.

Article 1.—Les glissoires, estacades et autres constructions fédérales s'y rattachant dans le district de l'Ottawa, seront placés sous le contrôle et la régie du surintendant des travaux du district, ou, s'il n'y a pas de surintendant, ou en son absence, sous le contrôle et la régie du gardien de glissoire, sous-gardien de glissoire, gardien d'estacades ou autre officier alors en charge à aucune des stations ; et ces officiers, et nuls autres, auront le pouvoir de régler l'alimentation de l'eau nécessaire pour le passage des bois de construction, de répartir l'espace accordé pour la mise en radeau ou l'amarrage du bois, de déterminer la quantité de bois qui pourra passer chaque jour dans les glissoires ou les estacades, d'établir la somme qui pourra être due par les propriétaires de bois ou les personnes qui en ont la charge, pour les dommages qui pourraient être faits à quelqu'un des ouvrages, d'imposer des amendes ou pénalités pour infraction aux règlements des glissoires, de saisir le bois et de le détenir et vendre aux enchères publiques, tel que ci-dessous prescrit, et de recouvrer ces droits, amendes ou indemnités lorsque les propriétaires du bois ou les personnes qui en ont la charge refuseront ou négligeront de les payer ; et les ordres du dit surintendant des travaux, gardien de glissoire, sous-gardien de glissoire ou de tel autre officier autorisé comme susdit, devront toujours être suivis et exécutés par les propriétaires du bois, ou leurs employés, sous peine, en cas de refus ou négligence de ce conformer à ces ordres, des amendes et pénalités ci-dessous imposées suivant le cas.

Article 2.—Il ne sera permis à aucun radeau ou lot de bois d'entrer dans une glissoire ou estacade de l'Etat avec l'intention de la descendre, sans que le propriétaire ou la personne en charge de ce radeau ou lot de bois ait d'abord donné avis au surintendant, gardien de glissoire, sous-gardien de glissoire, gardien d'estacade ou autre officier en charge de la station comme susdit, et en ait obtenu la permission, sous peine d'une amende de pas moins de quatre piastres et n'excédant pas vingt piastres.

Article 3.—Le propriétaire ou la personne en charge d'un radeau ou lot de bois, avant d'entrer dans aucune des glissoires de l'Etat, avec l'intention de la descendre, devra faire un rapport exact au gardien de glissoire ou à la personne agissant en cette qualité, de ce radeau ou lot de bois, énonçant le nombre de coupons, et l'espèce de bois composant ce radeau ou lot de bois, ainsi que le nom et la désignation du propriétaire ou des propriétaires, et les marques et tous autres détails s'y rapportant sous peine d'une amende de pas moins de vingt piastres, et n'excédant pas deux cents piastres, pour refus ou négligence de faire ce rapport.

Article 4.—A l'arrivée de toute espèce de bois à ou près de quelque glissoire, estacade ou autre ouvrage de l'Etat, le propriétaire ou la personne qui en aura la charge enverra immédiatement un nombre d'hommes suffisant pour faire passer ce bois dans la dite glissoire, estacade ou autre ouvrage, et ne laissera pas accumuler ce bois à la tête de la dite glissoire, estacade ou autre ouvrage, et ne nuira pas au passage d'autre bois destiné à entrer ou sortir de la dite glissoire, estacade ou autre ouvrage, et ne changera pas la position d'aucune estacade ou ouvrage sans en avoir d'abord obtenu la permission par écrit du surintendant ou autre officier en charge des ouvrages, et toute personne qui fera un tel changement sans autorisation sera passible d'une amende de pas moins de cent piastres et n'excédant pas deux cents piastres pour chaque contravention ; et s'il survient un encombrement ou refoulement de bois dans quelque glissoire, estacade ou autre ouvrage, ou dans son voisinage, le propriétaire ou la personne qui en a la charge devra immédiatement défaire cet encombrement ou enlever l'obstacle, sous la direction du gardien de glissoire, gardien d'estacade, ou autre officier agissant en cette capacité ; et si le propriétaire ou la personne ayant la charge du bois refuse ou néglige de l'enlever ou défaire dans les vingt-quatre heures, le gardien de glissoire, gardien d'estacade ou officier, ou la personne autorisée par lui à cet effet, pourra le faire enlever ou défaire aux frais, risques et dépens des propriétaires du bois, qui seront passibles d'une amende de pas moins de cinquante piastres, ni de plus de deux cents piastres, pour chaque jour durant lequel leur bois empêchera le passage d'autre bois, en sus du montant qui pourra être taxé par le surintendant, gardien de glissoire ou autre officier en charge des travaux, tant pour les frais occasionnés par l'enlèvement de l'obstacle que pour tout dommage qui pourra avoir été causé par suite de ce refus ou de cette négligence. Et le gouvernement ne sera dans aucun cas responsable des dommages ou perte causés par la rupture de toute construction soit à cause de la faiblesse de l'ouvrage même, soit par le changement de position des estacades, ou de la trop grande pression des billots ou du bois en contravention des présents règlements.

Article 5.—Le nombre des hommes nécessaires à chaque station sera déterminé par le dit surintendant ou autre officier en charge de la station, qui sont par le présent autorisés à employer, aux frais et dépens des propriétaires du bois de construction, billots, etc., le nombre d'hommes nécessaire pour les passer en sûreté sur et par cette station, dans le cas où le propriétaire de ces bois, billots, etc., négligerait de fournir ces hommes au temps voulu par le surintendant ou autre officier en charge de la station ; et tout propriétaire ou personne en charge de ces bois ou billots qui négligera ou refusera de se conformer au présent règlement, encourra une amende de pas moins de cinquante piastres, ni de plus de deux cents piastres, en sus du paiement de tout montant auquel le dommage fait sera évalué par le surintendant.

Article 6.—Si le propriétaire ou personne en charge d'un lot de bois, ou de billots, manque ou néglige de fournir le nombre d'hommes voulu par le dit surintendant, ou autre officier dûment autorisé, en vertu des présents règlements, le dit surintendant ou autre officier en charge de la station, pourra employer le nombre voulu d'hommes aux frais du propriétaire du bois de construction, billots, etc., et les frais ainsi encourus seront une première charge sur le dit bois, billots, etc., lequel pourra être saisi et détenu par le dit surintendant ou autre officier autorisé jusqu'à ce que tous les frais et charges ainsi encourus soient payés, ou la perception pourra s'en faire de la manière établie par la loi pour la perception des droits de glissoire et d'estacade ordinaires.

Article 7.—Nul train ou lot de bois ne sera amarré ou assemblé plus près de l'entrée ou de la sortie d'aucune glissoire, estacade ou autre ouvrage de l'Etat que l'endroit indiqué par le surintendant ou autre officier en charge ou spécialement désigné dans les présents règlements ; et lorsqu'il sera donné permission aux propriétaires ou personnes ayant la charge d'un train ou lot de bois de placer un train ou lot de bois dans ou près des glissoires, estacades ou autres ouvrages, les propriétaires ou personnes ayant charge de ce train, ou lot de bois ne devront en aucun cas prendre plus d'espace, ou un autre espace, ou le prendre ailleurs, que l'espace ou l'endroit indiqué par le surintendant ou autre officier chargé de la régie des ouvrages, et devront en tout temps, lorsqu'ils en recevront l'ordre déplacer le dit train ou lot de bois, et les mettre ailleurs ou les enlever complètement aussitôt qu'ils en seront requis par le dit surintendant ou le gardien de glissoire ou autre officier chargé de la régie des ouvrages, à peine d'une amende de pas moins de vingt-cinq piastres, ni plus de cinquante piastres, en cas de refus ou négligence de la part des dits propriétaires ou personnes ayant charge du bois ou trains de bois, de se conformer aux dispositions du présent article.

Article 8.—Le propriétaire ou les propriétaires ou la personne ayant charge d'un train ou lot de bois devra, avant de le sortir d'une glissoire, estacade ou ouvrage public s'y rattachant, souscrire et remettre au surintendant, gardien de glissoire, sous-gardien de glissoire ou autre officier, selon le cas, dûment autorisé à cet effet, une déclaration en duplicata certifiant le nombre et la description des radeaux ou du bois ainsi passé, et le nombre et la dimension moyenne de chaque classe, s'il en est requis, et paiera les droits de glissoire, ou en garantira le paiement à la satisfaction du percepteur des droits de glissoire, à peine d'une amende de pas moins de vingt piastres, ni de plus de deux cents piastres, et paiera de plus le double du montant des droits qui autrement auraient été payables, sur tout train ou lot de bois qui passera dans la glissoire sans cette déclaration.

Article 9.—Le percepteur des droits de glissoire, ou toute personne dûment autorisée par lui à cet effet, aura, à toute heure du jour, libre accès et plein pouvoir et permission d'aller et rester aussi longtemps qu'il ou elle le jugera à propos, sur tout train ou lot de bois dans le but de l'inspecter, et toute facilité lui sera donnée pour constater le nombre de radeaux ou le nombre de morceaux et l'espèce de bois dont ils sont composés ; et toute personne qui entravera le percepteur des droits de glissoire, le gardien de glissoire ou autre officier dûment autorisés comme il est dit plus haut, dans l'exécution de leurs devoirs, encourra une amende de pas moins de cinquante piastres, ni de plus de deux cents piastres.

Article 10.—Le propriétaire ou les propriétaires, ainsi que la personne ou les personnes ayant charge d'un train ou lot de bois, seront responsables conjointement et séparément de tout dommage fait aux glissoires, estacades, piliers, jetées ou autres ouvrages s'y rattachant, par les hommes employés par lui ; et il sera loisible au surintendant des travaux ou à l'officier agissant en son nom, de saisir ou de détenir ce train ou lot de bois, jusqu'à ce que le dommage ainsi causé ait été réparé, ou jusqu'à ce qu'une garantie ait été donnée, à sa satisfaction, pour le montant qui sera taxé pour la réparation de ce dommage ; et quiconque entravera ou gênera la régie ou l'alimentation d'eau, ou l'exécution des devoirs des dits surintendant, gardien de glissoire, gardien d'estacade, ou autre officier en charge des dits travaux ou aucun d'eux, sans avoir été dûment autorisé par les dits officiers en charge à le faire, et quiconque fera ou causera quelque dommage, comme susdit, à quelque glissoire de l'Etat sur la rivière Ottawa ou ses tributaires, ou aux estacades, glissoires, portes ou piliers s'y rattachant, ou qui aidera à faire ou causer pareil dommage, encourra pour la première offense, une amende de pas moins de cinquante piastres, ni de plus de cent piastres, en sus du paiement du montant auquel sera taxé le dommage, et, pour chaque récidive, une amende de pas moins de cent piastres, ni de plus de deux cents piastres, en sus du paiement de l'indemnité de ce dommage, dont le montant sera, dans chaque cas, constaté et taxé par le surintendant ou la personne agissant en ses lieu et place.

Article 11.—Il sera loisible au percepteur des droits de glissoire, son adjoint ou son assistant, ou à la personne dûment autorisée par lui à cet effet, de se rendre sur tout train ou lot de bois qui aura été sorti de quelque glissoire, estacade ou autre ouvrage fédéral sans que les droits de glissoire sur ce bois, le montant taxé pour dommage, ou amendes ou pénalités, s'il en est, n'aient été préalablement payés ou garantis à sa satisfaction, et de le saisir et détenir aux risques, frais et dépens du ou des propriétaires ; et quiconque entravera le percepteur des droits de glissoire, ou autre personne dûment autorisée comme susdit, dans l'exécution de son devoir, encourra une amende de pas moins de vingt piastres, ni de plus de deux cents piastres.

Article 12.—Les trains, radeaux et toute espèce de bois seront tenus responsables des droits, indemnités de dommage et amendes imposés par ces règlements ; et le surintendant ou autre officier dûment nommé est par le présent autorisé et requis de saisir et détenir tout tel train, radeau ou lot de bois, jusqu'à parfait paiement des droits, indemnités de dommage ou amendes, ou jusqu'à ce que le propriétaire ou la personne qui a charge du bois en ait garanti le paiement d'une manière satisfaisante, dans les trente jours après qu'ils auront été déclarés encourus ou demandés ; et, si ce paiement n'est pas fait dans les trente jours, le dit surintendant ou autre officier dûment autorisé pourra alors procéder à la vente du train, radeau ou lot de bois, aux enchères publiques ; mais il sera donné au moins deux semaines d'avis de la date de la vente projetée, et cet avis sera publié dans l'un ou plusieurs des journaux publiés en l'endroit le plus rapproché des dits travaux, et une copie de cet avis sera aussi affichée pendant le même espace de temps (c'est-à-dire pendant deux semaines avant la vente projetée), dans un endroit public et apparent des dits travaux, ou auprès, où se trouve le train, radeau ou lot de bois ; et si les frais entraînés par cette vente ainsi que tous les autres frais, dommages et amendes imposés ou taxés, ne peuvent être réalisés sur le bois ainsi saisi et vendu, ils seront recouvrés du propriétaire du train, radeau ou lot de bois.

Article 13.—Nul train de bois rond, équarri, ou méplat, ou de billots de sciage ne sera assemblé, retenu ou gardé en dedans de la nappe d'eau bornée par la glissoire d'Ottawa et la rive sud de l'île Victoria jusqu'à son extrémité est, et s'étendant à l'est jusqu'à une marque sur le côté sud de l'île du Pin, de là dans une direction sud jusqu'à une marque sur le bord de l'eau de la rivière Ottawa, vis-à-vis le centre de la rue Kent, dans la cité d'Ottawa ; de là le long de la rive sud de la dite rivière jusqu'au pied de la glissoire susdite.

Article 14.—Mais dans le cas où des coupons de bois ou des billots de sciage seraient endommagés ou brisés en passant la glissoire, ils pourront être réparés ou rassemblés dans les susdites limites, si le surintendant des travaux est d'opinion que cette réparation ou assemblage est nécessaire. Mais ils ne pourront dans aucun cas rester dans les dites limites plus que 48 heures après avoir passé la glissoire.

Article 15.—Chaque violation de l'article qui précède, ou empiétement sur les dites limites, rendra le propriétaire, la personne ou les personnes en charge de ce radeau passible d'une amende de pas moins de vingt-cinq piastres et de pas plus de cinquante piastres.

Article 16.—Nul bateau à vapeur, barge ou autre embarcation, ou abri de chaloupe, pendant la saison de la descente du bois, ne pourra s'amarrer dans les dites limites de manière à obstruer la libre sortie de la glissoire ; et dans tous les cas les vaisseaux chargeant ou déchargeant devront être amenés aux quais ou débarcadères et prendront une position parallèle au courant, mais il ne devra jamais y avoir plus de deux vaisseaux de front, sous peine, pour chaque contravention, d'une amende de pas moins de quinze piastres ni de plus de cinquante piastres.

Article 17.—Les dits radeaux, vaisseaux ou autres embarcations, ou abris de chaloupe, seront tenus responsables des amendes imposées par ces règlements ; et le surintendant des travaux est par le présent autorisé et requis de saisir et détenir tout tel radeau, vaisseau, barge, chaloupe ou abri de chaloupe jusqu'à parfait paiement des amendes, ou jusqu'à ce que le propriétaire ou la personne qui a charge en ait garanti le paiement d'une manière satisfaisante, dans les trente jours après que ces amendes auront été déclarées ou demandées ; et si ce paiement n'est pas fait dans le délai spécifié, le dit surintendant pourra alors procéder à la vente du radeau, vaisseau, chaloupe ou abri de chaloupe, aux enchères publiques, mais il sera donné au moins deux semaines d'avis de la vente projetée ; et cet avis sera inséré dans un ou plusieurs des papiers-nouvelles publiés en la cité d'Ottawa, deux semaines au moins avant la date de la vente, prélevant les frais en découlant, ainsi que l'amende ainsi imposée sur le propriétaire ou les propriétaires ou la personne ou les personnes réclamant cette propriété.

Article 18.—Les personnes engagées dans la descente du bois sur la rivière Gatineau, dans le district d'Ottawa susdit, ne devront pas déposer sur les rives du principal cours d'eau, ou aucun de ses tributaires, des billots de sciage ou du bois carré, à la portée des eaux du printemps, ni ne flotteront du bois de construction sur la rivière susdite tant que la glace ne sera pas partie de l'étang près de l'embouchure de la rivière Gatineau, le dit étang étant un réceptable pour le bois de service, et relié par un canal avec l'estacade principale sur la dite rivière Gatineau ; et considérant que durant la saison des eaux basses les vapeurs, barges ou autres embarcations ou des radeaux de bois carré ou de bois scié ne peuvent passer par l'estacade auxiliaire (trip boom) qui forme la partie supérieure de l'estacade de la Gatineau dans le chenal nord de la rivière Gatineau, mais sont obligés de passer par la grande estacade de dérivation sur cette rivière par un chenal plus au sud, la dite estacade sera tenue libre de billots ou bois, et les propriétaires ou personnes en charge de billots ou de bois de construction obstruant la dite estacade pendant la dite saison des eaux basses, alors que les vapeurs, barges ou autres embarcations ou les radeaux de bois carré ou de bois scié ne peuvent passer par l'estacade auxiliaire susdite, seront tenus responsables de tous dommages qui seraient causés aux propriétaires ou personnes en charge de vapeurs ou autres embarcations, ou de radeaux de toute espèce de bois, à raison de détention ou autrement, causée par cette obstruction, en sus de l'amende ci-après mentionnée ; et pendant la saison des hautes eaux dans la dite rivière les propriétaires ou personnes en charge de radeaux ou de bois de construction ne permettront pas qu'il s'accumule ou reste en même temps plus que quinze mille pieds de billots de sciage ou de bois carré ou autre dans la grande estacade de dérivation conduisant au canal, chaque infraction au présent règlement rendant les propriétaires ou personnes en charge de ces billots ou bois passible d'une amende de pas moins de vingt-cinq piastres et de pas plus de cinquante piastres pour tout et chaque jour durant lequel ce règlement sera enfreint, en sus du montant qui pourra être adjugé par le surintendant des travaux de l'Ottawa, pour tous dommages qui pourront avoir été causés aux estacades ou constructions en conséquence de cette infraction.

Article 19.—Durant la saison de la descente du bois et des billots les "entrées" en haut et en bas des constructions de la Gatineau seront ouvertes à cinq heures du matin et fermées à sept heures du soir, selon que le décidera le surintendant ou officier en charge, ou plus à bonne heure ou plus tard, si le dit surintendant, gardien d'estacade ou personne en charge des dites entrées le jugent nécessaire. Et les dites entrées seront continuellement tenues ouvertes pour le passage du bois entre les heures susdites, à l'exception de deux heures pour les repas.

Article 20.—Quand du bois de construction, des billots ou autre bois arrive aux entrées où se fait le triage des pièces (sorting gaps) sur la rivière Gatineau susdite, le propriétaire de ce bois devra de suite le faire enlever. Et si le propriétaire ou les propriétaires ou personnes en charge négligent ou retardent de se conformer au présent règlement, et par ce fait embarrassent le passage du bois de construction, des billots ou autre bois d'un autre propriétaire ou d'autres propriétaires, le surintendant, gardien d'estacade ou son aide à l'entrée supérieure de la Gatineau, ou la personne nommée pour faire exécuter les présents règlements à la décharge de l'étang de la Gatineau dans la rivière Ottawa, ou entrée inférieure, respectivement, est par le présent autorisé à envoyer à la dérive le bois ou les billots qui causent l'embarras, et la perte qui en résultera retombera sur le propriétaire ou les propriétaires de ce bois.

Article 21.—Les officiers ci-après mentionnés sont autorisés à faire exécuter les présents règlements à leurs stations respectives ; et le surintendant des travaux de l'Ottawa ou l'officier agissant pour lui dans tout cas de dommages causés par la rupture ou l'encombrement du bois de toute espèce, fixera la somme qui sera payée pour ces dommages, et quelle partie de cette somme sera attribuée à l'entrée d'en haut ou d'en bas respectivement.

Article 22.—Afin de rendre uniforme l'application des droits, tous bois de construction et bois de service seront, sauf dans les cas spécialement prévus par le dit tarif ou quelque modification du dit tarif, classifiés comme suit :—

Article 23.—Le bois carré et flacheux ou à planche sera désigné bois carré, et sera imposé à tant par coupon (crib), et dans le cas où du bois de cette description passe par aucun des travaux autrement qu'en coupons, un nombre de pièces suffisant dans l'opinion du percepteur ou d'un député dûment autorisé par lui pour faire un coupon d'une grandeur ordinaire (ne devant pas toutefois excéder mille pieds cubes) sera compté pour un coupon.

Article 24.—Le bois rond, ou de 12 à $16\frac{1}{2}$ pieds de longueur, communément appelé "bois de sciage," sera imposé à 1,000 pieds mesure de planche, mais dans tous les cas où le mesurage officiel des billots n'est pas fourni au percepteur des droits de glissoire tel que ci-dessus prévu, cinq pièces compteront comme 1,000 pieds mesure de planche.

Article 25.—Le bois méplat ou partiellement équarri, de moins de 13 pouces de diamètre moyen d'une écorce à l'autre, paiera, lorsque mis en coupons, la moitié des taux du bois carré.

Article 26.—Tout bois méplat, rond ou partiellement équarri, de 17 pieds et plus de longueur, sauf tel que prescrit dans l'article 25, paiera par chaque 1,000 pieds mesure de planche ; mais dans tous les cas cas où le mesurage officiel n'est pas fourni au percepteur des droits de glissoire et d'estacade, tel que ci-après pourvu, trois pièces équivaudront à 1,000 pieds mesure de planche. Les traverses de chemin de fer, de 8 pieds de longueur et moins seront calculées au taux de 40 pièces pour chaque mille pieds mesure de planche. Les piquets de clôture, de 8 pieds de longueur et de moins de 6 pouces de diamètre au petit bout, seront calculés à 80 pièces par 1,000 pieds mesure de planche.

Article 27.—Les autres articles de bois paieront les mêmes taux proportionnels que paie la catégorie d'articles auxquels ils ressemblent le plus en vertu des présents règlements, à la discrétion du percepteur.

Article 28.—Pour le bois scié douze mille pieds mesure de planche seront censés équivaloir à un coupon.

Article 29.—Lorsque du bois à pulpe ou du bois destiné à des fins manufacturières, autre que du bois scié, est descendu en pièces détachées, dix (10) pièces de neuf pouces et moins au petit bout et de treize pieds de longueur équivaudra à une corde, mais pour que ce bois soit traité et calculé à la corde, des spécifications devront être fournies au percepteur des droits de glissoire et d'estacade, spécifiant le nombre de pièces de chaque longueur et diamètre, et à défaut de ces spécifications dix pièces seront comptées comme mille pieds mesure de planche ; ces spécifications seront accompagnées d'une déclaration sous serment spécifiant les fins pour lesquelles le bois est destiné, et que les dimensions et longueurs sont conformes aux registres de mesurage de l'inspecteur-mesureur.

(*b.*) Lorsque du bois à pulpe ou autre est mesuré en pile, radeau ou coupon, et le nombre de cordes constaté, une déclaration assermentée sera exigée du fabricant de ce bois, appuyée de la déclaration assermentée du receveur du bois ou son agent quant au nombre de cordes, et le receveur ou l'acheteur, ou le fabricant, ou chacun d'eux seront tenus de produire le règlement de comptes entre eux concernant ce bois, et une corde sera comptée comme mille pieds mesure de planche.

Article 30.—Nuls bois de construction, billots de sciage, bois de service ou autres articles de bois ne seront transportés au delà d'un rayon de trois milles plus bas que les chutes des Chaudières, à moins que le paiement des péages et droits sur ces bois n'ait d'abord été fait ou garantie à la satisfaction du percepteur des péages et droits ; et tous tels articles ainsi enlevés sur lesquels les dits péages et droits restent impayés pendant 24 heures après qu'ils ont été déplacés, pourront être détenus par le percepteur en vertu du quatrième article de l'acte précité, et le percepteur devra de suite en faire rapport au ministre des Travaux Publics et pourra retenir ces articles jusqu'à ce que les droits de glissoires et tous les frais et dépenses aient été payés, à moins qu'il n'en soit autrement ordonné.

Article 31.—Chaque propriétaire de scierie ou la personne en charge d'une scierie ou l'utilisant, et chaque autre personne faisant le commerce du bois de construction, billots, bois scié ou autres effets de bois, fournira au percepteur des droits et péages le ou avant le trentième jour de juin de chaque année, un état attesté sous serment ou déclaration solennelle en vertu du statut à cet égard, et sur une formule imprimée qui sera fournie par le percepteur sur demande, indiquant les détails ci-dessous énumérés quant aux articles faits ou acquis par lui sauf le bois carré envoyés en radeaux à Québec, à venir jusqu'à la dite date, ou depuis la date couverte par le dernier rapport en vertu du présent ou des articles suivants ; et le ou avant le quinzième jour d'octobre de chaque année, un semblable rapport quant à tous tels articles faits ou acquis par lui subséquemment au trentième jour de juin ou date de son dernier rapport. Ces états ou rapports décriront en détail tous les articles y compris, donnant quant à ces articles respectivement les détails suivants :—

S'ils ont été faits par celui qui fournit le rapport, ou ont été achetés par lui d'autres personnes, et s'ils les a faits lui-même, le nom du contremaître employé par lui, et s'ils les a achetés, le nom du vendeur ;

La rivière ou cours d'eau d'où ils viennent ;

Où se trouvaient ces articles à la date du rapport ;

Les glissoires, estacades ou autres travaux par où ils ont passé ;

La longueur des poteaux de télégraphe et de cèdres ronds, et tels autres détails indiqués sur la formule imprimée fournie par le percepteur ;

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

—

Ordre spécial de la Chambre des Communes.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré durant six mois avant la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique, ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district : autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du bétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

SIR,—I have the honour to transmit to you copies of Her Majesty's Proclamation of Neutrality on the occasion of the War between China and Japan, together with copy of letter from the Foreign Office embodying Rules which Her Majesty has directed to be observed on the same occasion; and I have to request that you will cause both documents to be immediately published throughout the Colony under your Government, and that you will not fail to conform to Her Majesty's Commands.

Your most obedient, humble Servant,

The Officer administering
The Government of Canada.

By the QUEEN.

A PROCLAMATION.

VICTORIA, R.

WHEREAS We are happily at peace with all Sovereigns, Powers, and States;

And whereas a state of war unhappily exists between His Majesty the Emperor of China and His Majesty the Emperor of Japan, and between their respective subjects and others inhabiting within their countries, territories, or dominions;

And whereas We are on terms of friendship and amicable intercourse with each of these States, and with their subjects and others inhabiting within their countries, territories, or dominions;

And whereas great numbers of Our loyal subjects reside and carry on commerce, and possess property and establishments, and enjoy various rights and privileges, within the territory of each of the aforesaid States, protected by the faith of Treaties between Us and each of the aforesaid States;

And whereas We, being desirous of preserving to Our subjects the blessings of peace which they now happily enjoy, are firmly purposed and determined to maintain a strict and impartial neutrality in the said state of war unhappily existing between the aforesaid States;

We therefore have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation;

And We do hereby strictly charge and command all Our loving subjects to govern themselves accordingly, and to observe a strict neutrality in and during the aforesaid war, and to abstain from violating or contravening either the Laws and Statutes of the realm in this behalf, or the Law of nations in relation thereto, as they will answer to the contrary at their peril;

And whereas in and by a certain Statute made and passed in a Session of Parliament holden in the 33rd and 34th year of Our reign, intituled "An Act to regulate the conduct of Her Majesty's subjects during the existence of Hostilities between Foreign States with which Her Majesty is at peace," it is, amongst other things, declared and enacted as follows:—

"This Act shall extend to all the dominions of Her Majesty, including the adjacent territorial waters.

"*Illegal Enlistment.*

"If any person, without the licence of Her Majesty, being a British subject, within or without Her Majesty's dominions, accepts or agrees to accept any commission or engagement, in the military or naval service of any foreign State at war with any foreign State at peace with Her Majesty, and in this Act referred to as a friendly State, or, whether a British subject or not, within Her Majesty's dominions, induces any other person to accept or agree to accept any commission or engagement in the military or naval service of any such foreign State as aforesaid—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If any person, without the licence of Her Majesty, being a British subject, quits or goes on board any ship with a view of quitting Her Majesty's dominions, with intent to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State, or, whether a British subject or not, within Her Majesty's dominions, induces any other person to quit or to go on board any ship with a view of quitting Her Majesty's dominions with the like intent,—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If any person induces any other person to quit Her Majesty's dominions, or to embark on any ship within Her Majesty's dominions, under a misrepresentation or false representation of the service in which such person is to be engaged, with the intent or in order that such person may accept or agree to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State,—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted ; and imprisonment, if awarded, may be either with or without hard labour.

"If the master or owner of any ship without the licence of Her Majesty knowingly either takes on board, or engages to take on board, or has on board such ship within Her Majesty's dominions any of the following persons, in this Act referred to as illegally enlisted persons, that is to say :

"(1.) Any person who, being a British subject, within or without the dominions of Her Majesty, has, without the licence of Her Majesty, accepted or agreed to accept any commission or engagement in the military or naval service of any foreign State at war with any friendly State :

"(2.) Any person, being a British subject who, without the licence of Her Majesty, is about to quit Her Majesty's dominions with intent to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State :

"(3). Any person who has been induced to embark under a misrepresentation or false representation of the service in which such person is to be engaged, with the intent or in order that such person may accept or agree to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State :

"Such master or owner shall be guilty of an offence against this Act, and the following consequences shall ensue, that is to say :

"(1.) The offender shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the court before which the offender is convicted ; and imprisonment, if awarded, may be either with or without hard labour ; and

"(2.) Such ship shall be detained until the trial and conviction, or acquittal of the master or owner, and until all penalties inflicted on the master or owner have been paid, or the master or owner has given security for the payment of such penalties to the satisfaction of two Justices of the Peace, or other Magistrate or Magistrates having the authority of two Justices of the Peace ; and

(3.) All illegally enlisted persons shall, immediately on the discovery of the offence, be taken on shore, and shall not be allowed to return to the ship.

"*Illegal Shipbuilding and Illegal Expeditions.*

"If any person within Her Majesty's dominions, without the licence of Her Majesty, does any of the following acts, that is to say :

(1.) Builds, or agrees to build, or causes to be built, any ship with intent or knowledge or having reasonable cause to believe that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State ; or

"(2.) Issues or delivers any commission for any ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State ; or

"(3.) Equips any ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State ; or

"(4.) Dispatches, or causes or allows to be dispatched any ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State :

"Such person shall be deemed to have committed an offence against this Act, and the following consequences shall ensue :

(1.) The offender shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted ; and imprisonment, if awarded, may be either with or without hard labour.

"(2.) The ship in respect of which any such offence is committed, and her equipment shall be forfeited to Her Majesty :

"Provided, that a person building, causing to be built, or equipping a ship in any of the cases aforesaid, in pursuance of a contract made before the commencement of such war as aforesaid, shall not be liable to any of the penalties imposed by this section in respect of such building or equipping, if he satisfies the conditions following, that is to say :

"(1.) If forthwith upon a Proclamation of Neutrality being issued by Her Majesty he gives notice to the Secretary of State that he is so building, causing to be built, or equipping such ship, and furnishes such particulars of the contract and of any matters relating to, or done, or to be done under the contract as may be required by the Secretary of State :

"(2.) If he gives such security, and takes and permits to be taken such other measures, if any, as the Secretary of State may prescribe for insuring that such ship shall not be dispatched, delivered, or removed without the licence of Her Majesty until the determination of such war as aforesaid.

"Where any ship is built by order of or on behalf of any foreign State when at war with a friendly State, or is delivered to or to the order of such foreign State, or any person who to the knowledge of the person building is an agent of such foreign State, or is paid for by such foreign State or such agent, and is employed in the military or naval service of such foreign State, such ship shall, until the contrary is proved, be deemed to have been built with a view to being so employed, and the burden shall lie on the builder of such ship of proving that he did not know that the ship was intended to be so employed in the military or naval service of such foreign State.

"If any person within the dominions of Her Majesty, and without the licence of Her Majesty,—

"By adding to the number of the guns, or by changing those on board for other guns, or by the addition of any equipment for war, increases or augments, or procures to be increased or augmented, or is knowingly concerned in increasing or augmenting the warlike force of any ship which at the time of her being within the dominions of Her Majesty was a ship in the military or naval service of any foreign State at war with any friendly State,—

"Such person shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted ; and imprisonment, if awarded, may be either with or without hard labour.

"If any person within the limits of Her Majesty's dominions, and without the licence of Her Majesty—

"Prepares or fits out any naval or military expedition to proceed against the dominions of any friendly State, the following consequences shall ensue :

"(1.) Every person engaged in such preparation or fitting out, or assisting therein, or employed in any capacity in such expedition, shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted ; and imprisonment, if awarded, may be either with or without hard labour.

"(2.) All ships and their equipments, and all arms and munitions of war, used in or forming part of such expedition, shall be forfeited to Her Majesty.

"Any person who aids, abets, counsels, or procures the commission of any offence against this Act shall be liable to be tried and punished as a principal offender."

And whereas by the said Act it is further provided that ships built, commissioned, equipped, or dispatched in contravention of the said Act may be condemned and forfeited by Judgment of the Court of Admiralty ; and that if the Secretary of State or chief executive authority is satisfied that there is a reasonable and probable cause for believing that a ship within Our dominions has been or is being built, commissioned, or equipped contrary to the said Act, and is about to be taken beyond the limits of such dominions, or that a ship is about to be dispatched contrary to the Act, such Secretary of State, or chief executive authority, shall have power to issue a warrant authorizing the seizure and search of such ship and her detention until she has been either condemned or released by process of law: And whereas certain powers of seizure and detention are conferred by the said Act on certain local authorities:

Now, in order that none of Our subjects may unwarily render themselves liable to the penalties imposed by the said Statute, We do hereby strictly command that no person or persons whatsoever do commit any act, matter, or thing whatsoever contrary to the provisions of the said Statute, upon pain of the several penalties by the said Statute imposed and of Our high displeasure.

And We do hereby warn and admonish all our loving subjects, and all persons whatsoever entitled to Our protection, to observe towards each of the aforesaid States, their citizens, subjects, and territories, and towards all belligerents whatsoever, with whom we are at peace, the duties of neutrality; and to respect, in all and each of them, the exercise of those belligerent rights with which We and Our Royal predecessors have always claimed to exercise.

And We hereby further warn all Our loving subjects, and all persons whatsoever entitled to Our protection, that if any of them shall presume in contempt of this Our Royal Proclamation, and of Our high displeasure, to do any acts in derogation of their duty as subjects of a neutral Sovereign in a war between other States, or in violation or contravention of the law of nations in that behalf, as more especially by breaking or endeavouring to break, any blockade lawfully and actually established by or on behalf of either of the said States, or by carrying officers, soldiers, despatches, arms, ammunition, military stores or materials, or any article or articles considered and deemed to be contraband of war according to the law or modern usages of nations, for the use or service of either of the said States, that all persons so offending, together with their ships and goods, will rightfully incur and be justly liable to hostile capture, and to the penalties denounced by the law of nations in that behalf.

And We do hereby give notice that all Our subjects and persons entitled to Our protection who may misconduct themselves in the premises will do so at their peril, and of their own wrong; and that they will in nowise obtain any protection from Us against such capture, or such penalties as aforesaid, but will, on the contrary, incur Our high displeasure by such misconduct.

Given at Our Court at *Osborne House, Isle of Wight*, this seventh day of *August*, in the year of Our Lord one thousand eight hundred and ninety-four, and in the fifty-eighth year of Our reign.

God save the Queen.

FOREIGN OFFICE,
August 7, 1894.

MY LORD,—Her Majesty being fully determined to observe the duties of neutrality during the existing state of war between the Emperor of China and the Emperor of Japan, and being moreover resolved to prevent, as far as possible, the use of Her Majesty's harbours, ports, and coasts, and the waters within Her Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commended me to communicate to Your Lordship, for your guidance, the following rules, which are to be treated and enforced as Her Majesty's orders and directions:—

Her Majesty is pleased further to command that these rules shall be put in force in the United Kingdom, the Isle of Man, and the Channel Islands, on and after the 12th day of this month, and in Her Majesty's territories and possessions beyond the seas, six days after the day when the Governor, or other chief authority of each of such territories or possessions, respectively, shall have notified and published the same; stating in such Notification that the said rules are to be obeyed by all persons within the same territories and possessions.

1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station, or place of resort, for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment; and no ship of war of either belligerent shall hereafter be permitted to sail out of or leave any port, roadstead, or waters subject to British jurisdiction, from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed, until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of Her Majesty.

2. If any ship of war of either belligerent shall, after the time when this Order shall be first notified and put in force in the United Kingdom, the Isle of Man, and the Channel Islands, and in the several colonies and foreign possessions and dependencies of Her Majesty, respectively, enter any port, roadstead, or waters belonging to Her Majesty, either in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, such vessel shall be required to depart and to put to sea within twenty-four hours after her entrance into such port, roadstead, or waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been allowed to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed. Provided, nevertheless, that in all cases in which there shall be any vessel (whether ships of war or merchant ships) of the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of Her Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

3. No ship of war of either belligerent shall hereafter be permitted, while in any port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

4. Armed ships of either party are interdicted from carrying prizes made by them into the ports, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of Her Majesty's colonies or possessions abroad.

Sir,—With reference to the Earl of Derby's Circular despatch of the 28th February, 1884, I have the honour to transmit to you, for information and publication in the Colony under your Government, a copy of a further Order of the Queen in Council respecting the tonnage admeasurement of Norwegian vessels.

—

At the Court at Windsor, the 27th day of June, 1894.

PRESENT :

The QUEEN'S Most Excellent Majesty in Council.

Whereas by the Merchant Shipping Act Amendment Act, 1862, it is enacted that whenever it is made to appear to Her Majesty that the Rules concerning the measurement of tonnage of merchant ships for the time being in force under the Merchant Shipping Act, 1854, have been adopted by the Government of any foreign country, and are in force in that country, it shall be lawful for Her Majesty by Order in Council to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificates of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be remeasured in any port or place in Her Majesty's Dominions, but such ships shall be deemed to be of the tonnage denoted in their Certificates of Registry or other papers in the same manner, to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificates of registry of British ships is to be deemed the tonnage of such ships :

And whereas by the Merchant Shipping Act, 1876, it is enacted that " where Her Majesty has power, under " the Merchant Shipping Act, 1854, or any act passed " or hereafter to be passed amending the same, to make " an Order in Council, it shall be lawful for Her " Majesty from time to time to make such Order in " Council, and by Order in Council to revoke, alter, or " add to any Order so made " :

And whereas it was made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships now in force under " The Merchant Shipping Act, 1854," had been adopted by the Royal Norwegian Government, and came into force in Norway on the 1st day of April, 1876 :

And whereas by Order in Council dated the 17th day of May, 1876, and by Order in Council dated the 2nd day of February, 1884, which revoked the last recited Order, Her Majesty was pleased, by and with the advice of Her Privy Council, to direct that, subject to certain provisos therein contained, the Merchant Ships belonging to the Kingdom of Norway the measurement of which had been ascertained and denoted on the registers or other national papers of such ships should be deemed to be of the tonnage denoted in such registers or other national papers in the same manner, to the same extent and for the same purpose, in, to, and for which the tonnage denoted in the certificates of registry of British Ships is deemed to be the tonnage of such ships :

And whereas it has been made to appear to Her Majesty that a new Royal Ordinance, which came into operation on the 1st day of October, 1893, stipulates that the certificates of tonnage of the Norwegian steamships may show the net tonnage calculated according to British rules :

And whereas it has been made to appear desirable to Her Majesty that the provisions of the said recited Order in Council of the 2nd day of February, 1884, should be revoked and a new Order in Council made and substituted in lieu thereof :

Now, therefore, Her Majesty, in virtue of the powers vested in Her by the said recited Acts, and by and with the advice of Her Privy Council, is pleased to direct that the said recited Order of the 2nd day of February, 1884, shall be, and the same is hereby revoked, and in lieu thereof and in substitution therefor, Her Majesty is hereby pleased by and with the advice of Her Privy Council to direct that the ships of Norway, the certificates of Norwegian nationality and registry of which are dated on and after the said first day of October, 1893, shall be deemed to be of the tonnage denoted in the said certificates of Norwegian nationality and registry.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 26th day of July, 1894.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS complaints have been made that a great destruction of fish occurs in the Chiputneticook or Schoodie Lakes, a chain of lakes on the Chiputneticook River, a branch of the Ste. Croix, forming the boundary between the State of Maine and the Province of New Brunswick ; and that these waters, which are said to be frequented by pickerel, speckled trout, salmon, "toag" (a species of salmon) and other fish are unmercifully netted.

And whereas under Section 52 of the Fishery and Game Laws for the State of Maine, any one fishing with nets in the above waters is liable to a fine of $25 for the offence, and of $10 for each salmon or land-locked salmon, and of $1 for each and every other fish so taken ; but as no adequate provisions exist on the Canadian side of the Lakes, the local fishery officers find themselves at a disadvantage, and the beneficial effects resulting from a total prohibition of netting in United States waters are thus nullified,—

His Excellency, in virtue of the powers conferred upon him by Section 16 of Chapter 95 of the Revised Statutes of Canada, intituled "The Fisheries Act," and by and with the advice of the Queen's Privy Council for Canada, is pleased to make the following regulations :—

"Fishing by means of nets of any kind, without lease or license from the Minister of Marine and Fisheries, is prohibited in the waters of Chiputneticook or Schoodie Lakes in the Province of New Brunswick."

Tuesday, the 17th day of July, 1894.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum dated 12th July, 1894, from the Minister of Marine and Fisheries, stating, with reference to the Order in Council of the 9th June, 1877, establishing a pilotage district for the port of Summerside, P.E.I., that representations have been made by merchants and others of Summerside in the district referred to, that there is no necessity now for compulsory pilotage within the district, owing to the efficient system of lights and buoys, which has been established, and that compulsory pilotage is an unnecessary tax upon the trade of the port.

The Minister, in view of these representations, recommends that the Order in Council of the 9th June, 1877, so far as it relates to making pilotage compulsory within the limits of the district of Summerside be cancelled, and that the payment of pilotage dues within the district be made non-compulsory.

The Committee submit the above recommendation for Your Excellency's approval.

The Minister is of the opinion that the suggestion made by Mr. Pearce should be approved and he recommends accordingly.

NOTICE TO MARINERS.

No. 26 of 1894.

I. IMPROVEMENT IN HERRING COVE LIGHT.

The mast, with shed at base, from which a light was exhibited on the western head of Herring Cove, in the approach to Halifax Harbour, Atlantic Coast of Nova Scotia, has been replaced by an enclosed tower.

The new building is a square wooden tower, surmounted by a wooden lantern, the whole painted white. It is 22 feet high from its base to the vane on the lantern.

The light will be as heretofore fixed red. It is elevated 45 feet above high water mark, and should be visible 8 miles from all points of approach by water. The illuminating apparatus is a pressed glass lens.

This notice affects Admiralty charts Nos. 729, 2320, 2410, 2666 and 2670, and Canadian List of Lights and Fog Signals No. 199.

II. DISCONTINUANCE OF FRONT RANGE LIGHT AT NEGUAC GULLY.

The fixed red light formerly used as a front range light at Neguac Gully has been discontinued, as, in consequence of changes in the channel, it can no longer be utilized.

The main or back light of this range is still maintained as a coast line and to indicate the position of the Gully.

This notice affects Canadian List of Lights and Fog Signals No. 459, and Admiralty charts Nos. 1747, 2034, 2187 and 2516.

III. CHANGE OF NAME OF CLIFTON LIGHTHOUSE TO STONEHAVEN.

The lighthouse heretofore known as Clifton lighthouse, in Chaleur Bay, in the County of Gloucester, New Brunswick, No. 479 in the Canadian List of Lights and Fog Signals, will hereafter be called Stonehaven lighthouse.

This change has become necessary to prevent confusion, Clifton Post Office being some distance up the bay from the location of the lighthouse and a new post office called Stonehaven having been established in its vicinity.

This notice affects Admiralty charts Nos. 1715 and 2516.

EXTENSION TO GODERICH BREAKWATER PIERS.

The breakwater piers at the entrance to Goderich Harbour, Lake Huron, Ontario, are being extended further into the lake. The contractor now has a length of about 300 feet added to the end of the north pier, and 110 feet to the end of the south pier. The crib are at present just flush with the water, and vessels entering the harbour at night will require to be very careful not to collide with these cribs.

REMOVAL OF MURRAY BAY BUOY.

It has been found necessary to move the red wooden can buoy moored on the outer end of the shoal extending east of the Government pier at Pointe au Pic, Murray Bay, on the north shore of the River St. Lawrence, one-third cable south-east from the position described in Part VIII of Notice to Mariners No. 14 of 1893, as shoal water was found outside of its former position.

The buoy is now moored in $2\frac{1}{2}$ fathoms water.

Sextant angles from the buoy are as follows:—St. Irénée Church and St. Etienne Church, 113° 46'; St. Etienne Church and Cape Eagle Wharf, 54° 52'.

A patch with only 5 feet on it is reported between the position of the buoy and the east corner of the Pointe au Pic Wharf, and it is surmised that the necessity for removing the buoy has been caused by the rapid extension of the shoal.

This notice affects Admiralty charts Nos. 310 and 314.

Deputy-Minister of Marine and Fisheries.

No. 30 of 1894.

IMPROVEMENTS TO CHANNEL AT VARENNES CURVE, RIVER ST. LAWRENCE.

The improvements to the $27\frac{1}{2}$-foot ship channel of the River St. Lawrence through the Varennes Curve, opposite the lower end of Isle Ste. Thérèse, having been completed, the Curve in consequence is larger and wider than heretofore. The western edge of the old dredged channel has not been changed, but the inner or eastern edge has been lengthened by about 750 feet at either end, and widened from those points gradually towards the centre to an extreme width of 510 feet, instead of 325 feet as heretofore.

The four black buoys marking the inner edge of the original curve have now been moved so as to mark the inner edge of the improved curve, and will stand farther apart than heretofore. The two end buoys being about 750 feet farther up and down the river than formerly, while the two intermediate buoys have been placed equidistant from the end ones and from each other, each of the four buoys being now about 1,500 feet apart instead of 1,000 feet as formerly.

This notice affects Admiralty charts Nos. 797 and 2830*b*.

NOTICE TO MARINERS.

No. 25 of 1894.

I. SHOAL POINT BUOY REPLACED BY DOLPHIN.

The buoy moored on the outer end of the spit off Shoal Point, in Victoria Harbour, B.C., has been removed, and its place taken by a dolphin or beacon formed of a cluster of three piles painted red. The lantern heretofore attached to the frame work of the superstructure of the buoy is now maintained on top of this beacon, and it is hoped that in consequence of the greater stability of the beacon the light will be more reliable than it was when on the buoy.

The light will be as heretofore fixed red, exhibited from a lantern with pressed glass lens, and should be visible from all points of approach three miles.

This notice affects Admiralty charts Nos. 576, 1897*b*, 1911, 1917, 2531 and 2689, and Canadian List of Lights and Fog Signals No. 1169.

II. PIN ROCK BUOY REPLACED BY DOLPHIN.

The buoy moored on Pin Rock, in Victoria Harbour, B.C., has been removed, and its place taken by a dolphin or beacon formed of a cluster of three piles painted black. The light heretofore shown from the buoy is now maintained on top of this beacon as at Shoal Point.

The light will be as heretofore fixed white, exhibited from a lantern, with pressed glass lens, and should be visible from all points of approach three miles.

This notice affects Admiralty charts Nos. 576, 1897*b*, 1911, 1917, 2531 and 2689, and Canadian List of Lights and Fog Signals No. 1170.

NOTICE TO MARINERS.

No. 24 of 1894.

I. CHANGE IN THE COLOUR OF THORNBURY PIER LIGHT.

The light shown from the outer end of the western breakwater pier at Thornbury, in the Georgian Bay, No. 1020 in the Canadian List of Lights and Fog Signals, is fixed white and not fixed red as printed in the list.

The light is shown from a dioptric lantern of the 7th order, hoisted to the head of a mast.

This notice affects Admiralty Charts Nos. 327 and 678.

II. GROSSE ISLE UPPER RANGE LIGHT-STATION.

Notice is given by the Lighthouse Board of the United States of America that, on or about 16th July, 1894, a fixed white lens-lantern light would be established in each of the two structures recently erected on the E. side of Grosse Isle, nearly abreast of the S. end of Fighting Island, Detroit River, Michigan.

Each light will illuminate 90° of the horizon lying between S. 72° 03' W. (true) and S. 17° 57' E. (true) or 60° to the eastward and 30° to the westward of the range line.

The range line will mark the line of the best water from its intersection with the line of Grosse Isle Lower Range, up the river, to a point from which Mamajuda Range (front) Light will become visible and bear N. 81° 47' W. (true). The range line passes out 750 feet to the eastward of Mamajuda Light (about 350 feet to the eastward of the curve of 18 feet depth abreast of that light).

Each structure is a square pyramidal open framework of wood, painted brown, with a small white house, with red roof, in its base, and is surmounted by a white octagonal lantern with a black roof.

The focal plane of the front light will be 45 feet ove the mean level of the river, and the structure rom which the light will be shown stands on a platform on piles, in about 3½ feet of water, about 175 feet from the easterly shore line of the island, and about 1,350 feet N. 12° 03' E. (true) from the rear light.

The focal plane of the rear light will be 75 feet above the mean level of the river, and the structure from which the light will be shown stands about 450 feet to the westward from the easterly shore line of the island, and its lower part is obscured by trees.

The approximate geographical position of the rear light, as taken from the Chart of Detroit River of the Survey of the Northern and North-western Lakes, will be:

Lat.	N.	42°	9'	50"
Long.	W.	83°	8'	26"

III. MAMAJUDA RANGE (FRONT) LIGHT-STATION.

Notice is given by the Lighthouse Board of the United States of America that, on or about 16th July, 1894, a fixed red lens-lantern light would be established in the structure recently erected on Mamajuda Shoal, in about 3½ feet of water, about 600 feet N. 8° 13' E. (true) from Mamajuda Light, Detroit River, Michigan.

The focal plane of the light will be 28 feet above the mean level of the river. The light will illuminate 120° of the horizon lying between N. 81° 47' W. (true) and S. 21° 47' E. (true), or 90° to the eastward and 30° to the westward of the range line.

With Mamajuda Light, as a rear light, the light forms a range to mark the line of best water passing about 950 feet to the eastward of Grassy Island Light (about 350 feet to the eastward of the curve of 18 feet depth abreast of Grassy Island Light) to a point about ¾ mile from the new light.

The structure is a white, square, pyramidal tower on a platform supported on piles, and is surmounted by an octagonal lantern.

Parts II and III of this notice affect Admiralty Charts Nos. 332, 490 and 678.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu des dispositions de l'article 16 de "l'Acte des pêcheries," chapitre 95 des Statuts Revisés du Canada, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que dans le but de mieux protéger le poisson et empêcher qu'il soit commis des abus par les étrangers qui pêchent à la ligne dans les eaux intérieures de la Puissance du Canada, les règlements de pêche suivants soient et ils sont par le présent adoptés :—

RÈGLEMENTS

CONCERNANT LES PERMIS DE PÊCHEUR À LA LIGNE DANS LES EAUX INTÉRIEURES DU CANADA.

1. Personne, autre qu'un sujet britannique, ne pêchera à la ligne ou prendra de l'achigan, du maskinongé, du brochet, de la perche (doré) ou de la truite dans les eaux canadiennes, sans avoir d'abord obtenu un permis pour pêcher à la ligne, émis par le garde-pêche local dans chaque district, sous l'autorité du Ministre de la Marine et des Pêcheries.

2. Toute personne, n'étant pas un sujet britannique, paiera pour ce permis de pêcheur à la ligne, un honoraire de $5.00, pour une période de trois mois, ou un honoraire de dix piastres pour une période de six mois.

3. Il ne sera émis qu'un permis de pêcheur à la ligne à un même requérant. Ce permis ne sera pas transférable, et ne pourra être légalement utilisé que par la personne dont le nom est sur le permis. Chaque porteur d'un permis de pêcheur à la ligne sera tenu de produire et montrer son permis, lorsqu'il en sera requis par un officier des pêcheries.

4. Personne n'utilisera, en vertu d'un permis de pêcheur à la ligne, plus qu'une ligne de pêche avec pas plus de trois hameçons attachés à la ligne.

5. Personne, en vertu d'un permis de pêcheur à la ligne, ne prendra ou tuera, dans une même journée, plus que douze achigans ou brochets, perches, (doré), vingt truites ou quatre maskinongés.

6. Nul achigan ou brochet, perche (doré), qui mesurera moins que 10 pouces de longueur ne sera retenu ou gardé hors de l'eau, et nulle truite de moins de 6 pouces de longueur ne sera retenue ou gardée hors de l'eau ; mais toute personne qui prendra l'un quelconque des poissons susdits, d'une moindre dimension que celle précitée, devra immédiatement remettre ce petit poisson à l'eau d'où il a été tiré, et devra, si c'est possible le remettre en liberté vivant.

AVIS DU GOUVERNEMENT.

AVIS AUX MARINS.

No. 28 de 1894.

DÉPLACEMENT DE LA BOUÉE DE LA MALBAIE.

Il a été trouvé nécessaire de reculer la bouée-boîte rouge en bois, qui était ancrée à l'extrémité de la batture qui s'allonge à l'est de la jetée de l'Etat, à Pointe au Pic, Malbaie, sur la rive nord du fleuve Saint-Laurent, à un tiers d'encâblure sud-est de la position décrite dans la Partie VIII de l'Avis aux Marins No. 14 de 1893, vu les hauts-fonds découverts autour de la position première.

La bouée est aujourd'hui ancrée dans 2½ brasses d'eau.

Les angles d'orientation partant de là sont comme suit :—Eglise de St. Irénée, et église de St. Etienne, 113° 46' ; église St. Etienne et quai du Cap à l'Aigle, 54° 52'.

Entre la position de la bouée et l'angle est du quai de la Pointe au Pic, on a découvert une pièce avec 5 pieds d'eau seulement, et l'on suppose que le déplacement de la bouée a été nécessité par le prolongement rapide de la batture.

AVIS AUX MARINS.

No. 30 de 1894.

AMÉLIORATION DU CHENAL À LA COURBE DE VARENNES, FLEUVE SAINT-LAURENT.

Les améliorations au chenal de 27½ pieds pour les navires dans le fleuve Saint-Laurent à la Courbe de Varennes, vis-à-vis le pied de l'île Ste. Thérèse, étant complétées, la courbe est en conséquence plus grande et plus large qu'autrefois. Le bord ouest de l'ancien chenal dragué n'a pas été changé, mais le bord intérieur ou est a été allongé d'environ 750 pieds à chaque bout, et élargi graduellement de ces points allant vers le centre jusqu'à une extrême largeur de 510 pieds au lieu de 325 pieds comme auparavant.

Les quatre bouées noires qui marquaient le bord intérieur de la courbe primitive ont été reculées de façon à marquer le bord intérieur de la courbe améliorée, et seront plus espacées que par le passé. Les deux bouées extrêmes sont à environ 750 pieds plus haut et plus bas dans le fleuve qu'autrefois, tandis que les deux bouées intermédiaires ont été placées à égale distance des deux extrêmes et l'une de l'autre, toutes les quatre bouées étant à présent espacées de 1,500 pieds au lieu de 1,000 pieds comme auparavant.

Cet avis affecte les cartes de l'Amirauté Nos 797 et 2830*b*.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Ordre spécial de la Chambre des Communes.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré durant six mois avant la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique, ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district : autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du bétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

VICTORIA, R.

WHEREAS We are happily at peace with all Sovereigns, Powers, and States;

And whereas a state of war unhappily exists between His Majesty the Emperor of China and His Majesty the Emperor of Japan, and between their respective subjects and others inhabiting within their countries, territories, or dominions;

And whereas We are on terms of friendship and amicable intercourse with each of these States, and with their subjects and others inhabiting within their countries, territories, or dominions;

"If any person within the limits of Her Majesty's dominions, and without the licence of Her Majesty—

"Prepares or fits out any naval or military expedition to proceed against the dominions of any friendly State, the following consequences shall ensue:

"(1.) Every person engaged in such preparation or fitting out, or assisting therein, or employed in any capacity in such expedition, shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"(2.) All ships and their equipments, and all arms and munitions of war, used in or forming part of such expedition, shall be forfeited to Her Majesty.

"Any person who aids, abets, counsels, or procures the commission of any offence against this Act shall be liable to be tried and punished as a principal offender."

And whereas by the said Act it is further provided that ships built, commissioned, equipped, or dispatched in contravention of the said Act may be condemned and forfeited by Judgment of the Court of Admiralty; and that if the Secretary of State or chief executive authority is satisfied that there is a reasonable and probable cause for believing that a ship within Our dominions has been or is being built, commissioned, or equipped contrary to the said Act, and is about to be taken beyond the limits of such dominions, or that a ship is about to be dispatched contrary to the Act, such Secretary of State, or chief executive authority, shall have power to issue a warrant authorizing the seizure and search of such ship and her detention until she has been either condemned or released by process of law: And whereas certain powers of seizure and detention are conferred by the said Act on certain local authorities:

Now, in order that none of Our subjects may unwarily render themselves liable to the penalties imposed by the said Statute, We do hereby strictly command that no person or persons whatsoever do commit any act, matter, or thing whatsoever contrary to the provisions of the said Statute, upon pain of the several penalties by the said Statute imposed and of Our high displeasure.

And We do hereby warn and admonish all our loving subjects, and all persons whatsoever entitled to Our protection, to observe towards each of the aforesaid States, their citizens, subjects, and territories, and towards all belligerents whatsoever, with whom we are at peace, the duties of neutrality; and to respect, in all and each of them, the exercise of those belligerent rights with which We and Our Royal predecessors have always claimed to exercise.

And We hereby further warn all Our loving subjects, and all persons whatsoever entitled to Our protection, that if any of them shall presume in contempt of this Our Royal Proclamation, and of Our high displeasure, to do any acts in derogation of their duty as subjects of a neutral Sovereign in a war between other States, or in violation or contravention of the law of nations in that behalf, as more especially by breaking or endeavouring to break, any blockade lawfully and actually established by or on behalf of either of the said States, or by carrying officers, soldiers, despatches, arms, ammunition, military stores or materials, or any article or articles considered and deemed to be contraband of war according to the law or modern usages of nations, for the use or service of either of the said States, that all persons so offending, together with their ships and goods, will rightfully incur and be justly liable to hostile capture, and to the penalties denounced by the law of nations in that behalf.

And We do hereby give notice that all Our subjects and persons entitled to Our protection who may misconduct themselves in the premises will do so at their peril, and of their own wrong; and that they will in nowise obtain any protection from Us against such capture, or such penalties as aforesaid, but will, on the contrary, incur Our high displeasure by such misconduct.

God save the Queen.

FOREIGN OFFICE,
August 7, 1894.

MY LORD,—Her Majesty being fully determined to observe the duties of neutrality during the existing state of war between the Emperor of China and the Emperor of Japan, and being moreover resolved to prevent, as far as possible, the use of Her Majesty's harbours, ports, and coasts, and the waters within Her Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commended me to communicate to Your Lordship, for your guidance, the following rules, which are to be treated and enforced as Her Majesty's orders and directions:—

Her Majesty is pleased further to command that these rules shall be put in force in the United Kingdom, the Isle of Man, and the Channel Islands, on and after the 12th day of this month, and in Her Majesty's territories and possessions beyond the seas, six days after the day when the Governor, or other chief authority of each of such territories or possessions, respectively, shall have notified and published the same; stating in such Notification that the said rules are to be obeyed by all persons within the same territories and possessions.

1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station, or place of resort, for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment; and no ship of war of either belligerent shall hereafter be permitted to sail out of or leave any port, roadstead, or waters subject to British jurisdiction, from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed, until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of Her Majesty.

2. If any ship of war of either belligerent shall, after the time when this Order shall be first notified and put in force in the United Kingdom, the Isle of Man, and the Channel Islands, and in the several colonies and foreign possessions and dependencies of Her Majesty, respectively, enter any port, roadstead, or waters belonging to Her Majesty, either in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, such vessel shall be required to depart and to put to sea within twenty-four hours after her entrance into such port, roadstead, or waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been allowed to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed. Provided, nevertheless, that in all cases in which there shall be any vessel (whether ships of war or merchant ships) of the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of Her Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

3. No ship of war of either belligerent shall hereafter be permitted, while in any port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

4. Armed ships of either party are interdicted from carrying prizes made by them into the ports, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of Her Majesty's colonies or possessions abroad.

And whereas it has been made to appear to Her Majesty that a new Royal Ordinance, which came into operation on the 1st day of October, 1893, stipulates that the certificates of tonnage of the Norvegian steamships may show the net tonnage calculated according to British rules :

And whereas it has been made to appear desirable to Her Majesty that the provisions of the said recited Order in Council of the 2nd day of February, 1884, should be revoked and a new Order in Council made and substituted in lieu thereof :

1. Fishermen who have been engaged in deep-sea fishing for fish other than shell-fish, salmon and shad, or fish taken in rivers or mouths of rivers, for at least three months, and have caught not less than 2,500 pounds of sea fish, shall be entitled to a bounty ; provided always that no bounty shall be paid to men fishing in boats measuring less than 13 feet keel, and not more than three men (the owner included) will be allowed as claimants in boats under 20 feet.

2. No bounty shall be paid upon fish caught in trap-nets, pound-nets and weirs, nor upon the fish caught in gill-nets fished by persons who are pursuing other occupations than fishing, and who devote merely an hour or two daily to fishing these nets and are not, as fishermen, steadily engaged in fishing.

3. Only one claim will be allowed in each season, even though the claimant may have fished in two vessels, or in a vessel and a boat or in two boats.

4. The owners of boats measuring not less than 13 feet keel which have been engaged during a period of not less than three months in deep-sea fishing for fish other than shell-fish, salmon or shad, or fish taken in rivers or mouths of rivers, shall be entitled to a bounty on each such boat.

5. Canadian registered vessels of 10 tons and upwards (up to 80 tons) which have been exclusively engaged during a period of not less than three months in the catch of sea-fish other than shell-fish, salmon or shad, or fish taken in rivers or mouths of rivers, shall be entitled to a bounty to be calculated on the registered tonnage, one half of which bounty shall be payable to the owner or owners and the other half to the crew, except in cases where one or more of the crew shall have failed to comply with the regulations, then such share or shares shall not be paid.

6. The three months during which a vessel must have been engaged in fishing, to be entitled to bounty, shall commence on the day the vessel sails from port on her fishing voyage and end the day she returns to port from said voyage.

7. Owners or masters of vessels intending to fish and claim bounty on their vessels must, before proceeding on a fishing voyage, procure a license from the nearest Collector of Customs or Fishery Overseer, said license to be attached to the claim when sent in for payment.

8. Dates and localities of fishing must be stated in the claim, as well as the quantity and kinds of sea-fish caught.

9. Ages of men must be given. Boys under 14 years of age are not eligible as claimants.

10. Claims must be sworn to as true and correct in all their particulars.

11. Claims must be filed on or before the 30th November in each year.

12. Officers authorized to receive claims will supply the requisite blanks free of charge, and after certifying the same will transmit them to the Department of Marine and Fisheries.

13. No claim in which an error has been made by the claimant or claimants shall be amended, after it has been signed and sworn to as correct.

14. Any person or persons detected making returns that are false or fraudulent in any particular will be debarred from any further participation in the bounty and be prosecuted according to the utmost rigour of the law.

15. The amount of the bounty to be paid to fishermen and owners of boats and vessels will be fixed from time to time by the Governor in Council.

16. From and after 1st January, 1895, all vessels fishing under bounty license are required to carry a distinguishing flag, which must be shown at all times during the fishing voyage at the main topmast head. The flag must be four feet square, in equal parts of red and white, joined diagonally from corner to corner. Any case of neglect to carry out this regulation reported to the Department of Marine and Fisheries, will entail the loss of the bounty, unless satisfactory reasons are given for its non-compliance.

This buoy is a first class Courtney automatic whistling buoy, of the usual conical pattern, painted red, with "North Cape Reef" in white letters. It is surmounted by a 10-inch whistle, which will be operated by the motion of the buoy on the waves.

This notice affects Admiralty charts Nos. 1747, 2034 and 2516, and the substance of it should be entered in the Canadian List of Lights and Fog Signals under the number 385.

No. 26 of 1894.

I. IMPROVEMENT IN HERRING COVE LIGHT.

The mast, with shed at base, from which a light was exhibited on the western head of Herring Cove, in the approach to Halifax Harbour, Atlantic Coast of Nova Scotia, has been replaced by an enclosed tower.

The new building is a square wooden tower, surmounted by a wooden lantern, the whole painted white. It is 22 feet high from its base to the vane on the lantern.

The light will be as heretofore fixed red. It is elevated 45 feet above high water mark, and should be visible 8 miles from all points of approach by water. The illuminating apparatus is a pressed glass lens.

This notice affects Admiralty charts Nos. 729, 2320, 2410, 2666 and 2670, and Canadian List of Lights and Fog Signals No. 199.

II. DISCONTINUANCE OF FRONT RANGE LIGHT AT NEGUAC GULLY.

The fixed red light formerly used as a front range light at Neguac Gully has been discontinued, as, in consequence of changes in the channel, it can no longer be utilized.

The main or back light of this range is still maintained as a coast line and to indicate the position of the Gully.

This notice affects Canadian List of Lights and Fog Signals No. 459, and Admiralty charts Nos. 1747, 2034, 2187 and 2516.

III. CHANGE OF NAME OF CLIFTON LIGHTHOUSE TO STONEHAVEN.

The lighthouse heretofore known as Clifton lighthouse, in Chaleur Bay, in the County of Gloucester, New Brunswick, No. 479 in the Canadian List of Lights and Fog Signals, will hereafter be called Stonehaven lighthouse.

This change has become necessary to prevent confusion, Clifton Post Office being some distance up the bay from the location of the lighthouse and a new post office called Stonehaven having been established in its vicinity.

This notice affects Admiralty charts Nos. 1715 and 2516.

Deputy-Minister of Marine and Fisheries.

EXTENSION TO GODERICH BREAKWATER PIERS.

The breakwater piers at the entrance to Goderich Harbour, Lake Huron, Ontario, are being extended further into the lake. The contractor now has a length of about 300 feet added to the end of the north pier, and 110 feet to the end of the south pier. The crib are at present just flush with the water, and vessels entering the harbour at night will require to be very careful not to collide with these cribs.

NOTICE TO MARINERS.

No. 28 of 1894.

REMOVAL OF MURRAY BAY BUOY.

It has been found necessary to move the red wooden can buoy moored on the outer end of the shoal extending east of the Government pier at Pointe au Pic, Murray Bay, on the north shore of the River St. Lawrence, one-third cable south-east from the position described in Part VIII of Notice to Mariners No. 14 of 1893, as shoal water was found outside of its former position.

The buoy is now moored in 2½ fathoms water.

Sextant angles from the buoy are as follows:—St. Irénée Church and St. Etienne Church, 113° 46'; St. Etienne Church and Cape Eagle Wharf, 54° 52'.

A patch with only 5 feet on it is reported between the position of the buoy and the east corner of the Pointe au Pic Wharf, and it is surmised that the necessity for removing the buoy has been caused by the rapid extension of the shoal.

This notice affects Admiralty charts Nos. 310 and 314.

Deputy-Minister of Marine and Fisheries.

IMPROVEMENTS TO CHANNEL AT VARENNES CURVE, RIVER ST. LAWRENCE.

The improvements to the 27½-foot ship channel of the River St. Lawrence through the Varennes Curve, opposite the lower end of Isle Ste. Thérèse, having been completed, the Curve in consequence is larger and wider than heretofore. The western edge of the old dredged channel has not been changed, but the inner or eastern edge has been lengthened by about 750 feet at either end, and widened from those points gradually towards the centre to an extreme width of 510 feet, instead of 325 feet as heretofore.

The four black buoys marking the inner edge of the original curve have now been moved so as to mark the inner edge of the improved curve, and will stand farther apart than heretofore. The two end buoys being about 750 feet farther up and down the river than formerly, while the two intermediate buoys have been placed equidistant from the end ones and from each other, each of the four buoys being now about 1,500 feet apart instead of 1,000 feet as formerly.

This notice affects Admiralty charts Nos. 797 and 2830*b*.

Par la REINE.

PROCLAMATION.

VICTORIA R.

CONSIDÉRANT que Nous sommes heureusement en paix avec tous les Souverains, Puissances et Etats ;

Et considérant qu'il s'est malheureusement élevé une guerre entre Sa Majesté l'Empereur de la Chine et Sa Majesté l'Empereur du Japon, et entre leurs divers sujets et autres qui habitent leurs pays, territoires ou possessions :

Et considérant que Nous sommes en termes d'amitié et de rapports amicaux avec chacun de ces Souverains, et avec leurs divers sujets et autres habitant leurs pays, territoires ou possessions :

Et considérant que grand nombre de Nos loyaux sujets sont domiciliés et font le commerce, et possèdent des propriétés et des établissements et jouissent de droits et de privilèges, dans les possessions de chacun des dits Etats, lesquels sont protégés par la foi des traités existants entre Nous et chacun des dits Etats ;

Et considérant que, désirant conserver à Nos sujets les bienfaits de la paix dont ils jouissent heureusement aujourd'hui, nous sommes fermement disposée et déterminée à maintenir une stricte et impartiale neutralité dans le dit état de guerre malheureusement existant entre les dits Etats ;

En conséquence, Nous avons cru devoir, sur l'avis de Notre Conseil Privé, promulguer Notre présente Proclamation Royale ;

Et Nous commandons et chargeons strictement par la présente tous Nos bien-aimés sujets de se conduire en conséquence, et d'observer une stricte neutralité dans et pendant la dite guerre, et de s'abstenir de violer ou enfreindre les lois ou statuts du royaume à cet égard, ou le droit des gens à propos de cette guerre car ils répondront du contraire à leur péril ;

Et considérant que, par un certain statut fait et passé durant une session tenue dans les 33e et 34e années de Notré règne, intitulé : "*Acte pour régler la conduite des sujets de Sa Majesté durant les hostilités entre Etats étrangers avec lesquels Sa Majesté est en paix.*" il est entre autres choses déclaré et statué comme suit :—

"Le présent Acte s'appliquera à toutes les possessions de Sa Majesté, y compris les eaux territoriales adjacentes.

"*Enrôlement illégal.*

"Si une personne, étant sujet britannique, dans les limites ou en dehors des limites des possessions de Sa Majesté, accepte ou convient d'accepter, sans permis de Sa Majesté, une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un autre Etat étranger qui est en paix avec Sa Majesté, et mentionné dans le présent Acte comme "pouvoir ami," ou si une personne, étant ou n'étant pas sujet britannique, dans les limites des possessions de Sa Majesté, induit une autre personne à accepter ou à convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger tel que susdit,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si une personne, étant sujet britannique, quite, sans permis de Sa Majesté, ou se rend à bord d'un navire en vue de quitter les possessions de Sa Majesté, avec l'intention d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami, ou si une personne, étant ou n'étant pas sujet britannique, dans les limites des possessions de Sa Majesté, induit une autre personne à quitter, ou à se rendre à bord d'un navire en vue de quitter les possessions de Sa Majesté, avec la même intention,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ses peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si une personne induit une autre personne à quitter les possessions de Sa Majesté ou à s'embarquer sur un navire dans les limites des possessions de Sa Majesté sur mal-représentation ou fausse représentation du service dans lequel cette personne doit être engagée, avec l'intention ou afin que cette personne puisse accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou de l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si le maître ou propriétaire d'un navire, sans permis de Sa Majesté, prend sciemment ou s'engage à prendre à son bord, dans les limites des possessions de Sa Majesté, une quelconque des personnes suivantes mentionnées dans le présent acte comme illégalement enrôlées, savoir :

"(1) Toute personne qui, étant sujet britannique, dans les limites des possessions de Sa Majesté, a, sans permis de Sa Majesté, accepté ou est convenue d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami :

"(2) Toute personne, étant sujet britannique, qui, sans permis de Sa Majesté, se dispose à quitter les possessions de Sa Majesté avec l'intention d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami :

"(3.) Toute personne qui a été induite à s'embarquer sur mal-représentation ou fausse représentation du service dans lequel cette personne doit être engagée, avec l'intention et afin que cette personne puisse accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

"Ce maître ou propriétaire sera coupable d'offense, sous le présent acte, et les conséquences suivantes en résulteront, savoir :

"(1.) Le délinquant sera passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ; et

"(2.) Ce navire sera retenu jusqu'à jugement et condamnation ou acquittement du maître ou propriétaire et jusqu'à ce que toutes les pénalités infligées au maître ou propriétaire aient été payées, ou que le maître ou propriétaire ait donné caution pour le paiement de ces pénalités à la satisfaction de deux juges de paix, ou autre magistrat ou magistrats ayant l'autorité de deux juges de paix ; et

"(3.) Toutes personnes enrôlées illégalement seront mises à terre immédiatement après la constatation de l'offense et ne pourront retourner au navire.

"*Construction et expédition illégales de navires.*

"Si une personne, dans les limites des possessions de Sa Majesté, sans permis de Sa Majesté, fait un des actes suivants, savoir :—

"(1.) Construit ou s'engage à construire ou fait construire un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

"(2.) Emet ou délivre une commission pour un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

"(3.) Equipe un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

"(4.) Expédie ou fait ou autorise l'expédition d'un navire avec intention ou connaissance, ou ayant cause raisonnable, de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami—

"Toute telle personne sera réputée avoir commis une offense, sous le présent acte, et les conséquences suivantes en résulteront :—

"(1.) Le délinquant sera passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

"(2.) Le navire sujet de l'offense commise, ainsi que son équipement, seront confisqués au profit de Sa Majesté ;

"Pourvu qu'une personne construisant, faisant construire ou équipant un navire dans l'un des cas susmentionnés, aux termes d'un contrat passé avant le commencement de la guerre susdite, ne sera passible d'aucune des pénalités imposées par la présente section relativement à cette construction ou équipement, si elle satisfait aux conditions suivantes, savoir :

"(1.) Si du moment qu'une proclamation de neutralité est émise par Sa Majesté, elle donne avis au Secrétaire d'Etat qu'elle construit, fait construire ou équipe le dit navire dans les conditions mentionnées, et fournit tels détails du contrat, et de toutes choses s'y rattachant, faites ou à faire en vertu du dit contrat, que le Secrétaire d'Etat pourra exiger ;

"(2.) Si elle donne telles cautions et prend ou laisse prendre telles autres mesures, s'il y a lieu, que le Secrétaire d'Etat jugera nécessaires pour garantir que le dit navire ne sera pas expédié, livré ou déplacé sans permis de Sa Majesté avant la fin de la guerre susdite.

"Si un navire est construit par un Etat étranger ou par son ordre pendant que cet Etat est en guerre avec un pouvoir ami, ou est livré à cet Etat ou à son ordre, ou à une personne qui, à la connaissance du constructeur, est agent pour le dit Etat étranger, ou est payé par le dit Etat ou le dit agent, et est employé dans le service militaire ou maritime de cet Etat étranger, le navire, jusqu'à ce que le contraire soit prouvé, sera considéré comme ayant été construit pour être ainsi employé, et le constructeur du dit navire devra prouver qu'il ignorait que le navire était destiné à être ainsi employé dans le service militaire ou maritime du dit Etat étranger.

"Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté,—

En ajoutant au nombre des canons ou en changeant ceux qui sont à bord pour d'autres canons, ou en ajoutant aucun équipement de guerre, augmente, accroit ou fait augmenter ou accroître, ou est sciemment concernée dans l'accroissement ou l'augmentation de la force militaire d'un navire qui, à l'époque où il était dans les limites des possessions de Sa Majesté, était un navire au service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

"Toute telle personne sera coupable d'offense, sous le présent acte, et sera passible d'amende ou d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu : et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté,—

"Prépare ou organise une expédition navale ou militaire dirigée contre les possessions d'un pouvoir ami, les conséquences suivantes en résulteront :

"(1.) Toute personne engagée dans cette préparation ou organisation, y aidant, ou employée à titre quelconque dans cette expédition, sera coupable d'offense sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour par-devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

"(2.) Tous navires et leurs équipements, et toutes armes et munitions de guerre employées dans cette expédition ou en formant partie, seront confisqués au profit de Sa Majesté.

"Toute personne qui aide, favorise, conseille ou cause l'accomplissement d'une offense, sous le présent acte, sera passible d'être jugée et punie comme auteur du délit."

Et considérant que par le dit acte il est de plus statué que les navires construits, commissionnés, équipés ou expédiés en contravention au dit acte pourront être condamnés et confisqués par jugement de la Cour d'Amirauté ; et que si le Secrétaire d'Etat ou l'autorité exécutive sont convaincus qu'il y a cause raisonnable et probable de croire qu'un navire, dans les limites de Nos possessions, a été construit ou est en voie de construction, commissionné ou équipé en contravention au dit acte, et qu'il doit être conduit en dehors des limites de ces possessions, ou qu'un navire est sur le point d'être expédié contrairement au dit acte, le dit Secrétaire d'Etat ou l'autorité exécutive auront pouvoir d'émettre un mandat autorisant la saisie et la visite de ce navire et sa détention jusqu'à ce qu'il y ait eu légalement condamnation ou acquittement ; et considérant que certains pouvoirs de saisie et de détention sont conférés par le dit acte à certaines autorités locales :

A ces causes, et afin qu'aucun de Nos sujets ne puisse se rendre passible à la légère des pénalités imposées par le statut, Nous commandons strictement par les présentes que nulle personne ou personnes quelconques ne commettent aucun acte ou ne fassent quoi que ce soit contrairement aux dispositions du dit statut, sous peine d'encourir les différentes pénalités imposées par le dit statut, et Notre grand déplaisir.

Et Nous avertissons et enjoignons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, d'observer envers chacun des Etats susdits, leurs sujets et territoires, et envers tous les belligérants quelconques avec lesquels Nous sommes en paix, les devoirs de la neutralité, et de respecter, chez tous et chacun d'eux, l'exercice de ces droits de belligérants dont Nous et Nos prédécesseurs avons toujours réclamé l'exercice.

Et Nous avertissons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, que si quelqu'un d'entre eux se permet, au mépris de Notre présente Proclamation Royale, et à Notre grand déplaisir, de commettre quelques actes qui soient une dérogation à leurs devoirs comme sujets d'un souverain neutre dans une guerre entre d'autres Etats, ou une violation ou contravention du droit des gens à cet égard, et plus particulièrement en forçant ou cherchant à forcer un blocus légalement et effectivement établi par ou au nom de l'un ou l'autre des dits Etats, ou en transportant des officiers, soldats, dépêches, armes, munitions de guerre, approvisionnements ou matériaux militaires, ou quelque article ou des articles regardés et réputés comme contrebande de guerre par le droit des gens ou les usages modernes des nations pour l'usage ou le service de l'un ou de l'autre des dits Etats, que toutes les personnes se rendant coupables de pareils actes, ainsi que leurs navires et marchandises, s'exposeront justement à une capture hostile et aux pénalités énoncées par le droit des gens à cet égard.

Et Nous donnons par le présent avis à tous Nos sujets et aux personnes qui ont droit à Notre protection qui pourront se mal conduire à cet égard, qu'ils le feront à leur péril et se mettront dans leur propre tort ; et qu'ils n'obtiendront aucune protection de Notre part contre une pareille capture ou les pénalités susdites, mais qu'au contraire ils encourront Notre grand déplaisir par une pareille conduite.

Donné en Notre Cour à Osborne House, Ile de Wight, ce septième jour d'août de l'année de Notre-Seigneur mil huit cent quatre-vingt-quatorze et dans la cinquante-huitième année de Notre Règne.

DIEU SAUVE LA REINE.

AFFAIRES ETRANGÈRES,
7 d'août 1894.

MILORD,—Sa Majesté étant fermement déterminée d'observer les devoirs de la neutralité durant la guerre actuelle entre l'Empereur de la Chine et l'Empereur du Japon, et voulant, de plus, empêcher, autant que possible, l'usage des havres, ports et côtes de Sa Majesté, et des eaux situées dans la juridiction territoriale de Sa Majesté, pour aider aux opérations de l'un ou l'autre des belligérants, m'a chargé de communiquer à Vos Seigneuries, pour vous servir de guide, les règlements qui suivent, lesquels devront être traités et mis à exécution comme étant les ordres et instructions de Sa Majesté ;

Il a aussi plu à Sa Majesté d'ordonner que ces règlements soient mis à exécution dans le Royaume-Uni, l'Ile de Man et les Iles de la Manche, le et après le 12 du mois courant, et dans les territoires et possessions de Sa Majesté situés au delà des mers, six jours après que le gouverneur ou autre principale autorité de chacun de ces territoires ou possessions, respectivement les aura promulgués et publiés,—publication dans laquelle il annoncera que ces règlements doivent être observés par tous les habitants des dits territoires et possessions :

1. Tant que durera la guerre actuelle, il est défendu à tous les navires de guerre de l'un ou l'autre des belligérants de se servir d'aucun port ou rade du Royaume-Uni, de l'Ile de Man, ou des Iles de la Manche, ou d'aucune des colonies ou possessions ou dépendances étrangères de Sa Majesté, ni d'aucune des eaux soumises à la juridiction territoriale de la Couronne britannique, comme station ou lieu de rendez-vous, pour aucune fin guerrière, ou dans le but de se procurer des moyens ou des équipements de guerre ; et aucun navire de guerre de l'un ou l'autre des belligérants n'aura à l'avenir la permission de faire voile ou de partir d'un port, d'une rade, ou des eaux soumises à la juridiction britannique, d'où quelque navire de l'autre belligérant (que ce soit un navire de guerre ou un navire marchand) sera préalablement parti, avant qu'il ne se soit écoulé au moins vingt-quatre heures depuis le départ du navire en dernier lieu mentionné, hors de la juridiction territoriale de Sa Majesté.

2. Si quelque navire de guerre de l'un ou l'autre des belligérants, après la date à laquelle le présent ordre aura été en premier lieu promulgué et mis en vigueur dans le Royaume-Uni, l'Ile de Man, et les Iles de la Manche, et dans les différentes colonies et possessions et dépendances étrangères de Sa Majesté respectivement, entre dans quelque port, rade, ou eaux appartenant à Sa Majesté, soit dans le Royaume-Uni, l'Ile de Man, ou les Iles de la Manche, soit dans quelqu'une des colonies ou possessions ou dépendances étrangères de Sa Majesté, ce navire sera invité à en partir et à reprendre la mer dans les vingt-quatre heures de son entrée dans tel port, rade ou eaux, sauf dans les cas de mauvais temps, ou s'il a besoin de se procurer des provisions ou autres choses nécessaires pour la subsistance de son équipage, ou de subir des réparations,—et dans ces cas les autorités du port, ou du port le plus rapproché, selon le cas, exigeront qu'il reprenne la mer le plus tôt possible après l'expiration de cette période de vingt-quatre heures, sans lui permettre de se ravitailler au-delà de ce qui pourra être nécessaire pour ses besoins immédiats ; et nul tel vaisseau auquel il aura été permis de rester dans les eaux britanniques pour y subir des réparations ne restera dans ce port, cette rade, ou ces eaux, pendant plus de vingt-quatre heures après que les réparations nécessaires auront été terminées. Pourvu, néanmoins, que dans tous les cas où il se trouverait quelque vaisseau (que ce soit un navire de guerre ou un navire marchand) des dites parties belligérantes dans le même port, rade, ou eaux soumises à la juridiction territoriale de Sa Majesté, il ne s'écoulera pas un intervalle de moins de vingt-quatre heures entre le départ d'aucun tel vaisseau (que ce soit un navire de guerre ou un navire marchand) de l'un des belligérants, et le départ subséquent d'un navire de guerre de l'autre belligérant ; et le temps par le présent limité pour le départ de ces navires de guerre, respectivement, sera toujours, en cas de nécessité, prolongé autant qu'il sera nécessaire pour donner effet au présent proviso, mais pas plus ni autrement.

3. Il ne sera permis à l'avenir à aucun navire de guerre de l'un ou l'autre des belligérants, tant qu'il sera dans un port, une rade, ou des eaux soumises à la juridiction territoriale de Sa Majesté, de se ravitailler, sauf de provisions et autres choses nécessaires à la subsistance de son équipage, et sauf de la quantité de charbon qui sera seulement nécessaire pour le conduire au port le plus rapproché de son propre pays, ou à quelque autre destination plus rapprochée ; et il ne sera plus fourni de charbon à aucun tel navire de guerre dans le même ou quelque autre port, rade ou eaux soumises à la juridiction territoriale de Sa Majesté, sans une permission spéciale, jusqu'après l'expiration de trois mois de la date à laquelle ce charbon lui aura été en dernier lieu fourni dans les eaux britanniques comme susdit.

4. Il est interdit aux navires armés de l'une ou l'autre partie d'amener les prises faites par eux dans les ports, havres, rades, ou eaux, du Royaume-Uni, de l'Ile de Man, des Iles de la Manche, ou d'aucune des colonies ou possessions étrangères de Sa Majesté.

J'ai l'honneur d'être, etc.,

DOWNING STREET
23 de juillet 1894.

MONSIEUR,—Vu la dépêche circulaire du comte de Derby, en date du 28 février 1884, j'ai l'honneur de vous transmettre pour qu'elle soit publiée dans la colonie que vous administrez, copie d'un autre arrêté en conseil concernant le mesurage du tonnage des navires norvégiens.

J'ai l'honneur d'être,
Monsieur,
Votre obéissant serviteur,
RIPON.

A l'Administrateur
du gouvernement du Canada.

AU Château de Windsor, le 27e jour de juin 1894.

PRÉSENTE :

Sa Très Excellente Majesté la REINE en Conseil.

CONSIDÉRANT que par l'*Acte d'amendement de la marine marchande de* 1862, il est statué que lorsqu'il sera représenté à Sa Majesté que les règlements concernant le mesurage du tonnage des bâtiments marchands alors en vigueur en vertu de l'Acte de la marine marchande, 1854, ont été adoptés par le gouvernement d'un pays étranger et sont en vigueur dans ce pays, il sera loisible à Sa Majesté de déclarer, par un arrêté en conseil, que les bâtiments de ce pays étranger seront censés avoir le tonnage indiqué sur leurs certificats d'enregistrement ou autres papiers nationaux, et que dès lors il ne sera plus nécessaire pour ces bâtiments d'être mesurés de nouveau dans un port ou lieu quelconque des possessions de Sa Majesté, mais que ces bâtiments seront censés être du tonnage inscrit sur leurs certificats d'enregistrement ou autres papiers, de la même manière, ou même degré et pour toutes les fins pour lesquelles le tonnage inscrit sur les certificats d'enregistrement des bâtiments britanniques est censé être le tonnage de ces bâtiments.

Et considérant que par l'*Acte de la marine marchande de* 1876, il est statué que "lorsque Sa Majesté est autorisée, en vertu de l'*Acte de la marine marchande de* 1854, ou de tout acte passé ou qui sera passé à l'avenir le modifiant, à rendre un arrêté en conseil, il sera loisible à Sa Majesté de temps à autre de rendre cet arrêté en conseil, et par arrêté en conseil de révoquer, changer ou ajouter à tout arrêté ainsi rendu":

Et considérant qu'il a été démontré à Sa Majesté que les règles concernant le mesurage du tonnage des navires marchands maintenant en vigueur en vertu de l'*Acte de la marine marchande de* 1854, ont été adoptées par le gouvernement royal de Norvège, et sont devenues exécutoires en Norvège le 1er jour d'avril 1876 :

Et considérant qu'il a plu à Sa Majesté, par arrêté en conseil du 17e jour de mai 1876, et par arrêté en conseil daté le 2e jour de février 1884, qui révoquait l'arrêté en dernier lieu cité, d'ordonner, par et avec l'avis de son Conseil privé, que sujet à certains provisos y contenus, les navires marchands appartenant au royaume de Norvège dont le mesurage a été déterminé et inscrit dans les certificats d'enregistrement ou autres documents nationaux du bord, seraient censés être du tonnage inscrit dans ces certificats ou autres documents nationaux, de la même manière, au même degré et pour toutes les fins pour lesquelles le tonnage inscrit sur le certificat d'enregistrement des bâtiments britanniques est censé être le tonnage de ces bâtiments.

Et considérant qu'il a été démontré à Sa Majesté qu'une nouvelle ordonnance, qui est entrée en opération le 1er jour d'octobre 1893, stipule que les certificats du tonnage des navires norvégiens peuvent indiquer le tonnage net calculé d'après les règles britanniques :

Et considérant qu'il a été démontré à Sa Majesté qu'il est désirable que les dispositions du dit arrêté en conseil du 2e jour de février 1884 soient révoquées et qu'un nouvel arrêté en conseil soit rendu et substitué au dit arrêté :

A ces causes il plaît à Sa Majesté, en vertu des pouvoirs qui lui sont conférés par les dits actes, et par et avec l'avis de Son Conseil privé, d'ordonner que le dit arrêté du 2e jour de février 1884, soit, et il est par le présent révoqué, et en ses lieu et place il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé, d'ordonner que les navires de la Norvège dont les certificats de nationalité et d'enregistrement norvégiens sont datés à compter du dit 1er jour d'octobre 1893, seront censés être du tonnage indiqué dans des certificats de nationalité et d'enregistrement norvégiens.

ARRÊTÉS EN CONSEIL.

[2533]

HOTEL DU GOUVERNEMENT A OTTAWA.

Vendredi, le 24e jour d'août 1894.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, en vertu des dispositions de "l'Acte des primes de pêche, 1891," 54-55 Victoria, chapitre 42, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements concernant le paiement des primes de pêche établis par l'arrêté en conseil du 2ème jour de novembre 1893, et l'amendement du 27ème jour de novembre 1893, soient, et ils sont par le présent rescindés, et remplacés par les suivants :—

1. Les pêcheurs qui ont été employés à faire la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon et l'alose, ou le poisson qui se prend dans, ou à l'embouchure des rivières, pendant au moins trois mois, et qui n'ont pas pris moins de 2,500 livres de poisson de mer, auront droit à une prime ; pourvu toujours que nulle prime ne sera payée à ceux qui feront la pêche dans des bateaux mesurant moins de 13 pieds de quille, et le nombre des réclamants est limité à trois hommes (y inclus le propriétaire) pour les bateaux au-dessous de 20 pieds.

2. Il ne sera payé aucune prime sur le poisson pris avec des rets à piège, rets à enclos et nasses, ni sur le poisson pris avec des rets à mailler employés par des personnes qui suivent d'autres occupations que celle de la pêche, et qui ne consacrent qu'une heure ou deux par jour à pêcher avec ces rets et ne sont pas des pêcheurs constamment engagés à pêcher.

5. Les vaisseaux canadiens enregistrés de dix tonneaux et au-dessus (jusqu'à 80 tonneaux), employés au moins trois mois à la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon ou l'alose, ou le poisson qui se prend dans, ou à l'embouchure des rivières, auront droit à une prime qui devra être calculée sur le tonnage enregistré, dont une moitié sera payable au propriétaire ou aux propriétaires, et l'autre moitié à l'équipage, excepté dans le cas où un ou plusieurs membres de l'équipage auraient manqué de se conformer aux règlements, auxquels cas la dite ou les dites parts ne seront pas payées.

6. La période de trois mois durant laquelle un vaisseau est obligé de faire la pêche, pour avoir droit à la prime, commencera à partir du jour où le vaisseau quittera le port pour son voyage de pêche, et se terminera le jour de son retour dans le port, du dit voyage.

7. Les propriétaires ou capitaines de vaisseaux qui ont l'intention de faire la pêche et de réclamer la prime devront, avant de partir pour un voyage de pêche, se procurer une licence du percepteur des douanes ou du garde-pêche le plus voisin, la dite licence sera attachée à la réclamation lorsque cette dernière sera envoyée pour être payée.

8. Les dates et les endroits de pêche devront être précisés dans la réclamation, ainsi que la quantité et les espèces de poisson pris.

Le pavillon devra avoir quatre pieds carrés, en parties égales de rouge et de blanc jointes diagonalement de coin à coin. Si un cas de négligence à se conformer à ce règlement est signalé au ministère de la Marine et des Pêcheries, le droit à la prime sera perdu, à moins que l'on ne donne des raisons satisfaisantes pour cette infraction aux règlements.

AVIS AUX MARINS.

No. 28 de 1894.

DÉPLACEMENT DE LA BOUÉE DE LA MALBAIE.

Il a été trouvé nécessaire de reculer la bouée-boîte rouge en bois, qui était ancrée à l’extrémité de la batture qui s’allonge à l’est de la jetée de l’Etat, à Pointe au Pic, Malbaie, sur la rive nord du fleuve Saint-Laurent, à un tiers d’encâblure sud-est de la position décrite dans la Partie VIII de l’Avis aux Marins No. 14 de 1893, vu les hauts-fonds découverts autour de la position première.

La bouée est aujourd’hui ancrée dans 2½ brasses d’eau.

Les angles d’orientation partant de là sont comme suit :—Eglise de St. Irénée, et église de St. Etienne, 113° 46’ ; église St. Etienne et quai du Cap à l’Aigle, 54° 52’.

Entre la position de la bouée et l’angle est du quai de la Pointe au Pic, on a découvert une pièce avec 5 pieds d’eau seulement, et l’on suppose que le déplacement de la bouée a été nécessité par le prolongement rapide de la batture.

AVIS AUX MARINS.

No. 30 de 1894.

AMÉLIORATION DU CHENAL À LA COURBE DE VARENNES, FLEUVE SAINT-LAURENT.

Les améliorations au chenal de 27½ pieds pour les navires dans le fleuve Saint-Laurent à la Courbe de Varennes, vis-à-vis le pied de l’île Ste. Thérèse, étant complétées, la courbe est en conséquence plus grande et plus large qu’autrefois. Le bord ouest de l’ancien chenal dragué n’a pas été changé, mais le bord intérieur ou est a été allongé d’environ 750 pieds à chaque bout, et élargi graduellement de ces points allant vers le centre jusqu’à une extrême largeur de 510 pieds au lieu de 325 pieds comme auparavant.

Les quatre bouées noires qui marquaient le bord intérieur de la courbe primitive ont été reculées de façon à marquer le bord intérieur de la courbe améliorée, et seront plus espacées que par le passé. Les deux bouées extrêmes sont à environ 750 pieds plus haut et plus bas dans le fleuve qu’autrefois, tandis que les deux bouées intermédiaires ont été placées à égale distance des deux extrêmes et l’une de l’autre, toutes les quatre bouées étant à présent espacées de 1,500 pieds au lieu de 1,000 pieds comme auparavant.

Cet avis affecte les cartes de l’Amirauté Nos 797 et 2830*b*.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer a traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

Les allégations de la pétition seront appuyées de la déclaration du bétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

And We do hereby warn and admonish all our loving subjects, and all persons whatsoever entitled to Our protection, to observe towards each of the aforesaid States, their citizens, subjects, and territories, and towards all belligerents whatsoever, with whom we are at peace, the duties of neutrality; and to respect, in all and each of them, the exercise of those belligerent rights with which We and Our Royal predecessors have always claimed to exercise.

And We hereby further warn all Our loving subjects, and all persons whatsoever entitled to Our protection, that if any of them shall presume in contempt of this Our Royal Proclamation, and of Our high displeasure, to do any acts in derogation of their duty as subjects of a neutral Sovereign in a war between other States, or in violation or contravention of the law of nations in that behalf, as more especially by breaking or endeavouring to break, any blockade lawfully and actually established by or on behalf of either of the said States, or by carrying officers, soldiers, despatches, arms, ammunition, military stores or materials, or any article or articles considered and deemed to be contraband of war according to the law or modern usages of nations, for the use or service of either of the said States, that all persons so offending, together with their ships and goods, will rightfully incur and be justly liable to hostile capture, and to the penalties denounced by the law of nations in that behalf.

And We do hereby give notice that all Our subjects and persons entitled to Our protection who may misconduct themselves in the premises will do so at their peril, and of their own wrong; and that they will in nowise obtain any protection from Us against such capture, or such penalties as aforesaid, but will, on the contrary, incur Our high displeasure by such misconduct.

God save the Queen.

Foreign Office,
August 7, 1894.

My Lord,—Her Majesty being fully determined to observe the duties of neutrality during the existing state of war between the Emperor of China and the Emperor of Japan, and being moreover resolved to prevent, as far as possible, the use of Her Majesty's harbours, ports, and coasts, and the waters within Her Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commended me to communicate to Your Lordship, for your guidance, the following rules, which are to be treated and enforced as Her Majesty's orders and directions:—

Her Majesty is pleased further to command that these rules shall be put in force in the United Kingdom, the Isle of Man, and the Channel Islands, on and after the 12th day of this month, and in Her Majesty's territories and possessions beyond the seas, six days after the day when the Governor, or other chief authority of each of such territories or possessions, respectively, shall have notified and published the same; stating in such Notification that the said rules are to be obeyed by all persons within the same territories and possessions.

1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station, or place of resort, for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment; and no ship of war of either belligerent shall hereafter be permitted to sail out of or leave any port, roadstead, or waters subject to British jurisdiction, from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed, until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of Her Majesty.

2. If any ship of war of either belligerent shall, after the time when this Order shall be first notified and put in force in the United Kingdom, the Isle of Man, and the Channel Islands, and in the several colonies and foreign possessions and dependencies of Her Majesty, respectively, enter any port, roadstead, or waters belonging to Her Majesty, either in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, such vessel shall be required to depart and to put to sea within twenty-four hours after her entrance into such port, roadstead, or waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been allowed to remain within British waters for the

purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed. Provided, nevertheless, that in all cases in which there shall be any vessel (whether ships of war or merchant ships) of the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of Her Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

3. No ship of war of either belligerent shall hereafter be permitted, while in any port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

4. Armed ships of either party are interdicted from carrying prizes made by them into the ports, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of Her Majesty's colonies or possessions abroad.

Friday, the 24th day of August, 1894.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, in virtue of the provisions of "The Bounty Act, 1891," 54-55 Victoria, chapter 42, and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the Regulations governing the payment of fishing bounties established by Order in Council of the 2nd November, 1893, and the amendment of the 27th November, 1893, shall be and the same are hereby rescinded and the following substituted therefor:

1. Fishermen who have been engaged in deep-sea fishing for fish other than shell-fish, salmon and shad, or fish taken in rivers or mouths of rivers, for at least three months, and have caught not less than 2,500 pounds of sea fish, shall be entitled to a bounty; provided always that no bounty shall be paid to men fishing in boats measuring less than 13 feet keel, and not more than three men (the owner included) will be allowed as claimants in boats under 20 feet.

2. No bounty shall be paid upon fish caught in trap-nets, pound-nets and weirs, nor upon the fish caught in gill-nets fished by persons who are pursuing other occupations than fishing, and who devote merely an hour or two daily to fishing these nets and are not, as fishermen, steadily engaged in fishing.

3. Only one claim will be allowed in each season, even though the claimant may have fished in two vessels, or in a vessel and a boat or in two boats.

4. The owners of boats measuring not less than 13 feet keel which have been engaged during a period of not less than three months in deep-sea fishing for fish other than shell-fish, salmon or shad, or fish taken in rivers or mouths of rivers, shall be entitled to a bounty on each such boat.

5. Canadian registered vessels of 10 tons and upwards (up to 80 tons) which have been exclusively engaged during a period of not less than three months in the catch of sea-fish other than shell-fish, salmon or shad, or fish taken in rivers or mouths of rivers, shall be entitled to a bounty to be calculated on the registered tonnage, one half of which bounty shall be payable to the owner or owners and the other half to the crew, except in cases where one or more of the crew shall have failed to comply with the regulations, then such share or shares shall not be paid.

6. The three months during which a vessel must have been engaged in fishing, to be entitled to bounty, shall commence on the day the vessel sails from port on her fishing voyage and end the day she returns to port from said voyage.

7. Owners or masters of vessels intending to fish and claim bounty on their vessels must, before proceeding on a fishing voyage, procure a license from the nearest Collector of Customs or Fishery Overseer, said license to be attached to the claim when sent in for payment.

8. Dates and localities of fishing must be stated in the claim, as well as the quantity and kinds of sea-fish caught.

9. Ages of men must be given. Boys under 14 years of age are not eligible as claimants.

10. Claims must be sworn to as true and correct in all their particulars.

11. Claims must be filed on or before the 30th November in each year.

12. Officers authorized to receive claims will supply the requisite blanks free of charge, and after certifying the same will transmit them to the Department of Marine and Fisheries.

13. No claim in which an error has been made by the claimant or claimants shall be amended, after it has been signed and sworn to as correct.

14. Any person or persons detected making returns that are false or fraudulent in any particular will be debarred from any further participation in the bounty and be prosecuted according to the utmost rigour of the law.

15. The amount of the bounty to be paid to fishermen and owners of boats and vessels will be fixed from time to time by the Governor in Council.

16. From and after 1st January, 1895, all vessels fishing under bounty license are required to carry a distinguishing flag, which must be shown at all times during the fishing voyage at the main topmast head. The flag must be four feet square, in equal parts of red and white, joined diagonally from corner to corner. Any case of neglect to carry out this regulation reported to the Department of Marine and Fisheries, will entail the loss of the bounty, unless satisfactory reasons are given for its non-compliance.

I. IMPROVEMENT IN HERRING COVE LIGHT.

The mast, with shed at base, from which a light was exhibited on the western head of Herring Cove, in the approach to Halifax Harbour, Atlantic Coast of Nova Scotia, has been replaced by an enclosed tower.

The new building is a square wooden tower, surmounted by a wooden lantern, the whole painted white. It is 22 feet high from its base to the vane on the lantern.

The light will be as heretofore fixed red. It is elevated 45 feet above high water mark, and should be visible 8 miles from all points of approach by water. The illuminating apparatus is a pressed glass lens.

II. DISCONTINUANCE OF FRONT RANGE LIGHT AT NEGUAC GULLY.

The fixed red light formerly used as a front range light at Neguac Gully has been discontinued, as, in consequence of changes in the channel, it can no longer be utilized.

The main or back light of this range is still maintained as a coast line and to indicate the position of the Gully.

EXTENSION TO GODERICH BREAKWATER PIERS.

REMOVAL OF MURRAY BAY BUOY.

It has been found necessary to move the red wooden can buoy moored on the outer end of the shoal extending east of the Government pier at Pointe au Pic, Murray Bay, on the north shore of the River St. Lawrence, one-third cable south-east from the position described in Part VIII of Notice to Mariners No. 14 of 1893, as shoal water was found outside of its former position.

The buoy is now moored in 2½ fathoms water.

Sextant angles from the buoy are as follows:—St. Irénée Church and St. Etienne Church, 113° 46'; St. Etienne Church and Cape Eagle Wharf, 54° 52'.

A patch with only 5 feet on it is reported between the position of the buoy and the east corner of the Pointe au Pic Wharf, and it is surmised that the necessity for removing the buoy has been caused by the rapid extension of the shoal.

This notice affects Admiralty charts Nos. 310 and 314.

IMPROVEMENTS TO CHANNEL AT VARENNES CURVE, RIVER ST. LAWRENCE.

The improvements to the 27½-foot ship channel of the River St. Lawrence through the Varennes Curve, opposite the lower end of Isle Ste. Thérèse, having been completed, the Curve in consequence is larger and wider than heretofore. The western edge of the old dredged channel has not been changed, but the inner or eastern edge has been lengthened by about 750 feet at either end, and widened from those points gradually towards the centre to an extreme width of 510 feet, instead of 325 feet as heretofore.

The four black buoys marking the inner edge of the original curve have now been moved so as to mark the inner edge of the improved curve, and will stand farther apart than heretofore. The two end buoys being about 750 feet farther up and down the river than formerly, while the two intermediate buoys have been placed equidistant from the end ones and from each other, each of the four buoys being now about 1,500 feet apart instead of 1,000 feet as formerly.

J'ai l'honneur d'être,
Monsieur,
Votre très obéissant serviteur,
RIPON.

A l'Administrateur
du gouvernement du Canada.

Par la REINE.

PROCLAMATION.

VICTORIA R.

CONSIDÉRANT que Nous sommes heureusement en paix avec tous les Souverains, Puissances et Etats ;

Et considérant qu'il s'est malheureusement élevé une guerre entre Sa Majesté l'Empereur de la Chine et Sa Majesté l'Empereur du Japon, et entre leurs divers sujets et autres qui habitent leurs pays, territoires ou possessions :

Et considérant que Nous sommes en termes d'amitié et de rapports amicaux avec chacun de ces Souverains, et avec leurs divers sujets et autres habitant leurs pays, territoires ou possessions :

Et considérant que grand nombre de Nos loyaux sujets sont domiciliés et font le commerce, et possèdent des propriétés et des établissements et jouissent de droits et de privilèges, dans les possessions de chacun des dits Etats, lesquels sont protégés par la foi des traités existants entre Nous et chacun des dits Etats ;

Et considérant que, désirant conserver à Nos sujets les bienfaits de la paix dont ils jouissent heureusement aujourd'hui, nous sommes fermement disposée et déterminée à maintenir une stricte et impartiale neutralité dans le dit état de guerre malheureusement existant entre les dits Etats ;

En conséquence, Nous avons cru devoir, sur l'avis de Notre Conseil Privé, promulguer Notre présente Proclamation Royale ;

Et Nous commandons et chargeons strictement par la présente tous Nos bien-aimés sujets de se conduire en conséquence, et d'observer une stricte neutralité dans et pendant la dite guerre, et de s'abstenir de violer ou enfreindre les lois ou statuts du royaume à cet égard, ou le droit des gens à propos de cette guerre car ils répondront du contraire à leur péril ;

Et considérant que, par un certain statut fait et passé durant une session tenue dans les 33e et 34e années de Notre règne, intitulé : « *Acte pour régler la conduite des sujets de Sa Majesté durant les hostilités entre Etats étrangers avec lesquels Sa Majesté est en paix.* » il est entre autres choses déclaré et statué comme suit :—

« Le présent Acte s'appliquera à toutes les possessions de Sa Majesté, y compris les eaux territoriales adjacentes.

“ *Enrôlement illégal.*

“ Si une personne, étant sujet britannique, dans les limites ou en dehors des limites des possessions de Sa Majesté, accepte ou convient d'accepter, sans permis de Sa Majesté, une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un autre Etat étranger qui est en paix avec Sa Majesté, et mentionné dans le présent Acte comme “pouvoir ami,” ou si une personne, étant ou n'étant pas sujet britannique, dans les limites des possessions de Sa Majesté, induit une autre personne à accepter ou à convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger tel que susdit,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

“ Si une personne, étant sujet britannique, quite, sans permis de Sa Majesté, ou se rend à bord d'un navire en vue de quitter les possessions de Sa Majesté, avec l'intention d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami, ou si une personne, étant ou n'étant pas sujet britannique, dans les limites des possessions de Sa Majesté, induit une autre personne à quitter, ou à se rendre à bord d'un navire en vue de quitter les possessions de Sa Majesté, avec la même intention,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ses peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

“ Si une personne induit une autre personne à quitter les possessions de Sa Majesté ou à s'embarquer sur un navire dans les limites des possessions de Sa Majesté sur mal-représentation ou fausse représentation du service dans lequel cette personne doit être engagée, avec l'intention ou afin que cette personne puisse accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou de l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

“ Si le maître ou propriétaire d'un navire, sans permis de Sa Majesté, prend sciemment ou s'engage à prendre à son bord, dans les limites des possessions de Sa Majesté, une quelconque des personnes suivantes mentionnées dans le présent acte comme illégalement enrôlées, savoir :

“ (1) Toute personne qui, étant sujet britannique, dans les limites des possessions de Sa Majesté, a, sans permis de Sa Majesté, accepté ou est convenue d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami :

“ (2) Toute personne, étant sujet britannique, qui, sans permis de Sa Majesté, se dispose à quitter les possessions de Sa Majesté avec l'intention d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami :

“ (3.) Toute personne qui a été induite à s'embarquer sur mal-représentation ou fausse représentation du service dans lequel cette personne doit être engagée, avec l'intention et afin que cette personne puisse accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

“ Ce maître ou propriétaire sera coupable d'offense, sous le présent acte, et les conséquences suivantes en résulteront, savoir :

“ (1.) Le délinquant sera passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ; et

“ (2.) Ce navire sera retenu jusqu'à jugement et condamnation ou acquittement du maître ou propriétaire et jusqu'à ce que toutes les pénalités infligées au maître ou propriétaire aient été payées, ou que le maître ou propriétaire ait donné caution pour le paiement de ces pénalités à la satisfaction de deux juges de paix, ou autre magistrat ou magistrats ayant l'autorité de deux juges de paix ; et

“ (3.) Toutes personnes enrôlées illégalement seront mises à terre immédiatement après la constatation de l'offense et ne pourront retourner au navire.

“ *Construction et expédition illégales de navires.*

“ Si une personne, dans les limites des possessions de Sa Majesté, sans permis de Sa Majesté, fait un des actes suivants, savoir :—

“ (1.) Construit ou s'engage à construire ou fait construire un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

“ (2.) Emet ou délivre une commission pour un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

“ (3.) Equipe un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

“ (4.) Expédie ou fait ou autorise l'expédition d'un navire avec intention ou connaissance, ou ayant cause raisonnable, de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami—

“ Toute telle personne sera réputée avoir commis une offense, sous le présent acte, et les conséquences suivantes en résulteront :—

“ (1.) Le délinquant sera passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

“ (2.) Le navire sujet de l'offense commise, ainsi que son équipement, seront confisqués au profit de Sa Majesté ;

“ Pourvu qu'une personne construisant, faisant construire ou équipant un navire dans l'un des cas susmentionnés, aux termes d'un contrat passé avant le commencement de la guerre susdite, ne sera passible d'aucune des pénalités imposées par la présente section relativement à cette construction ou équipement, si elle satisfait aux conditions suivantes, savoir :

“ (1.) Si du moment qu'une proclamation de neutralité est émise par Sa Majesté, elle donne avis au Secrétaire d'Etat qu'elle construit, fait construire ou équipe le dit navire dans les conditions mentionnées, et fournit tels détails du contrat, et de toutes choses s'y rattachant, faites ou à faire en vertu du dit contrat, que le Secrétaire d'Etat pourra exiger ;

“ (2.) Si elle donne telles cautions et prend ou laisse prendre telles autres mesures, s'il y a lieu, que le Secrétaire d'Etat jugera nécessaires pour garantir que le dit navire ne sera pas expédié, livré ou déplacé sans permis de Sa Majesté avant la fin de la guerre susdite.

“ Si un navire est construit par un Etat étranger ou par son ordre pendant que cet Etat est en guerre avec un pouvoir ami, ou est livré à cet Etat ou à son ordre, ou à une personne qui, à la connaissance du constructeur, est agent pour le dit Etat étranger, ou est payé par le dit Etat ou le dit agent, et est employé dans le service militaire ou maritime de cet Etat étranger, le navire, jusqu'à ce que le contraire soit prouvé, sera considéré comme ayant été construit pour être ainsi employé, et le constructeur du dit navire devra prouver qu'il ignorait que le navire était destiné à être ainsi employé dans le service militaire ou maritime du dit Etat étranger.

“ Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté,—

En ajoutant au nombre des canons ou en changeant ceux qui sont à bord pour d'autres canons, ou en ajoutant aucun équipement de guerre, augmente, accroît ou fait augmenter ou accroître, ou est sciemment concernée dans l'accroissement ou l'augmentation de la force militaire d'un navire qui, à l'époque où il était dans les limites des possessions de Sa Majesté, était un navire au service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

“Toute telle personne sera coupable d'offense, sous le présent acte, et sera passible d'amende ou d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu : et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

“Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté,—

“Prépare ou organise une expédition navale ou militaire dirigée contre les possessions d'un pouvoir ami, les conséquences suivantes en résulteront :

“(1.) Toute personne engagée dans cette préparation ou organisation, y aidant, ou employée à titre quelconque dans cette expédition, sera coupable d'offense sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour par-devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

“(2.) Tous navires et leurs équipements, et toutes armes et munitions de guerre employées dans cette expédition ou en formant partie, seront confisqués au profit de Sa Majesté.

“Toute personne qui aide, favorise, conseille ou cause l'accomplissement d'une offense, sous le présent acte, sera passible d'être jugée et punie comme auteur du délit.”

Et considérant que par le dit acte il est de plus statué que les navires construits, commissionnés, équipés ou expédiés en contravention au dit acte pourront être condamnés et confisqués par jugement de la Cour d'Amirauté ; et que si le Secrétaire d'Etat ou l'autorité exécutive sont convaincus qu'il y a cause raisonnable et probable de croire qu'un navire, dans les limites de Nos possessions, a été construit ou est en voie de construction, commissionné ou équipé en contravention au dit acte, et qu'il doit être conduit en dehors des limites de ces possessions, ou qu'un navire est sur le point d'être expédié contrairement au dit acte, le dit Secrétaire d'Etat ou l'autorité exécutive auront pouvoir d'émettre un mandat autorisant la saisie et la visite de ce navire et sa détention jusqu'à ce qu'il y ait eu légalement condamnation ou acquittement ; et considérant que certains pouvoirs de saisie et de détention sont conférés par le dit acte à certaines autorités locales :

A ces causes, et afin qu'aucun de Nos sujets ne puisse se rendre passible à la légère des pénalités imposées par le statut, Nous commandons strictement par les présentes que nulle personne ou personnes quelconques ne commettent aucun acte ou ne fassent quoi que ce soit contrairement aux dispositions du dit statut, sous peine d'encourir les différentes pénalités imposées par le dit statut, et Notre grand déplaisir.

Et Nous avertissons et enjoignons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, d'observer envers chacun des Etats susdits, leurs sujets et territoires, et envers tous les belligérants quelconques avec lesquels Nous sommes en paix, les devoirs de la neutralité, et de respecter, chez tous et chacun d'eux, l'exercice de ces droits de belligérants dont Nous et Nos prédécesseurs avons toujours réclamé l'exercice.

Et Nous avertissons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, que si quelqu'un d'entre eux se permet, au mépris de Notre présente Proclamation Royale, et à Notre grand déplaisir, de commettre quelques actes qui soient une dérogation à leurs devoirs comme sujets d'un souverain neutre dans une guerre entre d'autres Etats, ou une violation ou contravention du droit des gens à cet égard, et plus particulièrement en forçant ou cherchant à forcer un blocus légalement et effectivement établi par ou au nom de l'un ou l'autre des dits Etats, ou en transportant des officiers, soldats, dépêches, armes, munitions de guerre, approvisionnements ou matériaux militaires, ou quelque article ou des articles regardés et réputés comme contrebande de guerre par le droit des gens ou les usages modernes des nations pour l'usage ou le service de l'un ou de l'autre des dits Etats, que toutes les personnes se rendant coupables de pareils actes, ainsi que leurs navires et marchandises, s'exposeront justement à une capture hostile et aux pénalités énoncées par le droit des gens à cet égard.

Et Nous donnons par le présent avis à tous Nos sujets et aux personnes qui ont droit à Notre protection qui pourront se mal conduire à cet égard, qu'ils le feront à leur péril et se mettront dans leur propre tort ; et qu'ils n'obtiendront aucune protection de Notre part contre une pareille capture ou les pénalités susdites, mais qu'au contraire ils encourront Notre grand déplaisir par une pareille conduite.

Donné en Notre Cour à Osborne House, Ile de Wight, ce septième jour d'août de l'année de Notre-Seigneur mil huit cent quatre-vingt-quatorze et dans la cinquante-huitième année de Notre Règne.

DIEU SAUVE LA REINE.

AFFAIRES ETRANGÈRES,
7 d'août 1894.

MILORD,—Sa Majesté étant fermement déterminée d'observer les devoirs de la neutralité durant la guerre actuelle entre l'Empereur de la Chine et l'Empereur du Japon, et voulant, de plus, empêcher, autant que possible, l'usage des havres, ports et côtes de Sa Majesté, et des eaux situées dans la juridiction territoriale de Sa Majesté, pour aider aux opérations de l'un ou l'autre des belligérants, m'a chargé de communiquer à Vos Seigneuries, pour vous servir de guide, les règlements qui suivent, lesquels devront être traités et mis à exécution comme étant les ordres et instructions de Sa Majesté ;

Il a aussi plu à Sa Majesté d'ordonner que ces règlements soient mis à exécution dans le Royaume-Uni, l'Ile de Man et les Iles de la Manche, le et après le 12 du mois courant, et dans les territoires et possessions de Sa Majesté situés au delà des mers, six jours après que le gouverneur ou autre principale autorité de chacun de ces territoires ou possessions, respectivement les aura promulgués et publiés,—publication dans laquelle il annoncera que ces règlements doivent être observés par tous les habitants des dits territoires et possessions :

1. Tant que durera la guerre actuelle, il est défendu à tous les navires de guerre de l'un ou l'autre des belligérants de se servir d'aucun port ou rade du Royaume-Uni, de l'Ile de Man, ou des Iles de la Manche, ou d'aucune des colonies ou possessions ou dépendances étrangères de Sa Majesté, ni d'aucune des eaux soumises à la juridiction territoriale de la Couronne britannique, comme station ou lieu de rendez-vous, pour aucune fin guerrière, ou dans le but de se procurer des moyens ou des équipements de guerre ; et aucun navire de guerre de l'un ou l'autre des belligérants n'aura à l'avenir la permission de faire voile ou de partir d'un port, d'une rade, ou des eaux soumises à la juridiction britannique, d'où quelque navire de l'autre belligérant (que ce soit un navire de guerre ou un navire marchand) sera préalablement parti, avant qu'il ne se soit écoulé au moins vingt-quatre heures depuis le départ du navire en dernier lieu mentionné, hors de la juridiction territoriale de Sa Majesté.

2. Si quelque navire de guerre de l'un ou l'autre des belligérants, après la date à laquelle le présent ordre aura été en premier lieu promulgué et mis en vigueur dans le Royaume-Uni, l'Ile de Man, et les Iles de la Manche, et dans les différentes colonies et possessions et dépendances étrangères de Sa Majesté respectivement, entre dans quelque port, rade, ou eaux appartenant à Sa Majesté, soit dans le Royaume-Uni, l'Ile de Man, ou les Iles de la Manche, soit dans quelqu'une des colonies ou possessions ou dépendances étrangères de Sa Majesté, ce navire sera invité à en partir et à reprendre la mer dans les vingt-quatre heures de son entrée dans tel port, rade ou eaux, sauf dans les cas de mauvais temps, ou s'il a besoin de se procurer des provisions ou autres choses nécessaires pour la subsistance de son équipage, ou de subir des réparations,—et dans ces cas les autorités du port, ou

du port le plus rapproché, selon le cas, exigeront qu'il reprenne la mer le plus tôt possible après l'expiration de cette période de vingt-quatre heures, sans lui permettre de se ravitailler au-delà de ce qui pourra être nécessaire pour ses besoins immédiats ; et nul tel vaisseau auquel il aura été permis de rester dans les eaux britanniques pour y subir des réparations ne restera dans ce port, cette rade, ou ces eaux, pendant plus de vingt-quatre heures après que les réparations nécessaires auront été terminées. Pourvu, néanmoins, que dans tous les cas où il se trouverait quelque vaisseau (que ce soit un navire de guerre ou un navire marchand) des dites parties belligérantes dans le même port, rade, où eaux soumises à la juridiction territoriale de Sa Majesté, il ne s'écoulera pas un intervalle de moins de vingt-quatre heures entre le départ d'aucun tel vaisseau (que ce soit un navire de guerre ou un navire marchand) de l'un des belligérants, et le départ subséquent d'un navire de guerre de l'autre belligérant ; et le temps par le présent limité pour le départ de ces navires de guerre, respectivement, sera toujours, en cas de nécessité, prolongé autant qu'il sera nécessaire pour donner effet au présent proviso, mais pas plus ni autrement.

3. Il ne sera permis à l'avenir à aucun navire de guerre de l'un ou l'autre des belligérants, tant qu'il sera dans un port, une rade, ou des eaux soumises à la juridiction territoriale de Sa Majesté, de se ravitailler, sauf de provisions et autres choses nécessaires à la subsistance de son équipage, et sauf de la quantité de charbon qui sera seulement nécessaire pour le conduire au port le plus rapproché de son propre pays, ou à quelque autre destination plus rapprochée ; et il ne sera plus fourni de charbon à aucun tel navire de guerre dans le même ou quelque autre port, rade ou eaux soumises à la juridiction territoriale de Sa Majesté, sans une permission spéciale, jusqu'après l'expiration de trois mois de la date à laquelle ce charbon lui aura été en dernier lieu fourni dans les eaux britanniques comme susdit.

4. Il est interdit aux navires armés de l'une ou l'autre partie d'amener les prises faites par eux dans les ports, havres, rades, ou eaux, du Royaume-Uni, de l'Ile de Man, des Iles de la Manche, ou d'aucune des colonies ou possessions étrangères de Sa Majesté.

J'ai l'honneur d'être, etc.,

(Circulaire) [451 J]

Downing Street
23 de juillet 1894.

Monsieur,—Vu la dépêche circulaire du comte de Derby, en date du 28 février 1884, j'ai l'honneur de vous transmettre pour qu'elle soit publiée dans la colonie que vous administrez, copie d'un autre arrêté en conseil concernant le mesurage du tonnage des navires norvégiens.

J'ai l'honneur d'être,
Monsieur,
Votre obéissant serviteur,
RIPON.

A l'Administrateur
du gouvernement du Canada.

Au Château de Windsor, le 27e jour de juin 1894.

PRÉSENTE :

Sa Très Excellente Majesté la REINE en Conseil.

CONSIDÉRANT que par l'*Acte d'amendement de la marine marchande de* 1862, il est statué que lorsqu'il sera représenté à Sa Majesté que les règlements concernant le mesurage du tonnage des bâtiments marchands alors en vigueur en vertu de l'Acte de la marine marchande, 1854, ont été adoptés par le gouvernement d'un pays étranger et sont en vigueur dans ce pays, il sera loisible à Sa Majesté de déclarer, par un arrêté en conseil, que les bâtiments de ce pays étranger seront censés avoir le tonnage indiqué sur leurs certificats d'enregistrement ou autres papiers nationaux, et que dès lors il ne sera plus nécessaire pour ces bâtiments d'être mesurés de nouveau dans un port ou lieu quelconque des possessions de Sa Majesté, mais que ces bâtiments seront censés être du tonnage inscrit sur leurs certificats d'enregistrement ou autres papiers, de la même manière, ou même degré et pour toutes les fins pour lesquelles le tonnage inscrit sur les certificats d'enregistrement des bâtiments britanniques est censé être le tonnage de ces bâtiments.

Et considérant que par l'*Acte de la marine marchande de* 1876, il est statué que "lorsque Sa Majesté est autorisée, en vertu de l'*Acte de la marine marchande de* 1854, ou de tout acte passé ou qui sera passé à l'avenir le modifiant, à rendre un arrêté en conseil, il sera loisible à Sa Majesté de temps à autre de rendre cet arrêté en conseil, et par arrêté en conseil de révoquer, changer ou ajouter à tout arrêté ainsi rendu ":

Et considérant qu'il a été démontré à Sa Majesté que les règles concernant le mesurage du tonnage des navires marchands maintenant en vigueur en vertu de l'*Acte de la marine marchande de* 1854, ont été adoptées par le gouvernement royal de Norvège, et sont devenues exécutoires en Norvège le 1er jour d'avril 1876 :

Et considérant qu'il a plu à Sa Majesté, par arrêté en conseil du 17e jour de mai 1876, et par arrêté en conseil daté le 2e jour de février 1884, qui révoquait l'arrêté en dernier lieu cité, d'ordonner, par et avec l'avis de son Conseil privé, que sujet à certains provisos y contenus, les navires marchands appartenant au royaume de Norvège dont le mesurage a été déterminé et inscrit dans les certificats d'enregistrement ou autres documents nationaux du bord, seraient censés être du tonnage inscrit dans ces certificats ou autres documents nationaux, de la même manière, au même degré et pour toutes les fins pour lesquelles le tonnage inscrit sur le certificat d'enregistrement des bâtiments britanniques est censé être le tonnage de ces bâtiments.

Et considérant qu'il a été démontré à Sa Majesté qu'une nouvelle ordonnance, qui est entrée en opération le 1er jour d'octobre 1893, stipule que les certificats du tonnage des navires norvégiens peuvent indiquer le tonnage net calculé d'après les règles britanniques :

Et considérant qu'il a été démontré à Sa Majesté qu'il est désirable que les dispositions du dit arrêté en conseil du 2e jour de février 1884 soient révoquées et qu'un nouvel arrêté en conseil soit rendu et substitué au dit arrêté :

A ces causes il plaît à Sa Majesté, en vertu des pouvoirs qui lui sont conférés par les dits actes, et par et avec l'avis de Son Conseil privé, d'ordonner que le dit arrêté du 2e jour de février 1884, soit, et il est par le présent révoqué, et en ses lieu et place il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé, d'ordonner que les navires de la Norvège dont les certificats de nationalité et d'enregistrement norvégiens sont datés à compter du dit 1er jour d'octobre 1893, seront censés être du tonnage indiqué dans des certificats de nationalité et d'enregistrement norvégiens.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu des dispositions de "l'Acte des primes de pêche, 1891," 54-55 Victoria, chapitre 42, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements concernant le paiement des primes de pêche établis par l'arrêté en conseil du 2ème jour de novembre 1893, et l'amendement du 27ème jour de novembre 1893, soient, et ils sont par le présent rescindés, et remplacés par les suivants :—

1. Les pêcheurs qui ont été employés à faire la pêche en eau profonde pour d'autres poissons que les

crustacés, le saumon et l'alose, ou le poisson qui se prend dans, ou à l'embouchure des rivières, pendant au moins trois mois, et qui n'ont pas pris moins de 2,500 livres de poisson de mer, auront droit à une prime ; pourvu toujours que nulle prime ne sera payée à ceux qui feront la pêche dans des bateaux mesurant moins de 13 pieds de quille, et le nombre des réclamants est limité à trois hommes (y inclus le propriétaire) pour les bateaux au-dessous de 20 pieds.

2. Il ne sera payé aucune prime sur le poisson pris avec des rets à piège, rets à enclos et nasses, ni sur le poisson pris avec des rets à mailler employés par des personnes qui suivent d'autres occupations que celle de la pêche, et qui ne consacrent qu'une heure ou deux par jour à pêcher avec ces rets et ne sont pas des pêcheurs constamment engagés à pêcher.

3. Aucun pêcheur ne pourra réclamer plus d'une fois par saison, soit qu'il ait pêché dans deux vaisseaux, ou dans un vaisseau et un bateau de pêche, ou dans deux bateaux.

4. Les propriétaires de vaisseaux de pas moins de 13 pieds de quille, qui ont été employés pendant au moins trois mois à la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon ou l'alose, ou le poisson qui se prend dans ou à l'embouchure des rivières, auront droit à une prime sur chacun des dits bateaux.

5. Les vaisseaux canadiens enregistrés de dix tonneaux et au-dessus (jusqu'à 80 tonneaux), employés au moins trois mois à la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon ou l'alose, ou le poisson qui se prend dans, ou à l'embouchure des rivières, auront droit à une prime qui devra être calculée sur le tonnage enregistré, dont une moitié sera payable au propriétaire ou aux propriétaires, et l'autre moitié à l'équipage, excepté dans le cas où un ou plusieurs membres de l'équipage auraient manqué de se conformer aux règlements, auxquels cas la dite ou les dites parts ne seront pas payées.

6. La période de trois mois durant laquelle un vaisseau est obligé de faire la pêche, pour avoir droit à la prime, commencera à partir du jour où le vaisseau quittera le port pour son voyage de pêche, et se terminera le jour de son retour dans le port, du dit voyage.

7. Les propriétaires ou capitaines de vaisseaux qui ont l'intention de faire la pêche et de réclamer la prime devront, avant de partir pour un voyage de pêche, se procurer une licence du percepteur des douanes ou du garde-pêche le plus voisin, la dite licence sera attachée à la réclamation lorsque cette dernière sera envoyée pour être payée.

8. Les dates et les endroits de pêche devront être précisés dans la réclamation, ainsi que la quantité et les espèces de poisson pris.

9. Les âges des hommes devront être donnés. Les garçons au-dessous de 14 ans ne sont pas acceptés comme réclamants.

10. Les réclamations devront être assermentées comme étant vraies et correctes dans tous leurs détails.

11. Les réclamations doivent être filées le ou avant le 30 novembre de chaque année.

12. Les officiers autorisés à recevoir les réclamations devront fournir les formules nécessaires, gratis, et après les avoir certifiées devront les transmettre au département de la Marine et des Pêcheries.

13. Une réclamation dans laquelle le réclamant ou les réclamants auront fait une erreur ne pourra être amendée après avoir été signée et assermentée comme étant correcte.

14. Quiconque sera reconnu avoir fait des rapports faux ou frauduleux dans aucun détail, sera exclu de participation dans la prime et poursuivi avec toute la sévérité de la loi.

15. Le montant de la prime à être payée aux pêcheurs et aux propriétaires de bateaux et vaisseaux sera fixé de temps à autre par le Gouverneur en conseil.

16. A partir du 1er janvier 1895, les vaisseaux, faisant la pêche en vertu d'une licence, seront tenus de porter un pavillon spécial, qui devra flotter en tout temps pendant le voyage de pêche à la tête du mât de hune du grand mât. Le pavillon devra avoir quatre pieds carrés, en parties égales de rouge et de blanc jointes diagonalement de coin à coin. Si un cas de négligence à se conformer à ce règlement est signalé au ministère de la Marine et des Pêcheries, le droit à la prime sera perdu, à moins que l'on ne donne des raisons satisfaisantes pour cette infraction aux règlements.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu des dispositions de l'article 16 de "l'Acte des pêcheries," chapitre 95 des Statuts Revisés du Canada, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que dans le but de mieux protéger le poisson et empêcher qu'il soit commis des abus par les étrangers qui pêchent à la ligne dans les eaux intérieures de la Puissance du Canada, les règlements de pêche suivants soient et ils sont par le présent adoptés :—

1. Personne, autre qu'un sujet britannique, ne pêchera à la ligne ou prendra de l'achigan, du maskinongé, du brochet, de la perche (doré) ou de la truite dans les eaux canadiennes, sans avoir d'abord obtenu un permis pour pêcher à la ligne, émis par le garde-pêche local dans chaque district, sous l'autorité du Ministre de la Marine et des Pêcheries.

AVIS AUX MARINS.

No. 28 de 1894.

DÉPLACEMENT DE LA BOUÉE DE LA MALBAIE.

Il a été trouvé nécessaire de reculer la bouée-boîte rouge en bois, qui était ancrée à l'extrémité de la batture qui s'allonge à l'est de la jetée de l'Etat, à Pointe au Pic, Malbaie, sur la rive nord du fleuve Saint-Laurent, à un tiers d'encâblure sud-est de la position décrite dans la Partie VIII de l'Avis aux Marins No. 14 de 1893, vu les hauts-fonds découverts autour de la position première.

La bouée est aujourd'hui ancrée dans 2½ brasses d'eau.

Les angles d'orientation partant de là sont comme suit :—Eglise de St. Irénée, et église de St. Etienne, 113° 46' ; église St. Etienne et quai du Cap à l'Aigle, 54° 52'.

Entre la position de la bouée et l'angle est du quai de la Pointe au Pic, on a découvert une pièce avec 5 pieds d'eau seulement, et l'on suppose que le déplacement de la bouée a été nécessité par le prolongement rapide de la batture.

AVIS AUX MARINS.

No. 30 de 1894.

AMÉLIORATION DU CHENAL À LA COURBE DE VARENNES, FLEUVE SAINT-LAURENT.

Les améliorations au chenal de 27½ pieds pour les navires dans le fleuve Saint-Laurent à la Courbe de Varennes, vis-à-vis le pied de l'île Ste. Thérèse, étant complétées, la courbe est en conséquence plus grande et plus large qu'autrefois. Le bord ouest de l'ancien chenal dragué n'a pas été changé, mais le bord intérieur ou est a été allongé d'environ 750 pieds à chaque bout, et élargi graduellement de ces points allant vers le centre jusqu'à une extrême largeur de 510 pieds au lieu de 325 pieds comme auparavant.

Les quatre bouées noires qui marquaient le bord intérieur de la courbe primitive ont été reculées de façon à marquer le bord intérieur de la courbe améliorée, et seront plus espacées que par le passé. Les deux bouées extrêmes sont à environ 750 pieds plus haut et plus bas dans le fleuve qu'autrefois, tandis que les deux bouées intermédiaires ont été placées à égale distance des deux extrêmes et l'une de l'autre, toutes les quatre bouées étant à présent espacées de 1,500 pieds au lieu de 1,000 pieds comme auparavant.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer a traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

By the QUEEN.

A PROCLAMATION.

VICTORIA, R.

WHEREAS We are happily at peace with all Sovereigns, Powers, and States;

And whereas a state of war unhappily exists between His Majesty the Emperor of China and His Majesty the Emperor of Japan, and between their respective subjects and others inhabiting within their countries, territories, or dominions;

And whereas We are on terms of friendship and amicable intercourse with each of these States, and with their subjects and others inhabiting within their countries, territories, or dominions;

And whereas great numbers of Our loyal subjects reside and carry on commerce, and possess property and establishments, and enjoy various rights and privileges, within the territory of each of the aforesaid States, protected by the faith of Treaties between Us and each of the aforesaid States;

And whereas We, being desirous of preserving to Our subjects the blessings of peace which they now happily enjoy, are firmly purposed and determined to maintain a strict and impartial neutrality in the said state of war unhappily existing between the aforesaid States;

We therefore have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation;

And We do hereby strictly charge and command all Our loving subjects to govern themselves accordingly, and to observe a strict neutrality in and during the aforesaid war, and to abstain from violating or contravening either the Laws and Statutes of the realm in this behalf, or the Law of nations in relation thereto, as they will answer to the contrary at their peril;

And whereas in and by a certain Statute made and passed in a Session of Parliament holden in the 33rd and 34th year of Our reign, intituled "An Act to regulate the conduct of Her Majesty's subjects during the existence of Hostilities between Foreign States with which Her Majesty is at peace," it is, amongst other things, declared and enacted as follows:—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If any person, without the licence of Her Majesty, being a British subject, quits or goes on board any ship with a view of quitting Her Majesty's dominions, with intent to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State, or, whether a British subject or not, within Her Majesty's dominions, induces any other person to quit or to go on board any ship with a view of quitting Her Majesty's dominions with the like intent,—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If any person induces any other person to quit Her Majesty's dominions, or to embark on any ship within Her Majesty's dominions, under a misrepresentation or false representation of the service in which such person is to be engaged, with the intent or in order that such person may accept or agree to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State,—

"He shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If the master or owner of any ship without the licence of Her Majesty knowingly either takes on board, or engages to take on board, or has on board such ship within Her Majesty's dominions any of the following persons, in this Act referred to as illegally enlisted persons, that is to say:

"(1.) Any person who, being a British subject, within or without the dominions of Her Majesty, has, without the licence of Her Majesty, accepted or agreed to accept any commission or engagement in the military or naval service of any foreign State at war with any friendly State:

"(2.) Any person, being a British subject who, without the licence of Her Majesty, is about to quit Her Majesty's dominions with intent to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State:

"(3). Any person who has been induced to embark under a misrepresentation or false representation of the service in which such person is to be engaged, with the intent or in order that such person may accept or agree to accept any commission or engagement in the military or naval service of any foreign State at war with a friendly State:

"Such master or owner shall be guilty of an offence against this Act, and the following consequences shall ensue, that is to say:

"(1.) The offender shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour; and

"(2.) Such ship shall be detained until the trial and conviction, or acquittal of the master or owner, and until all penalties inflicted on the master or owner have been paid, or the master or owner has given security for the payment of such penalties to the satisfaction of two Justices of the Peace, or other Magistrate or Magistrates having the authority of two Justices of the Peace; and

(3.) All illegally enlisted persons shall, immediately on the discovery of the offence, be taken on shore, and shall not be allowed to return to the ship.

"*Illegal Shipbuilding and Illegal Expeditions.*

"If any person within Her Majesty's dominions, without the licence of Her Majesty, does any of the following acts, that is to say:

(1.) Builds, or agrees to build, or causes to be built, any ship with intent or knowledge or having reasonable cause to believe that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State; or

"(2.) Issues or delivers any commission for any ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State; or

"(3.) Equips any ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State; or

"(4.) Dispatches, or causes or allows to be dispatched any ship with intent or knowledge, or having reasonable cause to believe that the same shall or will be employed in the military or naval service of any foreign State at war with any friendly State:

"Such person shall be deemed to have committed an offence against this Act, and the following consequences shall ensue:

(1.) The offender shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"(2.) The ship in respect of which any such offence is committed, and her equipment shall be forfeited to Her Majesty:

"Provided, that a person building, causing to be built, or equipping a ship in any of the cases aforesaid, in pursuance of a contract made before the commencement of such war as aforesaid, shall not be liable to any of the penalties imposed by this section in respect of such building or equipping, if he satisfies the conditions following, that is to say:

"(1.) If forthwith upon a Proclamation of Neutrality being issued by Her Majesty he gives notice to the Secretary of State that he is so building, causing to be built, or equipping such ship, and furnishes such particulars of the contract and of any matters relating to, or done, or to be done under the contract as may be required by the Secretary of State:

"(2.) If he gives such security, and takes and permits to be taken such other measures, if any, as the Secretary of State may prescribe for insuring that such ship shall not be dispatched, delivered, or removed without the licence of Her Majesty until the determination of such war as aforesaid.

"Where any ship is built by order of or on behalf of any foreign State when at war with a friendly State, or is delivered to or to the order of such foreign State, or any person who to the knowledge of the person building is an agent of such foreign State, or is paid for by such foreign State or such agent, and is employed in the military or naval service of such foreign State, such ship shall, until the contrary is proved, be deemed to have been built with a view to being so employed, and the burden shall lie on the builder of such ship of proving that he did not know that the ship was intended to be so employed in the military or naval service of such foreign State.

"If any person within the dominions of Her Majesty, and without the licence of Her Majesty,—

"By adding to the number of the guns, or by changing those on board for other guns, or by the addition of any equipment for war, increases or augments, or procures to be increased or augmented, or is knowingly concerned in increasing or augmenting the warlike force of any ship which at the time of her being within the dominions of Her Majesty was a ship in the military or naval service of any foreign State at war with any friendly State,—

"Such person shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"If any person within the limits of Her Majesty's dominions, and without the licence of Her Majesty—

"Prepares or fits out any naval or military expedition to proceed against the dominions of any friendly State, the following consequences shall ensue:

"(1.) Every person engaged in such preparation or fitting out, or assisting therein, or employed in any capacity in such expedition, shall be guilty of an offence against this Act, and shall be punishable by fine and imprisonment, or either of such punishments, at the discretion of the Court before which the offender is convicted; and imprisonment, if awarded, may be either with or without hard labour.

"(2.) All ships and their equipments, and all arms and munitions of war, used in or forming part of such expedition, shall be forfeited to Her Majesty.

"Any person who aids, abets, counsels, or procures the commission of any offence against this Act shall be liable to be tried and punished as a principal offender."

And whereas by the said Act it is further provided that ships built, commissioned, equipped, or dispatched in contravention of the said Act may be condemned and forfeited by Judgment of the Court of Admiralty; and that if the Secretary of State or chief executive authority is satisfied that there is a reasonable and probable cause for believing that a ship within Our dominions has been or is being built, commissioned, or equipped contrary to the said Act, and is about to be taken beyond the limits of such dominions, or that a ship is about to be dispatched contrary to the Act, such Secretary of State, or chief executive authority, shall have power to issue a warrant authorizing the seizure and search of such ship and her detention until she has been either condemned or released by process of law: And whereas certain powers of seizure and detention are conferred by the said Act on certain local authorities:

Now, in order that none of Our subjects may unwarily render themselves liable to the penalties imposed by the said Statute, We do hereby strictly command that no person or persons whatsoever do commit any act, matter, or thing whatsoever contrary to the provisions of the said Statute, upon pain of the several penalties by the said Statute imposed and of Our high displeasure.

And We do hereby warn and admonish all our loving subjects, and all persons whatsoever entitled to Our protection, to observe towards each of the aforesaid States, their citizens, subjects, and territories, and towards all belligerents whatsoever, with whom we are at peace, the duties of neutrality; and to respect, in all and each of them, the exercise of those belligerent rights with which We and Our Royal predecessors have always claimed to exercise.

And We hereby further warn all Our loving subjects, and all persons whatsoever entitled to Our protection, that if any of them shall presume in contempt of this Our Royal Proclamation, and of Our high displeasure, to do any acts in derogation of their duty as subjects of a neutral Sovereign in a war between other States, or in violation or contravention of the law of nations in that behalf, as more especially by breaking or endeavouring to break, any blockade lawfully and actually established by or on behalf of either of the said States, or by carrying officers, soldiers, despatches, arms, ammunition, military stores or materials, or any article or articles considered and deemed to be contraband of war according to the law or modern usages of nations, for the use or service of either of the said States, that all persons so offending, together with their ships and goods, will rightfully incur and be justly liable to hostile capture, and to the penalties denounced by the law of nations in that behalf.

And We do hereby give notice that all Our subjects and persons entitled to Our protection who may misconduct themselves in the premises will do so at their peril, and of their own wrong; and that they will in nowise obtain any protection from Us against such capture, or such penalties as aforesaid, but will, on the contrary, incur Our high displeasure by such misconduct.

Given at Our Court at *Osborne House, Isle of Wight*, this seventh day of *August*, in the year of Our Lord one thousand eight hundred and ninety-four, and in the fifty-eighth year of Our reign.

God save the Queen.

FOREIGN OFFICE,
August 7, 1894.

MY LORD,—Her Majesty being fully determined to observe the duties of neutrality during the existing state of war between the Emperor of China and the Emperor of Japan, and being moreover resolved to prevent, as far as possible, the use of Her Majesty's harbours, ports, and coasts, and the waters within Her Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commended me to communicate to Your Lordship, for your guidance, the following rules, which are to be treated and enforced as Her Majesty's orders and directions:—

Her Majesty is pleased further to command that these rules shall be put in force in the United Kingdom, the Isle of Man, and the Channel Islands, on and after the 12th day of this month, and in Her Majesty's territories and possessions beyond the seas, six days after the day when the Governor, or other chief authority of each of such territories or possessions, respectively, shall have notified and published the same; stating in such Notification that the said rules are to be obeyed by all persons within the same territories and possessions.

1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station, or place of resort, for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment; and no ship of war of either belligerent shall hereafter be permitted to sail out of or leave any port, roadstead, or waters subject to British jurisdiction, from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed, until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of Her Majesty.

2. If any ship of war of either belligerent shall, after the time when this Order shall be first notified and put in force in the United Kingdom, the Isle of Man, and the Channel Islands, and in the several colonies and foreign possessions and dependencies of Her Majesty, respectively, enter any port, roadstead, or waters belonging to Her Majesty, either in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of Her Majesty's colonies or foreign possessions or dependencies, such vessel shall be required to depart and to put to sea within twenty-four hours after her entrance into such port, roadstead, or waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been allowed to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed. Provided, nevertheless, that in all cases in which there shall be any vessel (whether ships of war or merchant ships) of the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of Her Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

3. No ship of war of either belligerent shall hereafter be permitted, while in any port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of Her Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

4. Armed ships of either party are interdicted from carrying prizes made by them into the ports, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of Her Majesty's colonies or possessions abroad.

And whereas it has been made to appear to Her Majesty that a new Royal Ordinance, which came into operation on the 1st day of October, 1893, stipulates that the certificates of tonnage of the Norvegian steamships may show the net tonnage calculated according to British rules:

And whereas it has been made to appear desirable to Her Majesty that the provisions of the said recited Order in Council of the 2nd day of February, 1884, should be revoked and a new Order in Council made and substituted in lieu thereof:

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 24th day of August, 1894.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, in virtue of the provisions of "The Bounty Act, 1891," 54-55 Victoria, chapter 42, and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the Regulations governing the payment of fishing bounties established by Order in Council of the 2nd November, 1893, and the amendment of the 27th November, 1893, shall be and the same are hereby rescinded and the following substituted therefor:

1. Fishermen who have been engaged in deep-sea fishing for fish other than shell-fish, salmon and shad, or fish taken in rivers or mouths of rivers, for at least three months, and have caught not less than 2,500 pounds of sea fish, shall be entitled to a bounty; provided always that no bounty shall be paid to men fishing in boats measuring less than 13 feet keel, and not more than three men (the owner included) will be allowed as claimants in boats under 20 feet.

2. No bounty shall be paid upon fish caught in trap-nets, pound-nets and weirs, nor upon the fish caught in gill-nets fished by persons who are pursuing other occupations than fishing, and who devote merely an hour or two daily to fishing these nets and are not, as fishermen, steadily engaged in fishing.

3. Only one claim will be allowed in each season, even though the claimant may have fished in two vessels, or in a vessel and a boat or in two boats.

4. The owners of boats measuring not less than 13 feet keel which have been engaged during a period of not less than three months in deep-sea fishing for fish other than shell-fish, salmon or shad, or fish taken in rivers or mouths of rivers, shall be entitled to a bounty on each such boat.

5. Canadian registered vessels of 10 tons and upwards (up to 80 tons) which have been exclusively engaged during a period of not less than three months in the catch of sea-fish other than shell-fish, salmon or shad, or fish taken in rivers or mouths of rivers, shall be entitled to a bounty to be calculated on the registered tonnage, one half of which bounty shall be payable to the owner or owners and the other half to the crew, except in cases where one or more of the crew shall have failed to comply with the regulations, then such share or shares shall not be paid.

6. The three months during which a vessel must have been engaged in fishing, to be entitled to bounty, shall commence on the day the vessel sails from port on her fishing voyage and end the day she returns to port from said voyage.

7. Owners or masters of vessels intending to fish and claim bounty on their vessels must, before proceeding on a fishing voyage, procure a license from the nearest Collector of Customs or Fishery Overseer, said license to be attached to the claim when sent in for payment.

8. Dates and localities of fishing must be stated in the claim, as well as the quantity and kinds of sea-fish caught.

9. Ages of men must be given. Boys under 14 years of age are not eligible as claimants.

10. Claims must be sworn to as true and correct in all their particulars.

11. Claims must be filed on or before the 30th November in each year.

12. Officers authorized to receive claims will supply the requisite blanks free of charge, and after certifying the same will transmit them to the Department of Marine and Fisheries.

13. No claim in which an error has been made by the claimant or claimants shall be amended, after it has been signed and sworn to as correct.

14. Any person or persons detected making returns that are false or fraudulent in any particular will be debarred from any further participation in the bounty and be prosecuted according to the utmost rigour of the law.

15. The amount of the bounty to be paid to fishermen and owners of boats and vessels will be fixed from time to time by the Governor in Council.

16. From and after 1st January, 1895, all vessels fishing under bounty license are required to carry a distinguishing flag, which must be shown at all times during the fishing voyage at the main topmast head. The flag must be four feet square, in equal parts of red and white, joined diagonally from corner to corner. Any case of neglect to carry out this regulation reported to the Department of Marine and Fisheries, will entail the loss of the bounty, unless satisfactory reasons are given for its non-compliance.

JOHN J. McGEE,
Clerk of the Privy Council.

GOVERNMENT NOTICE.

NOTICE.—The attention of Notaries Public, and other persons interested, is called to the necessity of having legal instruments to be used out of the Dominion properly authenticated. A legal instrument intended for use in a foreign country should be duly authenticated by a consular authority of that country, and if for use in any part of Her Majesty's dominions other than Canada, it should be authenticated by His Excellency the Governor General.

A strict observance of this rule will prevent the delay and inconvenience which now frequently arise from legal instruments being despatched in an incomplete form.

By command,
JOHN COSTIGAN,
Secretary of State.

CONSIDÉRANT que dans et par Notre proclamation datée le 17e jour de juin A.D. 1885, Nous avons constitué le port de Sydney, Cap-Breton, dans la province de la Nouvelle-Ecosse, en Notre Puissance du Canada, en station de quarantaine, et avons proclamé et déclaré que certains règlements incorporés et énoncés dans Notre dite proclamation seraient adoptés et mis en force à la dite station de quarantaine ;

Et considérant que dans et par les dits règlements il est entre autre chose statué, que tous bateaux, navires et vaisseaux de la classe et de la description mentionnées dans les dits règlements comme sujets à faire leur quarantaine dans le dit havre de Sydney, mouilleront dans le bras nord-ouest du dit havre de Sydney, dans un espace compris entre deux lignes tirées franc sud, courant en travers du havre depuis Allan's Point et Jackson's Point, autant que possible, au milieu du havre, dans l'espace entre les dites pointes, pour y être inspectés par le médecin visiteur et qu'il soit ordonné suivant les circonstances comme susdit ;

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

J'ai l'honneur d'être,
Monsieur,
Votre très obéissant serviteur,
RIPON.

A l'Administrateur
du gouvernement du Canada.

Par la REINE.

PROCLAMATION.

VICTORIA R.

Considérant que Nous sommes heureusement en paix avec tous les Souverains, Puissances et Etats ;

Et considérant qu'il s'est malheureusement élevé une guerre entre Sa Majesté l'Empereur de la Chine et Sa Majesté l'Empereur du Japon, et entre leurs divers sujets et autres qui habitent leurs pays, territoires ou possessions :

Et considérant que Nous sommes en termes d'amitié et de rapports amicaux avec chacun de ces Souverains, et avec leurs divers sujets et autres habitant leurs pays, territoires ou possessions :

Et considérant que grand nombre de Nos loyaux sujets sont domiciliés et font le commerce, et possèdent des propriétés et des établissements et jouissent de droits et de privilèges, dans les possessions de chacun des dits Etats, lesquels sont protégés par la foi des traités existants entre Nous et chacun des dits Etats ;

Et considérant que, désirant conserver à Nos sujets les bienfaits de la paix dont ils jouissent heureusement aujourd'hui, nous sommes fermement disposée et déterminée à maintenir une stricte et impartiale neutralité dans le dit état de guerre malheureusement existant entre les dits Etats ;

En conséquence, Nous avons cru devoir, sur l'avis de Notre Conseil Privé, promulguer Notre présente Proclamation Royale ;

Et Nous commandons et chargeons strictement par la présente tous Nos bien-aimés sujets de se conduire en conséquence, et d'observer une stricte neutralité dans et pendant la dite guerre, et de s'abstenir de violer ou enfreindre les lois ou statuts du royaume à cet égard, ou le droit des gens à propos de cette guerre car ils répondront du contraire à leur péril ;

Et considérant que, par un certain statut fait et passé durant une session tenue dans les 33e et 34e années de Notre règne, intitulé : " *Acte pour régler la conduite des sujets de Sa Majesté durant les hostilités entre Etats étrangers avec lesquels Sa Majesté est en paix.*" il est entre autres choses déclaré et statué comme suit :—

" Le présent Acte s'appliquera à toutes les possessions de Sa Majesté, y compris les eaux territoriales adjacentes.

"*Enrôlement illégal.*

"Si une personne, étant sujet britannique, dans les limites ou en dehors des limites des possessions de Sa Majesté, accepte ou convient d'accepter, sans permis de Sa Majesté, une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un autre Etat étranger qui est en paix avec Sa Majesté, et mentionné dans le présent Acte comme "pouvoir ami," ou si une personne, étant ou n'étant pas sujet britannique, dans les limites des possessions de Sa Majesté, induit une autre personne à accepter ou à convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger tel que susdit,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si une personne, étant sujet britannique, quite, sans permis de Sa Majesté, ou se rend à bord d'un navire en vue de quitter les possessions de Sa Majesté, avec l'intention d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami, ou si une personne, étant ou n'étant pas sujet britannique, dans les limites des possessions de Sa Majesté, induit une autre personne à quitter, ou à se rendre à bord d'un navire en vue de quitter les possessions de Sa Majesté, avec la même intention,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ses peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si une personne induit une autre personne à quitter les possessions de Sa Majesté ou à s'embarquer sur un navire dans les limites des possessions de Sa Majesté sur mal-représentation ou fausse représentation du service dans lequel cette personne doit être engagée, avec l'intention ou afin que cette personne puisse accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—Toute telle personne sera coupable d'offense, sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou de l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si le maître ou propriétaire d'un navire, sans permis de Sa Majesté, prend sciemment ou s'engage à prendre à son bord, dans les limites des possessions de Sa Majesté, une quelconque des personnes suivantes mentionnées dans le présent acte comme illégalement enrôlées, savoir :

"(1) Toute personne qui, étant sujet britannique, dans les limites des possessions de Sa Majesté, a, sans permis de Sa Majesté, accepté ou est convenue d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami :

"(2) Toute personne, étant sujet britannique, qui, sans permis de Sa Majesté, se dispose à quitter les possessions de Sa Majesté avec l'intention d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami :

"(3.) Toute personne qui a été induite à s'embarquer sur mal-représentation ou fausse représentation du service dans lequel cette personne doit être engagée, avec l'intention et afin que cette personne puisse accepter ou convenir d'accepter une commission ou engagement dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

"Ce maître ou propriétaire sera coupable d'offense, sous le présent acte, et les conséquences suivantes en résulteront, savoir :

"(1.) Le délinquant sera passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ; et

"(2.) Ce navire sera retenu jusqu'à jugement et condamnation ou acquittement du maître ou propriétaire et jusqu'à ce que toutes les pénalités infligées au maître ou propriétaire aient été payées, ou que le maître ou propriétaire ait donné caution pour le paiement de ces pénalités à la satisfaction de deux juges de paix, ou autre magistrat ou magistrats ayant l'autorité de deux juges de paix ; et

"(3.) Toutes personnes enrôlées illégalement seront mises à terre immédiatement après la constatation de l'offense et ne pourront retourner au navire.

"*Construction et expédition illégales de navires.*

"Si une personne, dans les limites des possessions de Sa Majesté, sans permis de Sa Majesté, fait un des actes suivants, savoir :—

"(1.) Construit ou s'engage à construire ou fait construire un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

"(2.) Emet ou délivre une commission pour un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

"(3.) Equipe un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami ; ou

"(4.) Expédie ou fait ou autorise l'expédition d'un navire avec intention ou connaissance, ou ayant cause raisonnable, de croire que le dit navire doit être ou sera employé dans le service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami—

"Toute telle personne sera réputée avoir commis une offense, sous le présent acte, et les conséquences suivantes en résulteront :—

"(1.) Le délinquant sera passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

"(2.) Le navire sujet de l'offense commise, ainsi que son équipement, seront confisqués au profit de Sa Majesté ;

"Pourvu qu'une personne construisant, faisant construire ou équipant un navire dans l'un des cas susmentionnés, aux termes d'un contrat passé avant le commencement de la guerre susdite, ne sera passible d'aucune des pénalités imposées par la présente section relativement à cette construction ou équipement, si elle satisfait aux conditions suivantes, savoir :

"(1.) Si du moment qu'une proclamation de neutralité est émise par Sa Majesté, elle donne avis au Secrétaire d'Etat qu'elle construit, fait construire ou équipe le dit navire dans les conditions mentionnées, et fournit tels détails du contrat, et de toutes choses s'y rattachant, faites ou à faire en vertu du dit contrat, que le Secrétaire d'Etat pourra exiger ;

"(2.) Si elle donne telles cautions et prend ou laisse prendre telles autres mesures, s'il y a lieu, que le Secrétaire d'Etat jugera nécessaires pour garantir que le dit navire ne sera pas expédié, livré ou déplacé sans permis de Sa Majesté avant la fin de la guerre susdite.

"Si un navire est construit par un Etat étranger ou par son ordre pendant que cet Etat est en guerre avec un pouvoir ami, ou est livré à cet Etat ou à son ordre, ou à une personne qui, à la connaissance du constructeur, est agent pour le dit Etat étranger, ou est payé par le dit Etat ou le dit agent, et est employé dans le service militaire ou maritime de cet Etat étranger, le navire, jusqu'à ce que le contraire soit prouvé, sera considéré comme ayant été construit pour être ainsi employé, et le constructeur du dit navire devra prouver qu'il ignorait que le navire était destiné à être ainsi employé dans le service militaire ou maritime du dit Etat étranger.

"Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté,—

En ajoutant au nombre des canons ou en changeant ceux qui sont à bord pour d'autres canons, ou en ajoutant aucun équipement de guerre, augmente, accroît ou fait augmenter ou accroître, ou est sciemment concernée dans l'accroissement ou l'augmentation de la force militaire d'un navire qui, à l'époque où il était dans les limites des possessions de Sa Majesté, était un navire au service militaire ou maritime d'un Etat étranger en guerre avec un pouvoir ami,—

"Toute telle personne sera coupable d'offense, sous le présent acte, et sera passible d'amende ou d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour devant laquelle la conviction aura lieu : et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé.

"Si une personne, dans les limites des possessions de Sa Majesté, et sans permis de Sa Majesté,—

"Prépare ou organise une expédition navale ou militaire dirigée contre les possessions d'un pouvoir ami, les conséquences suivantes en résulteront :

"(1.) Toute personne engagée dans cette préparation ou organisation, y aidant, ou employée à titre quelconque dans cette expédition, sera coupable d'offense sous le présent acte, et passible d'amende et d'emprisonnement, ou de l'une ou l'autre de ces peines, à la discrétion de la cour par-devant laquelle la conviction aura lieu ; et l'emprisonnement, s'il est infligé, pourra l'être avec ou sans travail forcé ;

"(2.) Tous navires et leurs équipements, et toutes armes et munitions de guerre employées dans cette expédition ou en formant partie, seront confisqués au profit de Sa Majesté.

"Toute personne qui aide, favorise, conseille ou cause l'accomplissement d'une offense, sous le présent acte, sera passible d'être jugée et punie comme auteur du délit."

Et considérant que par le dit acte il est de plus statué que les navires construits, commissionnés, équipés ou expédiés en contravention au dit acte pourront être condamnés et confisqués par jugement de la Cour d'Amirauté ; et que si le Secrétaire d'Etat ou l'autorité exécutive sont convaincus qu'il y a cause raisonnable et probable de croire qu'un navire, dans les limites de Nos possessions, a été construit ou est en voie de construction, commissionné ou équipé en contravention au dit acte, et qu'il doit être conduit en dehors des limites de ces possessions, ou qu'un navire est sur le point d'être expédié contrairement au dit acte, le dit Secrétaire d'Etat ou l'autorité exécutive auront pouvoir d'émettre un mandat autorisant la saisie et la visite de ce navire et sa détention jusqu'à ce qu'il y ait eu légalement condamnation ou acquittement ; et considérant que certains pouvoirs de saisie et de détention sont conférés par le dit acte à certaines autorités locales :

A ces causes, et afin qu'aucun de Nos sujets ne puisse se rendre passible à la légère des pénalités imposées par le statut, Nous commandons strictement par les présentes que nulle personne ou personnes quelconques ne commettent aucun acte ou ne fassent quoi que ce soit contrairement aux dispositions du dit statut, sous peine d'encourir les différentes pénalités imposées par le dit statut, et Notre grand déplaisir.

Et Nous avertissons et enjoignons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, d'observer envers chacun des Etats susdits, leurs sujets et territoires, et envers tous les belligérants quelconques avec lesquels Nous sommes en paix, les devoirs de la neutralité, et de respecter, chez tous et chacun d'eux, l'exercice de ces droits de belligérants dont Nous et Nos prédécesseurs avons toujours réclamé l'exercice.

Et Nous avertissons de plus tous Nos bien-aimés sujets, et toutes les personnes quelconques qui ont droit à Notre protection, que si quelqu'un d'entre eux se permet, au mépris de Notre présente Proclamation Royale, et à Notre grand déplaisir, de commettre quelques actes qui soient une dérogation à leurs devoirs comme sujets d'un souverain neutre dans une guerre entre d'autres Etats, ou une violation ou contravention du droit des gens à cet égard, et plus particulièrement en forçant ou cherchant à forcer un blocus légalement et effectivement établi par ou au nom de l'un ou l'autre des dits Etats, ou en transportant des officiers, soldats, dépêches, armes, munitions de guerre, approvisionnements ou matériaux militaires, ou quelque article ou des articles regardés et réputés comme contrebande de guerre par le droit des gens ou les usages modernes des nations pour l'usage ou le service de l'un ou de l'autre des dits Etats, que toutes les personnes se rendant coupables de pareils actes, ainsi que leurs navires et marchandises, s'exposeront justement à une capture hostile et aux pénalités énoncées par le droit des gens à cet égard.

Et Nous donnons par le présent avis à tous Nos sujets et aux personnes qui ont droit à Notre protection qui pourront se mal conduire à cet égard, qu'ils le feront à leur péril et se mettront dans leur propre tort ; et qu'ils n'obtiendront aucune protection de Notre part contre une pareille capture ou les pénalités susdites, mais qu'au contraire ils encourront Notre grand déplaisir par une pareille conduite.

Donné en Notre Cour à Osborne House, Ile de Wight, ce septième jour d'août de l'année de Notre-Seigneur mil huit cent quatre-vingt-quatorze et dans la cinquante-huitième année de Notre Règne.

DIEU SAUVE LA REINE.

AFFAIRES ETRANGÈRES,
7 d'août 1894.

MILORD,—Sa Majesté étant fermement déterminée d'observer les devoirs de la neutralité durant la guerre actuelle entre l'Empereur de la Chine et l'Empereur du Japon, et voulant, de plus, empêcher, autant que possible, l'usage des havres, ports et côtes de Sa Majesté, et des eaux situées dans la juridiction territoriale de Sa Majesté, pour aider aux opérations de l'un ou l'autre des belligérants, m'a chargé de communiquer à Vos Seigneuries, pour vous servir de guide, les règlements qui suivent, lesquels devront être traités et mis à exécution comme étant les ordres et instructions de Sa Majesté ;

Il a aussi plu à Sa Majesté d'ordonner que ces règlements soient mis à exécution dans le Royaume-Uni, l'Ile de Man et les Iles de la Manche, le et après le 12 du mois courant, et dans les territoires et possessions de Sa Majesté situés au delà des mers, six jours après que le gouverneur ou autre principale autorité de chacun de ces territoires ou possessions, respectivement les aura promulgués et publiés,—publication dans laquelle il annoncera que ces règlements doivent être observés par tous les habitants des dits territoires et possessions :

1. Tant que durera la guerre actuelle, il est défendu à tous les navires de guerre de l'un ou l'autre des belligérants de se servir d'aucun port ou rade du Royaume-Uni, de l'Ile de Man, ou des Iles de la Manche, ou d'aucune des colonies ou possessions ou dépendances étrangères de Sa Majesté, ni d'aucune des eaux soumises à la juridiction territoriale de la Couronne britannique, comme station ou lieu de rendez-vous, pour aucune fin guerrière, ou dans le but de se procurer des moyens ou des équipements de guerre ; et aucun navire de guerre de l'un ou l'autre des belligérants n'aura à l'avenir la permission de faire voile ou de partir d'un port, d'une rade, ou des eaux soumises à la juridiction britannique, d'où quelque navire de l'autre belligérant (que ce soit un navire de guerre ou un navire marchand) sera préalablement parti, avant qu'il ne se soit écoulé au moins vingt-quatre heures depuis le départ du navire en dernier lieu mentionné, hors de la juridiction territoriale de Sa Majesté.

2. Si quelque navire de guerre de l'un ou l'autre des belligérants, après la date à laquelle le présent ordre aura été en premier lieu promulgué et mis en vigueur dans le Royaume-Uni, l'Ile de Man, et les Iles de la Manche, et dans les différentes colonies et possessions et dépendances étrangères de Sa Majesté respectivement, entre dans quelque port, rade, ou eaux appartenant à Sa Majesté, soit dans le Royaume-Uni, l'Ile de Man, ou les Iles de la Manche, soit dans quelqu'une des colonies ou possessions ou dépendances étrangères de Sa Majesté, ce navire sera invité à en partir et à reprendre la mer dans les vingt-quatre heures de son entrée dans tel port, rade ou eaux, sauf dans les cas de mauvais temps, ou s'il a besoin de se procurer des provisions ou autres choses nécessaires pour la subsistance de son équipage, ou de subir des réparations,—et dans ces cas les autorités du port, ou

du port le plus rapproché, selon le cas, exigeront qu'il reprenne la mer le plus tôt possible après l'expiration de cette période de vingt-quatre heures, sans lui permettre de se ravitailler au-delà de ce qui pourra être nécessaire pour ses besoins immédiats ; et nul tel vaisseau auquel il aura été permis de rester dans les eaux britanniques pour y subir des réparations ne restera dans ce port, cette rade, ou ces eaux, pendant plus de vingt-quatre heures après que les réparations nécessaires auront été terminées. Pourvu, néanmoins, que dans tous les cas où il se trouverait quelque vaisseau (que ce soit un navire de guerre ou un navire marchand) des dites parties belligérantes dans le même port, rade, ou eaux soumises à la juridiction territoriale de Sa Majesté, il ne s'écoulera pas un intervalle de moins de vingt-quatre heures entre le départ d'aucun tel vaisseau (que ce soit un navire de guerre ou un navire marchand) de l'un des belligérants, et le départ subséquent d'un navire de guerre de l'autre belligérant ; et le temps par le présent limité pour le départ de ces navires de guerre, respectivement, sera toujours, en cas de nécessité, prolongé autant qu'il sera nécessaire pour donner effet au présent proviso, mais pas plus ni autrement.

3. Il ne sera permis à l'avenir à aucun navire de guerre de l'un ou l'autre des belligérants, tant qu'il sera dans un port, une rade, ou des eaux soumises à la juridiction territoriale de Sa Majesté, de se ravitailler, sauf de provisions et autres choses nécessaires à la subsistance de son équipage, et sauf de la quantité de charbon qui sera seulement nécessaire pour le conduire au port le plus rapproché de son propre pays, ou à quelque autre destination plus rapprochée ; et il ne sera plus fourni de charbon à aucun tel navire de guerre dans le même ou quelque autre port, rade ou eaux soumises à la juridiction territoriale de Sa Majesté, sans une permission spéciale, jusqu'après l'expiration de trois mois de la date à laquelle ce charbon lui aura été en dernier lieu fourni dans les eaux britanniques comme susdit.

4. Il est interdit aux navires armés de l'une ou l'autre partie d'amener les prises faites par eux dans les ports, havres, rades, ou eaux, du Royaume-Uni, de l'Ile de Man, des Iles de la Manche, ou d'aucune des colonies ou possessions étrangères de Sa Majesté.

J'ai l'honneur d'être, etc.,

DOWNING STREET
23 de juillet 1894.

MONSIEUR,—Vu la dépêche circulaire du comte de Derby, en date du 28 février 1884, j'ai l'honneur de vous transmettre pour qu'elle soit publiée dans la colonie que vous administrez, copie d'un autre arrêté en conseil concernant le mesurage du tonnage des navires norvégiens.

J'ai l'honneur d'être,
Monsieur,
Votre obéissant serviteur,
RIPON.

A l'Administrateur
du gouvernement du Canada.

AU Château de Windsor, le 27e jour de juin 1894.

PRÉSENTE :

Sa Très Excellente Majesté la REINE en Conseil.

CONSIDÉRANT que par l'*Acte d'amendement de la marine marchande de* 1862, il est statué que lorsqu'il sera représenté à Sa Majesté que les règlements concernant le mesurage du tonnage des bâtiments marchands alors en vigueur en vertu de l'Acte de la marine marchande, 1854, ont été adoptés par le gouvernement d'un pays étranger et sont en vigueur dans ce pays, il sera loisible à Sa Majesté de déclarer, par un arrêté en conseil, que les bâtiments de ce pays étranger seront censés avoir le tonnage indiqué sur leurs certificats d'enregistrement ou autres papiers nationaux, et que dès lors il ne sera plus nécessaire pour ces bâtiments d'être mesurés de nouveau dans un port ou lieu quelconque des possessions de Sa Majesté, mais que ces bâtiments seront censés être du tonnage inscrit sur leurs certificats d'enregistrement ou autres papiers, de la même manière, ou même degré et pour toutes les fins pour lesquelles le tonnage inscrit sur les certificats d'enregistrement des bâtiments britanniques est censé être le tonnage de ces bâtiments.

Et considérant que par l'*Acte de la marine marchande de* 1876, il est statué que "lorsque Sa Majesté est autorisée, en vertu de l'*Acte de la marine marchande de* 1854, ou de tout acte passé ou qui sera passé à l'avenir le modifiant, à rendre un arrêté en conseil, il sera loisible à Sa Majesté de temps à autre de rendre cet arrêté en conseil, et par arrêté en conseil de révoquer, changer ou ajouter à tout arrêté ainsi rendu ":

Et considérant qu'il a été démontré à Sa Majesté que les règles concernant le mesurage du tonnage des navires marchands maintenant en vigueur en vertu de l'*Acte de la marine marchande de* 1854, ont été adoptées par le gouvernement royal de Norvège, et sont devenues exécutoires en Norvège le 1er jour d'avril 1876 :

Et considérant qu'il a plu à Sa Majesté, par arrêté en conseil du 17e jour de mai 1876, et par arrêté en conseil daté le 2e jour de février 1884, qui révoquait l'arrêté en dernier lieu cité, d'ordonner, par et avec l'avis de son Conseil privé, que sujet à certains provisos y contenus, les navires marchands appartenant au royaume de Norvège dont le mesurage a été déterminé et inscrit dans les certificats d'enregistrement ou autres documents nationaux du bord, seraient censés être du tonnage inscrit dans ces certificats ou autres documents nationaux, de la même manière, au même degré et pour toutes les fins pour lesquelles le tonnage inscrit sur le certificat d'enregistrement des bâtiments britanniques est censé être le tonnage de ces bâtiments.

Et considérant qu'il a été démontré à Sa Majesté qu'une nouvelle ordonnance, qui est entrée en opération le 1er jour d'octobre 1893, stipule que les certificats du tonnage des navires norvégiens peuvent indiquer le tonnage net calculé d'après les règles britanniques :

Et considérant qu'il a été démontré à Sa Majesté qu'il est désirable que les dispositions du dit arrêté en conseil du 2e jour de février 1884 soient révoquées et qu'un nouvel arrêté en conseil soit rendu et substitué au dit arrêté :

A ces causes il plaît à Sa Majesté, en vertu des pouvoirs qui lui sont conférés par les dits actes, et par et avec l'avis de Son Conseil privé, d'ordonner que le dit arrêté du 2e jour de février 1884, soit, et il est par le présent révoqué, et en ses lieu et place il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé, d'ordonner que les navires de la Norvège dont les certificats de nationalité et d'enregistrement norvégiens sont datés à compter du dit 1er jour d'octobre 1893, seront censés être du tonnage indiqué dans des certificats de nationalité et d'enregistrement norvégiens.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu des dispositions de "l'Acte des primes de pêche, 1891," 54-55 Victoria, chapitre 42, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements concernant le paiement des primes de pêche établis par l'arrêté en conseil du 2ème jour de novembre 1893, et l'amendement du 27ème jour de novembre 1893, soient, et ils sont par le présent rescindés, et remplacés par les suivants :—

1. Les pêcheurs qui ont été employés à faire la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon et l'alose, ou le poisson qui se prend dans, ou à l'embouchure des rivières, pendant au moins trois mois, et qui n'ont pas pris moins de 2,500 livres de poisson de mer, auront droit à une prime ; pourvu toujours que nulle prime ne sera payée à ceux qui feront la pêche dans des bateaux mesurant moins de 13 pieds de quille, et le nombre des réclamants est limité à trois hommes (y inclus le propriétaire) pour les bateaux au-dessous de 20 pieds.

2. Il ne sera payé aucune prime sur le poisson pris avec des rets à piège, rets à enclos et nasses, ni sur le poisson pris avec des rets à mailler employés par des personnes qui suivent d'autres occupations que celle de la pêche, et qui ne consacrent qu'une heure ou deux par jour à pêcher avec ces rets et ne sont pas des pêcheurs constamment engagés à pêcher.

3. Aucun pêcheur ne pourra réclamer plus d'une fois par saison, soit qu'il ait pêché dans deux vaisseaux, ou dans un vaisseau et un bateau de pêche, ou dans deux bateaux.

4. Les propriétaires de vaisseaux de pas moins de 13 pieds de quille, qui ont été employés pendant au moins trois mois à la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon ou l'alose, ou le poisson qui se prend dans ou à l'embouchure des rivières, auront droit à une prime sur chacun des dits bateaux.

5. Les vaisseaux canadiens enregistrés de dix tonneaux et au-dessus (jusqu'à 80 tonneaux), employés au moins trois mois à la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon ou l'alose, ou le poisson qui se prend dans, ou à l'embouchure des rivières, auront droit à une prime qui devra être calculée sur le tonnage enregistré, dont une moitié sera payable au propriétaire ou aux propriétaires, et l'autre moitié à l'équipage, excepté dans le cas où un ou plusieurs membres de l'équipage auraient manqué de se conformer aux règlements, auxquels cas la dite ou les dites parts ne seront pas payées.

6. La période de trois mois durant laquelle un vaisseau est obligé de faire la pêche, pour avoir droit à la prime, commencera à partir du jour où le vaisseau quittera le port pour son voyage de pêche, et se terminera le jour de son retour dans le port, du dit voyage.

7. Les propriétaires ou capitaines de vaisseaux qui ont l'intention de faire la pêche et de réclamer la prime devront, avant de partir pour un voyage de pêche, se procurer une licence du percepteur des douanes ou du garde-pêche le plus voisin, la dite

licence sera attachée à la réclamation lorsque cette dernière sera envoyée pour être payée.

8. Les dates et les endroits de pêche devront être précisés dans la réclamation, ainsi que la quantité et les espèces de poisson pris.

9. Les âges des hommes devront être donnés. Les garçons au-dessous de 14 ans ne sont pas acceptés comme réclamants.

10. Les réclamations devront être assermentées comme étant vraies et correctes dans tous leurs détails.

11. Les réclamations doivent être filées le ou avant le 30 novembre de chaque année.

12. Les officiers autorisés à recevoir les réclamations devront fournir les formules nécessaires, gratis, et après les avoir certifiées devront les transmettre au département de la Marine et des Pêcheries.

13. Une réclamation dans laquelle le réclamant ou les réclamants auront fait une erreur ne pourra être amendée après avoir été signée et assermentée comme étant correcte.

14. Quiconque sera reconnu avoir fait des rapports faux ou frauduleux dans aucun détail, sera exclu de participation dans la prime et poursuivi avec toute la sévérité de la loi.

15. Le montant de la prime à être payée aux pêcheurs et aux propriétaires de bateaux et vaisseaux sera fixé de temps à autre par le Gouverneur en conseil.

16. A partir du 1er janvier 1895, les vaisseaux, faisant la pêche en vertu d'une licence, seront tenus de porter un pavillon spécial, qui devra flotter en tout temps pendant le voyage de pêche à la tête du mât de hune du grand mât. Le pavillon devra avoir quatre pieds carrés, en parties égales de rouge et de blanc jointes diagonalement de coin à coin. Si un cas de négligence à se conformer à ce règlement est signalé au ministère de la Marine et des Pêcheries, le droit à la prime sera perdu, à moins que l'on ne donne des raisons satisfaisantes pour cette infraction aux règlements.

Greffier du Conseil privé.

AVIS DU GOUVERNEMENT.

AVIS.—On attire l'attention des notaires publics et autres personnes intéressées, sur la nécessité de bien faire certifier les documents judiciaires qui doivent servir en dehors du Dominion. Un document judiciaire destiné à servir dans un pays étranger devrait être dûment certifié par l'autorité consulaire de ce pays, et s'il est destiné à servir dans une partie quelconque des possessions de Sa Majesté autre que le Canada, il devrait être certifié par Son Excellence le Gouverneur Général.

En se conformant strictement à cette règle on évitera les délais et ennuis qui trop souvent surviennent de ce que des documents judiciaires sont expédiés sous une forme incomplète.

Par ordre,

Secrétaire d'Etat.

DEMANDES AU PARLEMENT.

Règles *in re* Avis de bills privés.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer a traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Règles additionnelles de la Chambre des Communes concernant les bills privés.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

—

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDERS IN COUNCIL.

[2478]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of August, 1894.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 2nd August, 1894, from the Minister of Marine and Fisheries directing attention to the complaints which have recently been made by shippers of cattle from Canada to ports in Europe, with regard to the freight rates charged by the several steamship companies engaged in the business.

The Minister observes that this trade has assumed very large proportions, and it is claimed by shippers that the freight rates charged them are excessive and uncalled for, and that if the companies are allowed to continue to fix the rates, this branch of Canadian trade will cease to exist.

The Minister further states that, during the recent session of Parliament assurances were given on behalf of the Government that inquiries would be instituted into the working of this industry, and particularly into the matter of freight rates; and he is of opinion that such inquiry can best be made by a Commissioner specially appointed for the purpose, and that it would be expedient and proper that such person so appointed should have the power to compel the attendance of witnesses and to take evidence upon oath.

The Minister recommends that Mr. William Loftus Magee, a Chief Clerk in the Department of Marine and Fisheries, be appointed a Commissioner to inquire into the practical working of the Cattle export trade of Canada, and into all facts bearing upon the complaints made with regard to the freight rates charged by the owners of steamships engaged in that trade, and that, as such Commissioner, he be given all the powers which may be conferred upon Commissioners by virtue of chapter 114 of the Revised Statutes of Canada, intituled "An Act respecting inquiries concerning public matters," and of the various Acts in amendment thereof.

The Committee submit the foregoing for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 24th day of August, 1894.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, in virtue of the provisions of "The Bounty Act, 1891," 54-55 Victoria, chapter 42, and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the Regulations governing the payment of fishing bounties established by Order in Council of the 2nd November, 1893, and the amendment of the 27th November, 1893, shall be and the same are hereby rescinded and the following substituted therefor :

1. Fishermen who have been engaged in deep-sea fishing for fish other than shell-fish, salmon and shad, or fish taken in rivers or mouths of rivers, for at least three months, and have caught not less than 2,500 pounds of sea fish, shall be entitled to a bounty ; provided always that no bounty shall be paid to men fishing in boats measuring less than 13 feet keel, and not more than three men (the owner included) will be allowed as claimants in boats under 20 feet.

2. No bounty shall be paid upon fish caught in trap-nets, pound-nets and weirs, nor upon the fish caught in gill-nets fished by persons who are pursuing other occupations than fishing, and who devote merely an hour or two daily to fishing these nets and are not, as fishermen, steadily engaged in fishing.

3. Only one claim will be allowed in each season, even though the claimant may have fished in two vessels, or in a vessel and a boat or in two boats.

4. The owners of boats measuring not less than 13 feet keel which have been engaged during a period of not less than three months in deep-sea fishing for fish other than shell-fish, salmon or shad, or fish taken in rivers or mouths of rivers, shall be entitled to a bounty on each such boat.

5. Canadian registered vessels of 10 tons and upwards (up to 80 tons) which have been exclusively engaged during a period of not less than three months in the catch of sea-fish other than shell-fish, salmon or shad, or fish taken in rivers or mouths of rivers, shall be entitled to a bounty to be calculated on the registered tonnage, one half of which bounty shall be payable to the owner or owners and the other half to the crew, except in cases where one or more of the crew shall have failed to comply with the regulations, then such share or shares shall not be paid.

6. The three months during which a vessel must have been engaged in fishing, to be entitled to bounty, shall commence on the day the vessel sails from port on her fishing voyage and end the day she returns to port from said voyage.

7. Owners or masters of vessels intending to fish and claim bounty on their vessels must, before proceeding on a fishing voyage, procure a license from the nearest Collector of Customs or Fishery Overseer, said license to be attached to the claim when sent in for payment.

8. Dates and localities of fishing must be stated in the claim, as well as the quantity and kinds of sea-fish caught.

9. Ages of men must be given. Boys under 14 years of age are not eligible as claimants.

10. Claims must be sworn to as true and correct in all their particulars.

11. Claims must be filed on or before the 30th November in each year.

12. Officers authorized to receive claims will supply the requisite blanks free of charge, and after certifying the same will transmit them to the Department of Marine and Fisheries.

13. No claim in which an error has been made by the claimant or claimants shall be amended, after it has been signed and sworn to as correct.

14. Any person or persons detected making returns that are false or fraudulent in any particular will be debarred from any further participation in the bounty and be prosecuted according to the utmost rigour of the law.

15. The amount of the bounty to be paid to fishermen and owners of boats and vessels will be fixed from time to time by the Governor in Council.

16. From and after 1st January, 1895, all vessels fishing under bounty license are required to carry a distinguishing flag, which must be shown at all times during the fishing voyage at the main topmast head. The flag must be four feet square, in equal parts of red and white, joined diagonally from corner to corner. Any case of neglect to carry out this regulation reported to the Department of Marine and Fisheries, will entail the loss of the bounty, unless satisfactory reasons are given for its non-compliance.

9–4 Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 32 of 1894.

I. CHANGE IN ARRANGEMENT OF LIGHTS AT NORTH TRACADIE GULLY.

The range lights on the south side of North Tracadie Gully, off the north-east coast of New Brunswick, in the Gulf of St. Lawrence, established as described in Part II of Notice to Mariners No. 34 of 1893, having been found ineffective through changes in the bar, the front range light has been discontinued, but the back or main light is continued as a coast and beacon light.

Two new range lights to lead over the bar and through the best channel outside the Gully, have been established on the north side of the Gully. They were put in operation on the 29th ultimo. They stand on the narrow grass beach at the point where the Gully enters the Gulf.

The front light is fixed white, shown from a lantern hoisted on a pole, having a small shed at its base painted white. The height from the ground to the light is 20 feet. The light is elevated 25 feet above high water mark and should be visible 6 miles.

Lat. N. 47° 33' 15"
Long. W. 64° 51' 30"

The back light stands 55 feet N.N.W. (N. 46° 30' W. true), from the front one, and is also fixed white, shown from a lantern hoisted on a pole, with a small shed at the base painted white. Its height from the ground is 30 feet. It is elevated 35 feet above high water mark and should be visible 7 miles.

Both lights should be seen in clear weather between the bearings of S.W. round through N. to N.N.E.

Vessels entering the Gully should bring the two lights in range, and steer N.N.W. until near the third red buoy, or until the main lighthouse tower on the south side of the Gully bears W.S.W.; then head for that light and after passing it, leaving it on the port hand, they will be in the main channel, inside the south beach, and out of danger.

This notice affects Admiralty charts Nos. 1715 and 2516, and Canadian List of Lights and Fog Signals Nos. 463 and 464.

II. CHANGE IN HARBOUR GRACE ISLAND LIGHT, NEWFOUNDLAND.

The Government of Newfoundland have given notice that the optical apparatus of the lighthouse on Harbour Grace Island, Conception Bay, has been replaced by a Trotter-Lindberg apparatus of the 4th Order, which is now in operation.

Lat. N. 44° 42' 45"
Long. W. 53° 08' 11"

It is occulting, worked by the heat of the lamp, and shows red and white alternately in quick succession. Normally it makes seven revolutions per minute, four flashes in each revolution.

No alteration has been made in the square wooden house, from the centre of which the lantern rises, and which is white with a red roof.

Deputy-Minister of Marine and Fisheries.
Department of Marine and Fisheries,

TEMPORARY POLE LIGHT AT MULLINS POINT REPLACED BY ENCLOSED TOWER.

The temporary pole light heretofore utilized as a back range light at Mullins Point, Wallace Harbour, on the Strait of Northumberland, coast of Nova Scotia, has been replaced by a lighthouse tower at keeper's dwelling combined, and the light was changed from the pole to the tower on the 25th August, 1894.

The light is fixed red, catoptric, elevated 82 feet above high water mark, and should be visible 8 miles in and over a small arc on each side of the line of range.

The lighthouse is a rectangular dwelling with a square tower rising through the middle of the roof, surmounted by a square lantern. The whole is of wood, painted white. The roof of the dwelling is unpainted. The height of the building from its base to the vane on the lantern is 48 feet.

This building stands 1,473 feet N.W. ¾ W. (N. 76° W. true) from the front range light, and the two lights in one form a range to lead across the bar at the entrance to Wallace Harbour, and through the channel close up to the point.

CAPE SALMON LIGHT AND FOG ALARM STATION.

A lighthouse and fog alarm station, established by the Government of Canada on the north-east extremity of Cape Salmon, locally known as Pointe des Roches, in the River St. Lawrence, below Quebec, County of Charlevoix, Province of Quebec, will be put in operation on the 13th instant.

Lat. N. 46° 20' 00"
Long. W. 69° 54' 08"

The fog alarm building stands close to the face of the Cape, which at this point rises to a height of 33 feet almost perpendicularly from the water. The light building stands immediately behind or north-west of the fog-alarm building, and is partly hidden by it. It is a wooden combined lighthouse and dwelling-house, the square tower rising from the middle of the south-east face of the dwelling. The walls of the building are white. The dwelling roof is unpainted. The iron lantern surmounting the tower is painted red. The height of the building from its base to the vane on the lantern is 46 feet.

The light will be a revolving white light, showing flashes with intervals of 15 seconds between their points of greatest brilliancy. The light will be elevated 77 feet above high water mark and should be visible 14 miles from all points seaward, between the bearings of S.S.W. ¼ W. through W. to N.E. by E. over an arc of 211°.

The fog alarm will consist of a horn operated by steam and compressed air, which will give blasts of 8 seconds' duration, with intervals of 22 seconds between them, or a blast every half minute.

The fog alarm building is a square wooden building, painted white, with an unpainted roof, and stands immediately south-east of the lighthouse, the horns point south-east, and are elevated 46 feet above high water mark. The machinery is in duplicate so that in the event of one horn or boiler becoming inoperative the other may be put in operation.

This notice affects Admiralty charts Nos. 313, 314 and 2516, and the substance of it should be entered in the Canadian List of Lights, &c., under the No. 611.

crustacés, le saumon et l'alose, ou le poisson qui se prend dans, ou à l'embouchure des rivières, pendant au moins trois mois, et qui n'ont pas pris moins de 2,500 livres de poisson de mer, auront droit à une prime ; pourvu toujours que nulle prime ne sera payée à ceux qui feront la pêche dans des bateaux mesurant moins de 13 pieds de quille, et le nombre des réclamants est limité à trois hommes (y inclus le propriétaire) pour les bateaux au-dessous de 20 pieds.

2. Il ne sera payé aucune prime sur le poisson pris avec des rets à piège, rets à enclos et nasses, ni sur le poisson pris avec des rets à mailler employés par des personnes qui suivent d'autres occupations que celle de la pêche, et qui ne consacrent qu'une heure ou deux par jour à pêcher avec ces rets et ne sont pas des pêcheurs constamment engagés à pêcher.

3. Aucun pêcheur ne pourra réclamer plus d'une fois par saison, soit qu'il ait pêché dans deux vaisseaux, ou dans un vaisseau et un bateau de pêche, ou dans deux bateaux.

4. Les propriétaires de vaisseaux de pas moins de 13 pieds de quille, qui ont été employés pendant au moins trois mois à la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon ou l'alose, ou le poisson qui se prend dans ou à l'embouchure des rivières, auront droit à une prime sur chacun des dits bateaux.

5. Les vaisseaux canadiens enregistrés de dix tonneaux et au-dessus (jusqu'à 80 tonneaux), employés au moins trois mois à la pêche en eau profonde pour d'autres poissons que les crustacés, le saumon ou l'alose, ou le poisson qui se prend dans, ou à l'embouchure des rivières, auront droit à une prime qui devra être calculée sur le tonnage enregistré, dont une moitié sera payable au propriétaire ou aux propriétaires, et l'autre moitié à l'équipage, excepté dans le cas où un ou plusieurs membres de l'équipage auraient manqué de se conformer aux règlements, auxquels cas la dite ou les dites parts ne seront pas payées.

6. La période de trois mois durant laquelle un vaisseau est obligé de faire la pêche, pour avoir droit à la prime, commencera à partir du jour où le vaisseau quittera le port pour son voyage de pêche, et se terminera le jour de son retour dans le port, du dit voyage.

7. Les propriétaires ou capitaines de vaisseaux qui ont l'intention de faire la pêche et de réclamer la prime devront, avant de partir pour un voyage de pêche, se procurer une licence du percepteur des douanes ou du garde-pêche le plus voisin, la dite licence sera attachée à la réclamation lorsque cette dernière sera envoyée pour être payée.

8. Les dates et les endroits de pêche devront être précisés dans la réclamation, ainsi que la quantité et les espèces de poisson pris.

9. Les âges des hommes devront être donnés. Les garçons au-dessous de 14 ans ne sont pas acceptés comme réclamants.

14. Quiconque sera reconnu avoir fait des rapports faux ou frauduleux dans aucun détail, sera exclu de participation dans la prime et poursuivi avec toute la sévérité de la loi.

15. Le montant de la prime à être payée aux pêcheurs et aux propriétaires de bateaux et vaisseaux sera fixé de temps à autre par le Gouverneur en conseil.

16. A partir du 1er janvier 1895, les vaisseaux, faisant la pêche en vertu d'une licence, seront tenus de porter un pavillon spécial, qui devra flotter en tout temps pendant le voyage de pêche à la tête du mât de hune du grand mât. Le pavillon devra avoir quatre pieds carrés, en parties égales de rouge et de blanc jointes diagonalement de coin à coin. Si un cas de négligence à se conformer à ce règlement est signalé au ministère de la Marine et des Pêcheries, le droit à la prime sera perdu, à moins que l'on ne donne des raisons satisfaisantes pour cette infraction aux règlements.

AVIS AUX MARINS.

No. 34 de 1894.

PHARE ET SIGNAL DE BRUME DU CAP AU SAUMON.

Un phare et signal de brume, établis par le gouvernement du Canada à l'extrémité nord-est du Cap au Saumon, appelée Pointe des Roches, dans le fleuve Saint-Laurent, en aval de Québec, comté de Charlevoix, province de Québec, seront mis en opération le 15 du courant.

Lat. N. 46° 20' 00"
Long. O. 69° 54' 08"

Le bâtiment du signal de brume est tout près de la face du cap, lequel à cet endroit s'élève à une hauteur de 33 pieds presque perpendiculairement. Le bâtiment du phare est juste en arrière ou au nord-ouest du bâtiment du signal de brume, et est presque caché par ce dernier. C'est un phare et une habitation combinés, en bois, la tour carrée s'élevant du milieu de la face sud-est de l'habitation. Les murs sont blancs. Le toit n'est pas peinturé. La lanterne de fer qui surmonte la tour est peinturée en rouge. La hauteur du bâtiment depuis sa base jusqu'à la girouette de la lanterne est de 46 pieds.

Le feu est blanc tournant, donnant des éclats de lumière avec des intervalles de 15 secondes entre leurs points de plus grande intensité. Le feu sera élevé à 77 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 14 milles de tous les points en mer, entre les orientations S.S. O. ¼ O. par O. à N.E. par E. sur un arc de 211°.

Le signal de brume se composera d'un cor fonctionnant par la vapeur et l'air comprimé, et donnera des sons de 8 secondes de durée, avec intervalles de 22 secondes, ou un son chaque demi-minute.

Le bâtiment du signal de brume est carré, en bois, peinturé en blanc, le toit non peinturé, et est situé juste au sud-est du phare, les cors sont tournés vers le sud-est et sont à 46 pieds au-dessus de l'eau haute. La machinerie est double, de façon que si une pièce se brise, l'autre pourra être utilisée.

Cet avis affecte les cartes de l'Amirauté Nos. 313, 314 et 2516, et devrait être en substance inscrits dans la Liste des phares canadiens, sous le No. 611.

Sous-ministre de la Marine et des Pêcheries.

☞Tous les relèvements, sauf avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements aux aides pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au "Sous-ministre de la Marine et des Pêcheries, Ottawa, Canada." 12–3

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos “ Demande de bill privé.”

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer a traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

ORDERS IN COUNCIL.

[2478]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of August, 1894.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Report, dated 2nd August, 1894, from the Minister of Marine and Fisheries directing attention to the complaints which have recently been made by shippers of cattle from Canada to ports in Europe, with regard to the freight rates charged by the several steamship companies engaged in the business.

The Minister observes that this trade has assumed very large proportions, and it is claimed by shippers that the freight rates charged them are excessive and uncalled for, and that if the companies are allowed to continue to fix the rates, this branch of Canadian trade will cease to exist.

The Minister further states that, during the recent session of Parliament assurances were given on behalf of the Government that inquiries would be instituted into the working of this industry, and particularly into the matter of freight rates ; and he is of opinion that such inquiry can best be made by a Commissioner specially appointed for the purpose, and that it would be expedient and proper that such person so appointed should have the power to compel the attendance of witnesses and to take evidence upon oath.

The Minister recommends that Mr. William Loftus Magee, a Chief Clerk in the Department of Marine and Fisheries, be appointed a Commissioner to inquire into the practical working of the Cattle export trade of Canada, and into all facts bearing upon the complaints made with regard to the freight rates charged by the owners of steamships engaged in that trade, and that, as such Commissioner, he be given all the powers which may be conferred upon Commissioners by virtue of chapter 114 of the Revised Statutes of Canada, intituled "An Act respecting inquiries concerning public matters," and of the various Acts in amendment thereof.

The Committee submit the foregoing for Your Excellency's approval.

JOHN J. McGEE,
12–4 Clerk of the Privy Council.

12–4 Clerk of the Privy Council.

[2532]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of August, 1894.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Memorandum dated 15th August, 1894, from the Minister of Marine and Fisheries, recommending, with reference to the Order in Council of the 22nd July, 1893, cancelling the appointment of Mr. Edward Chabot, as Wharfinger at the Government Wharf at St. Laurent, Island of Orleans, that Mr. Chabot be reappointed Wharfinger of the wharf in question, and that he receive a remuneration for his services at the rate of twenty-five per cent of the tolls and dues collected by him as Wharfinger.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,

WHEREAS the Secretary of State represents that, from the report of the Returning Officer appointed to take the votes of the electors of the County of Chicoutimi, in the Province of Quebec, for and against the adoption of a certain petition to revoke an Order in Council, dated the 19th June, 1885, declaring "The Canada Temperance Act, 1878" in force in the said County of Chicoutimi, from and after the date mentioned in the said Order in Council, and in the manner therein prescribed, it appears that the said petition has been adopted by the electors of the said County, more than one-half of all the votes polled having been for the adoption of the said petition.

And whereas more than thirty days have elapsed from the day on which the said petition was adopted,—

His Excellency, under the authority conferred upon him by the section substituted by section 3 of the Act 51 Victoria, chapter 35, intituled "An Act in amendment of the Canada Temperance Act," for section 96 of "The Canada Temperance Act," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order and declare that the said Order in Council of the 19th of June, 1885, whereby the second part of the said "The Canada Temperance Act, 1878" was brought into force in the said County of Chicoutimi, shall be and the same is hereby revoked.

NOTICE TO MARINERS.

No. 35 of 1894.

I. BUOY ON ALFORD REEF.

A large red spar buoy has been established by the Government of Canada, one-half cable from the west end of Alford Reef, at the entrance to Metlakatla Bay, Chatham Sound, British Columbia.

Lat. N. 54° 18' 12"
Long. W. 130° 30' 15"

Alford Reef at slack water shows three large patches of kelp with shoal water between them. The buoy is moored in six fathoms at extreme low water off the westernmost patch.

Angles taken from the buoy are as follows:—Dawes Point and Doolan Point, Tugwell Island, 30° 0'; Doolan Point and West trend of Devastation Island, 14° 30'; West trend of Devastation Island and North trend of largest Cridge Island, 86° 40'. These angles place the buoy on the following bearings:—Dawes Point, N.W. (N. 16° W. true); West trend of Devastation Island, N. (N. 28° E. true).

This notice affects Admiralty charts Nos. 364, 1923*a*, 2430 and 2453, and British Columbia Pilot, 1888, page 413.

II. HYDROGRAPHIC NOTES RESPECTING SMITH INLET.

Captain John T. Walbran, Master of the Dominion steamer "Quadra," reports the existence of a rock, which dries at extreme low water, bearing from Cape Anne, the western point of Quashela Bay, Smith Inlet, E. by N. ½ N., distant one cable.

Lat. N. 51° 17' 25"
Long. W. 127° 23' 42"

There is a depth of 9 fathoms close eastward of the rock, deepening rapidly to 45 fathoms.

He also reports good anchorage in the south bight of Quashela Bay in 22 fathoms, mud. This bight, or cove, though small, is perfectly safe and has deep water, 6 to 7 fathoms, close to the shore all round. In rounding Cape Anne for this anchorage the cape should be given a berth of at least 2 cables. Between Cape Anne and the entrance to the cove there is no anchorage, the water being very deep.

The plan of Quashela Bay on Admiralty chart 2448, Captain Walbran suggests, should be used with caution, being only a sketch survey.

This notice affects Admiralty chart No. 2448 and British Columbia Pilot, 1888, pages 353 to 357.

I. CHANGE IN ARRANGEMENT OF LIGHTS AT NORTH TRACADIE GULLY.

The range lights on the south side of North Tracadie Gully, off the north-east coast of New Brunswick, in the Gulf of St. Lawrence, established as described in Part II of Notice to Mariners No. 34 of 1893, having been found ineffective through changes in the bar, the front range light has been discontinued, but the back or main light is continued as a coast and beacon light.

Two new range lights to lead over the bar and through the best channel outside the Gully, have been established on the north side of the Gully. They were put in operation on the 29th ultimo. They stand on the narrow grass beach at the point where the Gully enters the Gulf.

The front light is fixed white, shown from a lantern hoisted on a pole, having a small shed at its base painted white. The height from the ground to the light is 20 feet. The light is elevated 25 feet above high water mark and should be visible 6 miles.

Lat. N. 47° 33' 15"
Long. W. 64° 51' 30"

The back light stands 55 feet N.N.W. (N. 46° 30' W. true), from the front one, and is also fixed white, shown from a lantern hoisted on a pole, with a small shed at the base painted white. Its height from the ground is 30 feet. It is elevated 35 feet above high water mark and should be visible 7 miles.

Both lights should be seen in clear weather between the bearings of S.W. round through N. to N.N.E.

Vessels entering the Gully should bring the two lights in range, and steer N.N.W. until near the third red buoy, or until the main lighthouse tower on the south side of the Gully bears W.S.W.; then head for that light and after passing it, leaving it on the port hand, they will be in the main channel, inside the south beach, and out of danger.

This notice affects Admiralty charts Nos. 1715 and 2516, and Canadian List of Lights and Fog Signals Nos. 463 and 464.

II. CHANGE IN HARBOUR GRACE ISLAND LIGHT, NEWFOUNDLAND.

Lat. N. 44° 42' 45"
Long. W. 53° 08' 11"

It is occulting, worked by the heat of the lamp, and shows red and white alternately in quick succession. Normally it makes seven revolutions per minute, four flashes in each revolution.

No alteration has been made in the square wooden house, from the centre of which the lantern rises, and which is white with a red roof.

TEMPORARY POLE LIGHT AT MULLINS POINT REPLACED BY ENCLOSED TOWER.

The temporary pole light heretofore utilized as a back range light at Mullins Point, Wallace Harbour, on the Strait of Northumberland, coast of Nova Scotia, has been replaced by a lighthouse tower at keeper's dwelling combined, and the light was changed from the pole to the tower on the 25th August, 1894.

The light is fixed red, catoptric, elevated 82 feet above high water mark, and should be visible 8 miles in and over a small arc on each side of the line of range.

The lighthouse is a rectangular dwelling with a square tower rising through the middle of the roof, surmounted by a square lantern. The whole is of wood, painted white. The roof of the dwelling is unpainted. The height of the building from its base to the vane on the lantern is 48 feet.

This building stands 1,473 feet N. W. ⅔ W. (N. 76° W. true) from the front range light, and the two lights in one form a range to lead across the bar at the entrance to Wallace Harbour, and through the channel close up to the point.

No. 34 of 1894.

CAPE SALMON LIGHT AND FOG ALARM STATION.

A lighthouse and fog alarm station, established by the Government of Canada on the north-east extremity of Cape Salmon, locally known as Pointe des Roches, in the River St. Lawrence, below Quebec, County of Charlevoix, Province of Quebec, will be put in operation on the 13th instant.

Lat.	N.	46°	20'	00"
Long.	W.	69°	54'	08"

The fog alarm building stands close to the face of the Cape, which at this point rises to a height of 33 feet almost perpendicularly from the water. The light building stands immediately behind or northwest of the fog-alarm building, and is partly hidden by it. It is a wooden combined lighthouse and dwelling-house, the square tower rising from the middle of the south-east face of the dwelling. The walls of the building are white. The dwelling roof is unpainted. The iron lantern surmounting the tower is painted red. The height of the building from its base to the vane on the lantern is 46 feet.

The light will be a revolving white light, showing flashes with intervals of 15 seconds between their points of greatest brilliancy. The light will be elevated 77 feet above high water mark and should be visible 14 miles from all points seaward, between the bearings of S.S.W. ¼ W. through W. to N.E. by E. over an arc of 211°.

The fog alarm will consist of a horn operated by steam and compressed air, which will give blasts of 8 seconds' duration, with intervals of 22 seconds between them, or a blast every half minute.

The fog alarm building is a square wooden building, painted white, with an unpainted roof, and stands immediately south-east of the lighthouse, the horns point south-east, and are elevated 46 feet above high water mark. The machinery is in duplicate so that in the event of one horn or boiler becoming inoperative the other may be put in operation.

This notice affects Admiralty charts Nos. 313, 314 and 2516, and the substance of it should be entered in the Canadian List of Lights, &c., under the No. 611.

WM. SMITH,
Deputy-Minister of Marine and Fisheries.

Department of Marine and Fisheries,

☞ All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

ARRÊTÉS EN CONSEIL.

[2478]

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 25e jour d'août 1894.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport en date du 2 d'août 1894, du Ministre de la Marine et des Pêcheries, attirant l'attention sur les plaintes qui ont récemment été portées par les expéditeurs d'animaux du Canada à des ports d'Europe au sujet des taux de fret exigés par les diverses compagnies de vapeurs engagées dans ce commerce.

Le Ministre observe que ce commerce a pris de très grandes proportions, et les expéditeurs prétendent que les taux de fret exigés d'eux sont excessifs et n'ont pas leur raison d'être, et que s'il est permis aux compagnies de continuer à fixer les prix cette branche de commerce canadien cessera d'exister.

Le Ministre dit de plus, que dans le cours de la dernière session du parlement, on a promis au nom du gouvernement que des enquêtes seraient instituées sur le fonctionnement de cette industrie, et, surtout sur la question des taux de fret ; et il pense que cette enquête sera mieux faite par un commissaire spécialement nommé à cette fin, et que ce commissaire devrait être revêtu du pouvoir de faire comparaître des témoins et de recevoir des dépositions sous serment.

Le Ministre recommande que M. William Loftus Magee, un premier commis au ministère de la Marine et des Pêcheries soit nommé commissaire à l'effet de s'enquérir sur le fonctionnement pratique du commerce d'exportation des animaux du Canada, et sur tous les faits concernant les plaintes portées au sujet des taux de fret exigés par les propriétaires de vapeurs engagés dans ce commerce, et que, en sa qualité de commissaire, il soit revêtu de tous les pouvoirs qui peuvent être conférés à des commissaires en vertu du chapitre 114 des Statuts Revisés du Canada, intitulé "Acte concernant les enquêtes sur les affaires publiques," et des divers actes le modifiant.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
13-3 Greffier du Conseil privé.

Edouard Chabot comme garde-quai au quai de l'Etat à Saint-Laurent, Ile d'Orléans, que M. Chabot soit nommé de nouveau gardien du quai en question, et qu'il reçoive une rémunération pour ses services au taux de vingt-cinq pour cent des droits et péages perçus par lui en sa qualité de garde-quai.

CONSIDÉRANT que le Secrétaire d'Etat représente que d'après le rapport de l'officier-rapporteur nommé pour recevoir les votes des électeurs du comté de Chicoutimi, dans la province de Québec, pour et contre l'adoption d'une certaine pétition à l'effet de révoquer un arrêté en conseil en date du 19 de juin 1885, déclarant "l'Acte de Tempérance du Canada, 1878" en vigueur dans le dit comté de Chicoutimi, à compter de la date mentionnée dans le dit arrêté en Conseil, et en la manière y prescrite, il appert que la dite pétition a été adoptée par les électeurs du dit comté, plus que la moitié de tous les votes enregistrés ayant été en faveur de l'adoption de la dite pétition ;

Et considérant qu'il s'est écoulé plus que trente jours depuis le jour où la dite pétition a été adoptée,—

Il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par l'article substitué par l'article 3 de l'acte 51 Victoria, chapitre 35, intitulé "Acte modifiant l'Acte de tempérance du Canada," pour l'article 96 de "l'Acte de tempérance du Canada," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner et déclarer que le dit arrêté en conseil du 19e jour de juin 1885, par lequel la deuxième partie du dit "Acte de tempérance du Canada de 1878" est devenue exécutoire dans le dit comté de Chicoutimi, soit et il est par le présent révoqué.

Lat. N. 46° 20' 00"
Long. O. 69° 54' 08"

Le bâtiment du signal de brume est tout près de la face du cap, lequel à cet endroit s'élève à une hauteur de 33 pieds presque perpendiculairement. Le bâtiment du phare est juste en arrière ou au nord-ouest du bâtiment du signal de brume, et est presque caché par ce dernier. C'est un phare et une habitation combinés, en bois, la tour carrée s'élevant du milieu de la face sud-est de l'habitation. Les murs sont blancs. Le toit n'est pas peinturé. La lanterne de fer qui surmonte la tour est peinturée en rouge. La hauteur du bâtiment depuis sa base jusqu'à la girouette de la lanterne est de 46 pieds.

Le feu est blanc tournant, donnant des éclats de lumière avec des intervalles de 15 secondes entre leurs points de plus grande intensité. Le feu sera élevé à 77 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 14 milles de tous les points en mer, entre les orientations S.S. O. ¼ O. par O. à N.E. par E. sur un arc de 211°.

Le signal de brume se composera d'un cor fonctionnant par la vapeur et l'air comprimé, et donnera des sons de 8 secondes de durée, avec intervalles de 22 secondes, ou un son chaque demi-minute.

Le bâtiment du signal de brume est carré, en bois, peinturé en blanc, le toit non peinturé, et est situé juste au sud-est du phare, les cors sont tournés vers le sud-est et sont à 46 pieds au-dessus de l'eau haute. La machinerie est double, de façon que si une pièce se brise, l'autre pourra être utilisée.

Cet avis affecte les cartes de l'Amirauté Nos. 313, 314 et 2516, et devrait être en substance inscrits dans la Liste des phares canadiens, sous le No. 611.

☞Tous les relèvements, sauf avis contraire, sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements aux aides pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au "Sous-ministre de la Marine et des Pêcheries, Ottawa, Canada." 12–3

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré durant six mois avant la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique, ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district : autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

[2478]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of August, 1894.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 2nd August, 1894, from the Minister of Marine and Fisheries directing attention to the complaints which have recently been made by shippers of cattle from Canada to ports in Europe, with regard to the freight rates charged by the several steamship companies engaged in the business.

The Minister observes that this trade has assumed very large proportions, and it is claimed by shippers that the freight rates charged them are excessive and uncalled for, and that if the companies are allowed to continue to fix the rates, this branch of Canadian trade will cease to exist.

The Minister further states that, during the recent session of Parliament assurances were given on behalf of the Government that inquiries would be instituted into the working of this industry, and particularly into the matter of freight rates ; and he is of opinion that such inquiry can best be made by a Commissioner specially appointed for the purpose, and that it would be expedient and proper that such person so appointed should have the power to compel the attendance of witnesses and to take evidence upon oath.

The Minister recommends that Mr. William Loftus Magee, a Chief Clerk in the Department of Marine and Fisheries, be appointed a Commissioner to inquire into the practical working of the Cattle export trade of Canada, and into all facts bearing upon the complaints made with regard to the freight rates charged by the owners of steamships engaged in that trade, and that, as such Commissioner, he be given all the powers which may be conferred upon Commissioners by virtue of chapter 114 of the Revised Statutes of Canada, intituled "An Act respecting inquiries concerning public matters," and of the various Acts in amendment thereof.

The Committee submit the foregoing for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

And whereas more than thirty days have elapsed from the day on which the said petition was adopted,—

No. 33 of 1894.

TEMPORARY POLE LIGHT AT MULLINS POINT REPLACED BY ENCLOSED TOWER.

The temporary pole light heretofore utilized as a back range light at Mullins Point, Wallace Harbour, on the Strait of Northumberland, coast of Nova Scotia, has been replaced by a lighthouse tower at keeper's dwelling combined, and the light was changed from the pole to the tower on the 25th August, 1894.

The light is fixed red, catoptric, elevated 82 feet above high water mark, and should be visible 8 miles in and over a small arc on each side of the line of range.

The lighthouse is a rectangular dwelling with a square tower rising through the middle of the roof, surmounted by a square lantern. The whole is of wood, painted white. The roof of the dwelling is unpainted. The height of the building from its base to the vane on the lantern is 48 feet.

This building stands 1,473 feet N. W. ⅔ W. (N. 76° W. true) from the front range light, and the two lights in one form a range to lead across the bar at the entrance to Wallace Harbour, and through the channel close up to the point.

This notice affects Admiralty charts Nos. 1651, 2034, 2670 and 2903, and Canadian List of Lights and Fog Signals No. 340.

CAPE SALMON LIGHT AND FOG ALARM STATION.

A lighthouse and fog alarm station, established by the Government of Canada on the north-east extremity of Cape Salmon, locally known as Pointe des Roches, in the River St. Lawrence, below Quebec, County of Charlevoix, Province of Quebec, will be put in operation on the 13th instant.

Lat.	N.	46°	20'	00"
Long.	W.	69°	54'	08"

The fog alarm building stands close to the face of the Cape, which at this point rises to a height of 33 feet almost perpendicularly from the water. The light building stands immediately behind or north-west of the fog-alarm building, and is partly hidden by it. It is a wooden combined lighthouse and dwelling-house, the square tower rising from the middle of the south-east face of the dwelling. The walls of the building are white. The dwelling roof is unpainted. The iron lantern surmounting the tower is painted red. The height of the building from its base to the vane on the lantern is 46 feet.

The light will be a revolving white light, showing flashes with intervals of 15 seconds between their points of greatest brilliancy. The light will be elevated

77 feet above high water mark and should be visible 14 miles from all points seaward, between the bearings of S.S.W. ¼ W. through W. to N.E. by E. over an arc of 211°.

The fog alarm will consist of a horn operated by steam and compressed air, which will give blasts of 8 seconds' duration, with intervals of 22 seconds between them, or a blast every half minute.

The fog alarm building is a square wooden building, painted white, with an unpainted roof, and stands immediately south-east of the lighthouse, the horns point south-east, and are elevated 46 feet above high water mark. The machinery is in duplicate so that in the event of one horn or boiler becoming inoperative the other may be put in operation.

This notice affects Admiralty charts Nos. 313, 314 and 2516, and the substance of it should be entered in the Canadian List of Lights, &c., under the No. 611.

Deputy-Minister of Marine and Fisheries.

NOTICE TO MARINERS.

No. 35 of 1894.

I. BUOY ON ALFORD REEF.

A large red spar buoy has been established by the Government of Canada, one-half cable from the west end of Alford Reef, at the entrance to Metlakatla Bay, Chatham Sound, British Columbia.

Lat. N. 54° 18' 12"
Long. W. 130° 30' 15"

Alford Reef at slack water shows three large patches of kelp with shoal water between them. The buoy is moored in six fathoms at extreme low water off the westernmost patch.

Angles taken from the buoy are as follows:—Dawes Point and Doolan Point, Tugwell Island, 30° 0'; Doolan Point and West trend of Devastation Island, 14° 30'; West trend of Devastation Island and North trend of largest Cridge Island, 86° 40'. These angles place the buoy on the following bearings:—Dawes Point, N.W. (N. 16° W. true); West trend of Devastation Island, N. (N. 28° E. true).

This notice affects Admiralty charts Nos. 364, 1923*a*, 2430 and 2453, and British Columbia Pilot, 1888, page 413.

II. HYDROGRAPHIC NOTES RESPECTING SMITH INLET.

Captain John T. Walbran, Master of the Dominion steamer "Quadra," reports the existence of a rock, which dries at extreme low water, bearing from Cape Anne, the western point of Quashela Bay, Smith Inlet, E. by N. ½ N., distant one cable.

Lat. N. 51° 17' 25"
Long. W. 127° 23' 42"

There is a depth of 9 fathoms close eastward of the rock, deepening rapidly to 45 fathoms.

He also reports good anchorage in the south bight of Quashela Bay in 22 fathoms, mud. This bight, or cove, though small, is perfectly safe and has deep water, 6 to 7 fathoms, close to the shore all round. In rounding Cape Anne for this anchorage the cape should be given a berth of at least 2 cables. Between Cape Anne and the entrance to the cove there is no anchorage, the water being very deep.

The plan of Quashela Bay on Admiralty chart 2448, Captain Walbran suggests, should be used with caution, being only a sketch survey.

This notice affects Admiralty chart No. 2448 and British Columbia Pilot, 1888, pages 353 to 357.

The beacon light established by the Government of Canada in 1884 on the wharf at Williams Landing, on the south-east side of the River St. John, in King's County, N.B., has been moved farther in from the end of the wharf than heretofore.

It now stands 139 feet from the outer end of the wharf.

In all other respects the light will remain as heretofore, and as described in Notice to Mariners No. 28 of 1884.

This notice affects Canadian List of Lights and Fog Signals No. 48.

NOTICE TO MARINERS.

No. 32 of 1894.

I. CHANGE IN ARRANGEMENT OF LIGHTS AT NORTH TRACADIE GULLY.

The range lights on the south side of North Tracadie Gully, off the north-east coast of New Brunswick, in the Gulf of St. Lawrence, established as described in Part II of Notice to Mariners No. 34 of 1893, having been found ineffective through changes in the bar, the front range light has been discontinued, but the back or main light is continued as a coast and beacon light.

Two new range lights to lead over the bar and through the best channel outside the Gully, have been established on the north side of the Gully. They were put in operation on the 29th ultimo. They stand on the narrow grass beach at the point where the Gully enters the Gulf.

The front light is fixed white, shown from a lantern hoisted on a pole, having a small shed at its base painted white. The height from the ground to the light is 20 feet. The light is elevated 25 feet above high water mark and should be visible 6 miles.

Lat. N. 47° 33' 15"
Long. W. 64° 51' 30"

The back light stands 55 feet N.N.W. (N. 46° 30' W. true), from the front one, and is also fixed white, shown from a lantern hoisted on a pole, with a small shed at the base painted white. Its height from the ground is 30 feet. It is elevated 35 feet above high water mark and should be visible 7 miles.

Both lights should be seen in clear weather between the bearings of S.W. round through N. to N.N.E.

Vessels entering the Gully should bring the two lights in range, and steer N.N.W. until near the third red buoy, or until the main lighthouse tower on the south side of the Gully bears W.S.W.; then head for that light and after passing it, leaving it on the port hand, they will be in the main channel, inside the south beach, and out of danger.

This notice affects Admiralty charts Nos. 1715 and 2516, and Canadian List of Lights and Fog Signals Nos. 463 and 464.

II. CHANGE IN HARBOUR GRACE ISLAND LIGHT, NEWFOUNDLAND.

The Government of Newfoundland have given notice that the optical apparatus of the lighthouse on Harbour Grace Island, Conception Bay, has been replaced by a Trotter-Lindberg apparatus of the 4th Order, which is now in operation.

Lat. N. 44° 42' 45"
Long. W. 53° 08' 11"

It is occulting, worked by the heat of the lamp, and shows red and white alternately in quick succession. Normally it makes seven revolutions per minute, four flashes in each revolution.

No alteration has been made in the square wooden house, from the centre of which the lantern rises, and which is white with a red roof.

Deputy-Minister of Marine and Fisheries.

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 25e jour d'août 1894.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport en date du 2 d'août 1894, du Ministre de la Marine et des Pêcheries, attirant l'attention sur les plaintes qui ont récemment été portées par les expéditeurs d'animaux du Canada à des ports d'Europe au sujet des taux de fret exigés par les diverses compagnies de vapeurs engagées dans ce commerce.

Le Ministre observe que ce commerce a pris de très grandes proportions, et les expéditeurs prétendent que les taux de fret exigés d'eux sont excessifs et n'ont pas leur raison d'être, et que s'il est permis aux compagnies de continuer à fixer les prix cette branche de commerce canadien cessera d'exister.

Le Ministre dit de plus, que dans le cours de la dernière session du parlement, on a promis au nom du gouvernement que des enquêtes seraient instituées sur le fonctionnement de cette industrie, et surtout sur la question des taux de fret ; et il pense que cette enquête sera mieux faite par un commissaire spécialement nommé à cette fin, et que ce commissaire devrait être revêtu du pouvoir de faire comparaître des témoins et de recevoir des dépositions sous serment.

Le Ministre recommande que M. William Loftus Magee, un premier commis au ministère de la Marine et des Pêcheries soit nommé commissaire à l'effet de s'enquérir sur le fonctionnement pratique du commerce d'exportation des animaux du Canada, et sur tous les faits concernant les plaintes portées au sujet des taux de fret exigés par les propriétaires de vapeurs engagés dans ce commerce, et que, en sa qualité de commissaire, il soit revêtu de tous les pouvoirs qui peuvent être conférés à des commissaires en vertu du chapitre 114 des Statuts Revisés du Canada, intitulé "Acte concernant les enquêtes sur les affaires publiques," et des divers actes le modifiant.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
Greffier du Conseil privé.

AVIS.—On attire l'attention des notaires publics et autres personnes intéressées, sur la nécessité de bien faire certifier les documents judiciaires qui doivent servir en dehors du Dominion. En se conformant strictement à cette règle on évitera les délais et ennuis qui trop souvent surviennent de ce que des documents judiciaires sont expédiés sous une forme incomplète.

AVIS AUX MARINS.

No. 34 de 1894.

PHARE ET SIGNAL DE BRUME DU CAP AU SAUMON.

Un phare et signal de brume, établis par le gouvernement du Canada à l'extrémité nord-est du Cap au Saumon, appelée Pointe des Roches, dans le fleuve Saint-Laurent, en aval de Québec, comté de Charlevoix, province de Québec, seront mis en opération le 15 du courant.

Lat. N. 46° 20' 00"
Long. O. 69° 54' 08"

Le bâtiment du signal de brume est tout près de la face du cap, lequel à cet endroit s'élève à une hauteur de 33 pieds presque perpendiculairement. Le bâtiment du phare est juste en arrière ou au nord-ouest du bâtiment du signal de brume, et est presque caché par ce dernier. C'est un phare et une habitation combinés, en bois, la tour carrée s'élevant du milieu de la face sud-est de l'habitation. Les murs sont blancs. Le toit n'est pas peinturé. La lanterne de fer qui surmonte la tour est peinturée en rouge. La hauteur du bâtiment depuis sa base jusqu'à la girouette de la lanterne est de 46 pieds.

Le feu est blanc tournant, donnant des éclats de lumière avec des intervalles de 15 secondes entre leurs points de plus grande intensité. Le feu sera élevé à 77 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 14 milles de tous les points en mer, entre les orientations S.S. O. ¼ O. par O. à N.E. par E. sur un arc de 211°.

Le signal de brume se composera d'un cor fonctionnant par la vapeur et l'air comprimé, et donnera des sons de 8 secondes de durée, avec intervalles de 22 secondes, ou un son chaque demi-minute.

Le bâtiment du signal de brume est carré, en bois, peinturé en blanc, le toit non peinturé, et est situé juste au sud-est du phare, les cors sont tournés vers le sud-est et sont à 46 pieds au-dessus de l'eau haute. La machinerie est double, de façon que si une pièce se brise, l'autre pourra être utilisée.

Cet avis affecte les cartes de l'Amirauté Nos. 313, 314 et 2516, et devrait être en substance inscrits dans la Liste des phares canadiens, sous le No. 611.

Sous-ministre de la Marine et des Pêcheries.

Dans la *Gazette du Canada* en anglais et en français' ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada,* et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 25th day of August, 1894.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 2nd August, 1894, from the Minister of Marine and Fisheries directing attention to the complaints which have recently been made by shippers of cattle from Canada to ports in Europe, with regard to the freight rates charged by the several steamship companies engaged in the business.

The Minister observes that this trade has assumed very large proportions, and it is claimed by shippers that the freight rates charged them are excessive and uncalled for, and that if the companies are allowed to continue to fix the rates, this branch of Canadian trade will cease to exist.

The Minister further states that, during the recent session of Parliament assurances were given on behalf of the Government that inquiries would be instituted into the working of this industry, and particularly into the matter of freight rates; and he is of opinion that such inquiry can best be made by a Commissioner specially appointed for the purpose, and that it would be expedient and proper that such person so appointed should have the power to compel the attendance of witnesses and to take evidence upon oath.

The Minister recommends that Mr. William Loftus Magee, a Chief Clerk in the Department of Marine and Fisheries, be appointed a Commissioner to inquire into the practical working of the Cattle export trade of Canada, and into all facts bearing upon the complaints made with regard to the freight rates charged by the owners of steamships engaged in that trade, and that, as such Commissioner, he be given all the powers which may be conferred upon Commissioners by virtue of chapter 114 of the Revised Statutes of Canada, intituled "An Act respecting inquiries concerning public matters," and of the various Acts in amendment thereof.

The Committee submit the foregoing for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 35 of 1894.

I. BUOY ON ALFORD REEF.

A large red spar buoy has been established by the Government of Canada, one-half cable from the west end of Alford Reef, at the entrance to Metlakatla Bay, Chatham Sound, British Columbia.

Lat. N. 54° 18' 12"
Long. W. 130° 30' 15"

Alford Reef at slack water shows three large patches of kelp with shoal water between them. The buoy is moored in six fathoms at extreme low water off the westernmost patch.

Angles taken from the buoy are as follows:—Dawes Point and Doolan Point, Tugwell Island, 30° 0'; Doolan Point and West trend of Devastation Island, 14° 30'; West trend of Devastation Island and North trend of largest Cridge Island, 86° 40'. These angles place the buoy on the following bearings:—Dawes Point, N.W. (N. 16° W. true); West trend of Devastation Island, N. (N. 28° E. true).

This notice affects Admiralty charts Nos. 364, 1923*a*, 2430 and 2453, and British Columbia Pilot, 1888, page 413.

II. HYDROGRAPHIC NOTES RESPECTING SMITH INLET.

Captain John T. Walbran, Master of the Dominion steamer "Quadra," reports the existence of a rock, which dries at extreme low water, bearing from Cape Anne, the western point of Quashela Bay, Smith Inlet, E. by N. ½ N., distant one cable.

Lat. N. 51° 17' 25"
Long. W. 127° 23' 42"

There is a depth of 9 fathoms close eastward of the rock, deepening rapidly to 45 fathoms.

He also reports good anchorage in the south bight of Quashela Bay in 22 fathoms, mud. This bight, or cove, though small, is perfectly safe and has deep water, 6 to 7 fathoms, close to the shore all round. In rounding Cape Anne for this anchorage the cape should be given a berth of at least 2 cables. Between Cape Anne and the entrance to the cove there is no anchorage, the water being very deep.

The plan of Quashela Bay on Admiralty chart 2448, Captain Walbran suggests, should be used with caution, being only a sketch survey.

This notice affects Admiralty chart No. 2448 and British Columbia Pilot, 1888, pages 353 to 357.

Samedi, le 25e jour d'août 1894.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport en date du 2 d'août 1894, du Ministre de la Marine et des Pêcheries, attirant l'attention sur les plaintes qui ont récemment été portées par les expéditeurs d'animaux du Canada à des ports d'Europe au sujet des taux de fret exigés par les diverses compagnies de vapeurs engagées dans ce commerce.

Le Ministre observe que ce commerce a pris de très grandes proportions, et les expéditeurs prétendent que les taux de fret exigés d'eux sont excessifs et n'ont pas leur raison d'être, et que s'il est permis aux compagnies de continuer à fixer les prix cette branche de commerce canadien cessera d'exister.

Le Ministre dit de plus, que dans le cours de la dernière session du parlement, on a promis au nom du gouvernement que des enquêtes seraient instituées sur le fonctionnement de cette industrie, et surtout sur la question des taux de fret ; et il pense que cette enquête sera mieux faite par un commissaire spécialement nommé à cette fin, et que ce commissaire devrait être revêtu du pouvoir de faire comparaître des témoins et de recevoir des dépositions sous serment.

Le Ministre recommande que M. William Loftus Magee, un premier commis au ministère de la Marine et des Pêcheries soit nommé commissaire à l'effet de s'enquérir sur le fonctionnement pratique du commerce d'exportation des animaux du Canada, et sur tous les faits concernant les plaintes portées au sujet des taux de fret exigés par les propriétaires de vapeurs engagés dans ce commerce, et que, en sa qualité de commissaire, il soit revêtu de tous les pouvoirs qui peuvent être conférés à des commissaires en vertu du chapitre 114 des Statuts Revisés du Canada, intitulé "Acte concernant les enquêtes sur les affaires publiques," et des divers actes le modifiant.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
Greffier du Conseil privé.
